125TH ANNIVERSARY OF BOTTINEAU, NORTH DAKOTA

● Mr. CONRAD. Mr. President, I am pleased today to recognize a community in North Dakota that is celebrating its 125th anniversary. On June 18 to 21, the residents of Bottineau will gather to celebrate their community's history and founding.

Originally founded in 1883 as Oak Creek, the town was designated the county seat in 1884. It changed its name to Bottineau, taking its new name from Pierre Bottineau, a pioneer, hunter, and frontiersman. 3 years later, the town relocated 1½ miles so that it would be along the newly installed railroad tracks. The town lies in north-central North Dakota and is now home to over 2,000 residents.

Today, Bottineau has many things to be proud of. The Bottineau County Fair

is North Dakota's oldest county fair. The county also houses Bottineau Winter Park, often called the Jewel Above the Prairie, which remains a perennial attraction. And the town of Bottineau is known for "Tommy Turtle," the world's largest turtle, which stands 30 feet tall and is said to have been built as a symbol of the Turtle Mountains.

The citizens of Bottineau clearly value education, as their town is home to Minot State University's Bottineau Campus. Apart from its academic success, the campus has also seen athletic success in recent years, with the Lumberjacks hockey team claiming three consecutive national championships in the last 3 years. Both the Lumberjacks and the Ladyjacks have had accomplished seasons in the past several years. Additionally, the campus has added new sports teams in recent years—something that bodes well for the future of the school.

In honor of the city and county's 125th anniversary, officials have organized a vibrant celebration that includes basketball and golf tournaments, art and quilt shows, class and city gatherings, games for the young and old, a dance, and a centennial parade.

Mr. President, I ask the Senate to join me in congratulating Bottineau, ND, and its residents on their first 125 years and in wishing them well in the future. By honoring Bottineau and all other historic small towns of North Dakota, we keep the great pioneering frontier spirit alive for future generations. It is places such as Bottineau that have helped shape this country into what it is today, which is why this fine community is deserving of our recognition.

Bottineau has a proud past and a bright future.●

125TH ANNIVERSARY OF BRADDOCK, NORTH DAKOTA

● Mr. CONRAD. Mr. President, I am pleased today to recognize a community in North Dakota that is celebrating its 125th anniversary. On June 25 to 28, the residents of Braddock will gather to celebrate their community's history and founding.

Settlers first came to the area in 1883 and founded Braddock shortly thereafter, making it the oldest existing town in Emmons County. Located in south-central North Dakota, Braddock was established as the first railroad town in the county. Frederick Underwood, president of the Soo Railroad, named the town in honor of his good friend, County Auditor Edward Braddock.

Today, Braddock remains a close-knit community. Though small, Braddock is known across the State for the popular Johnny Holm concerts it hosts every year, as well as for the excellent hunting grounds in the area. The citi-

zens of Braddock are very involved in their community and have many active organizations, including Saint Katherine's Altar Society, the Lions Club, the Senior Citizens Organization, and the South Central Threshers Association.

The people of Braddock have planned a lively celebration in honor of the town's 125th anniversary. Activities include a beard-judging contest, duck race, tractor trek, fashion show, outdoor concerts, and a parade.

Mr. President, I ask the Senate to join me in congratulating Braddock, ND, and its residents on their first 125 years and in wishing them well in the future. By honoring Braddock and all other historic small towns of North Dakota, we keep the great pioneering frontier spirit alive for future generations. It is places such as Braddock that have helped shape this country into what it is today, which is why this fine community is deserving of our recognition.

Braddock has a proud past and a bright future.●

125TH ANNIVERSARY OF NAPOLEON, NORTH DAKOTA

● Mr. CONRAD. Mr. President, I wish to recognize a community in North Dakota that is celebrating its 125th anniversary. On June 11 to 14, the residents of Napoleon gathered to celebrate their community's history and founding.

Founded in 1884, Geo H. Cook from Steele, ND, first surveyed and platted the Napoleon town site. The city was named after the president of the Napoleon Townsite Company, Napoleon Goodsill. This company constructed the first building in Napoleon. It soon became the county seat, a title the city still holds today despite numerous challenges over the years. In 1914, Napoleon became incorporated as a village and later was recognized as a city in 1947.

Located in south central North Dakota, Napoleon's beautiful parks and recreation provide its residents with great enjoyment. Napoleon Country Club is a picturesque nine-hole golf course located just 1 mile outside of the city. The Napoleon City Park has 12 campsites along with basketball, tennis, and volleyball courts. Beaver Lake State Park is also nearby which provides fantastic hunting, fishing, and boating.

Today, Napoleon is a rural agricultural community that is excited to celebrate its quasiquicentennial. Currently, Napoleon is building an elevator which will provide improved service to a unit train for grain hauling, and wind farm projects are beginning in the city.

To celebrate its 125th anniversary, Napoleon held a number of exciting events. The Opening Ceremony included music, city hall dignitaries, and
