So the motion to adjourn was rejected.

The result of the vote was announced as above recorded.

PROVIDING FOR CONSIDERATION OF H.R. 2892, DEPARTMENT OF HOMELAND SECURITY APPROPRIATIONS ACT, 2010

The SPEAKER pro tempore. The gentleman from Colorado is recognized for 1 hour.

Mr. PERLMUTTER. Thank you, Madam Speaker.

For purposes of debate only, I yield the customary 30 minutes to my friend from California (Mr. DREIER). All time yielded is for the purpose of debate only.

I yield myself as much time as I may consume.

GENERAL LEAVE

Mr. PERLMUTTER. I also ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 573.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. PERLMUTTER. Madam Speaker, today the House will debate and vote on the Homeland Security Appropriations Act for fiscal year 2010.

My friend Chairman DAVID PRICE and Ranking Member HAROLD ROGERS have crafted a strong bill which invests in robust border security, attentive and agile emergency management capabilities, helpful to State and local partners, and secures our transportation system. This bill reflects Congress' commitment to protect our Nation from the threats it faces with a bottom line \$2.6 billion increase in Department of Homeland Security funding over last year.

In the area of border security and immigration enforcement, this bill increases funding for Customs and Border Protection by more than \$146 million. This increase will allow the Border Patrol to better address violence and drug smuggling along our southern border, which has become a very serious concern in recent years. For emergency preparedness and response, this bill fully funds the versatile State Homeland Security Grant program, a program for which I have long advocated. This critical program allows for States to address the security threats most pressing to them. After all, the biggest threats to Colorado may not be the same as the biggest threats to New York or California.

This bill also restores funding to the Assistance for Firefighters Grant program to \$800 million. I have presented
