representatives demanded placements for the good of their local and their Black national constituency. Leadership was forced to seat Peacenicik Dullums on the Armed Services Committee where the good old boys refused to give the brother a chair at the table to sit down. The radical Clay and his conspirators went on the propose the first CBC Dinner against the wishes of prominent White liberal allies. Further into the reign of Clay, the Voting Rights Act became a reality; and still later sanctions were imposed on South Africa. And the proposal for a Martin Luther King Holiday which started as an impossible dream finally concluded as a magnificent monument to the forward movement of race relations in America. At this point, Mr. Speaker, I wish to associate myself with the numerous other tributes that have already been recorded for our former Postal and Civil Service Committee chairman, and the ranking Democrat on Education and the Workforce. Congressman Clay is one of the last of the CBC original pioneers. It is important to note that with the recent election of William “Lacy” Clay, his son, the Clay genes will fortunately be remaining in Congress. The following Rap Poem is my final salute to the gentleman from Missouri who now we draft into our “Corps of National American Statesmen”, William “Bill” Clay.

Now is the time
To lift every voice,
Join us to celebrate
Achievements of the St. Louis Choice,
Go ahead and loudly sing,
Let fading memories
Go ahead and loudly sing,
Achievements of the St. Louis Choice.
To lift high every voice,
Now is the time
To let another load
Of Bill Clay genes out.
Now is the time
To let another load
Of Bill Clay genes out.

Extensions of Remarks

COMMENDING THE FREMONT POLICE DEPARTMENT FOR OUTSTANDING PUBLIC SERVICE

HON. FORTNEY PETE STARK
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, December 5, 2000

Mr. STARK. Mr. Speaker, I rise today to commend the Fremont Police Department for receiving the 2000 Community Policing Award for highly populated cities awarded by the International Association of Chiefs of Police and ITT Industries Night Vision.

The Fremont Police Department was one of five winners out of over 100 entries from communities and agencies across the United States and Canada. The city of Fremont and Fremont Police Department have shown a strong commitment to crime prevention that should be used as a shining example for other communities across America. Currently, Fremont has shown its strong commitment to crime prevention by making sure that there are enough police officers to respond to the issues of crime prevention in the city. Fremont has a staffing ratio of one officer per 1,000 residents, much better than the State and national averages. In a nationally published study, Fremont had the 8th lowest population to officer ratios of the Nation’s 289 largest police forces. This low ratio has been maintained even though Fremont has experienced a large growth in population.

This low staffing provides the Fremont Police Department the manpower to carry out innovative approaches to law enforcement. For instance, Fremont as part of their increased use of Community Policing techniques has encouraged leadership building in the neighborhoods. This strategy encourages a stronger partnership between the community and the police department in preventing crime.

Again, I want to extend the highest commendation and congratulations to the Fremont Police Department for its outstanding service to its community.

IN RECOGNITION OF LESLIE DAVIS POTTER

HON. RUSH D. HOLT
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES
Tuesday, December 5, 2000

Mr. HOLT. Mr. Speaker, I rise today to recognize Leslie Davis Potter and her ongoing dedication to serving the growing needs of central New Jersey families. I applaud the achievements she has made working to address the family planning, educational, and outreach needs of our community.

For over 65 years, Planned Parenthood Association of the Mercer Area (PPAMA) has been providing high quality reproductive health care, education and support to women and families throughout Mercer County. Since its modest beginnings in a tiny three-room clinic, PPAMA has evolved into a full-service agency with four centers that provide a comprehensive range of reproductive health services and educational programs to the community.

Leslie Potter has served central New Jersey families as the Executive Director of PPAMA for seventeen years. Throughout her tenure, Leslie Potter has worked to increase access to reproductive health services for low-income families to ensure the reproductive rights of all women and address the growing needs of Mercer County’s Latina population with affordable bilingual/bicultural health care. It was under Leslie Potter’s direction that the 65-
