

Open Cup for a second consecutive time, being the first Major League Soccer team and the first team in 27 years to repeat as champions. The Seattle Sounders finished the regular 2010 season with 14 wins and has lost fewer matches in their first two seasons than any club in the league's 15-year existence. A record crowd of 31,311 filled Qwest Field to witness the Seattle Sounders 2-1 victory over the Columbus Crew to win the 2010 Open Cup for the second consecutive time on October 5, 2010.

The Sounders have won the hearts of the Greater Seattle Community through their dedication and passion for the game. The players have been great role models for our community. In their ongoing commitment to the community and fans, minority owner Drew Carey established The Alliance, which is the Seattle Sounders Football Club Members Association. The Alliance is the only United States professional sports members association that allows its fans to vote on the direction and decisions of the team. The Alliance establishes true Democracy in sports.

Mr. SESTAK. Madam Speaker, I rise to honor Pathways PA which this year celebrates 32 years of service to low-income women, children and families in the Greater Philadelphia area by helping them achieve economic independence and well-being. In these times of extraordinary economic hardship, this organization had stood tall to better equip disadvantaged families with the skills and tools needed to succeed in the workplace and create a safe and secure home.

This dedicated group also offers job skills program wherein participants receive career counseling, computer and job training, and job placement services. IN HONOR OF REB MONACO

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2010

Mr. FARR. Madam Speaker, I rise today to honor Reb Monaco, a model public servant on the occasion of his retirement from the San Benito County Board of Supervisors. I have

had great pleasure in working with Reb. I am proud to honor my friend and thank him for his service.

Reb is a second generation Californian. He grew up in Santa Clara County. He graduated from Santa Clara High School and went on to pursue an undergraduate degree from San Jose State University. He also holds a Masters Degree from the University of California Santa Cruz.

In 1968, Reb decided to settle in San Benito County and began his career in public education. He taught grades 6th, 7th, and 8th to special education students in the Hollister School District for 32 years. He also served as adjunct faculty at Gavilan Community College for 14 years teaching health education to college students.

While Reb retired from teaching he still had no desire to stop working. Instead he ventured into a new career in politics. He ran for County Supervisor and was successfully elected to the San Benito County Board, District 4 on November 5, 2002. Reb was subsequently re-elected to serve a second term in 2006. During his tenure he served as Chairman of the Board in 2005 and 2010. He has also served on various committees during the past 8 years including, County Supervisors Associations of California, Local Agency Formation Commission, Monterey Bay Unified Air Pollution Control District and the Veteran's Park Commission. He also served on the Hollister Hills Advisory Committee, National Association of Counties and the following sub-committees: New County Courthouse Project Advisory Group, Courthouse Security Project, In Home Support Services Negotiations, Budget, General Plan Element-Economic Development, Southside Building Use, Juvenile Justice Commission, and the Redevelopment Agency Revolving Loan Fund Board, to name a few.

It has been a pleasure working with Reb on legislation to elevate the Pinnacles National Monument into a full fledged national park. Reb has been the Godfather behind the proposal and every time I see him he reminds me of the work that must be done. Reb has personal connections to the lands in the Pinnacles area and understands the economic development that the park will bring to the region. I admire his tenacity and persistence to continue to push for a Pinnacles National Park.

Reb was a founding member of the California Blacksmith Association, which is composed of diverse group of men and women who have a common interest in working on hot iron metal. The group is dedicated to keeping the art and tradition of blacksmithing alive. Reb is also a 32 Mason one of the highest honors for this national an international freemasonry organization. Reb has many other hobbies and I hope he uses this time to indulge in those things that he likes the most. I know that his wife Jill, two children and grandson are all looking forward to spending more family time together.

Madam Speaker, on behalf of the House of Representatives, I would like to extend our nation's deepest gratitude to Reb Monaco for all of his years of service. He is retiring from the board but I know that he will continue to be involved in the community in other capacities.

RECOGNIZING FARRELLI'S WOOD FIRE PIZZA FOR WINNING THE NATIONAL RESTAURANT ASSOCIATION'S 2010 RESTAURANT NEIGHBOR AWARD

HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2010

Mr. SMITH of Washington. Madam Speaker, I rise today to recognize Farrelli's Wood Fire Pizza in Tacoma, Washington, for receiving the National Restaurant Association's 2010 Restaurant Neighbor Award.

The National Restaurant Association is a nonprofit organization that represents thousands of restaurants across the nation. The Restaurant Neighbor Award was created through a collaboration with the National Restaurant Association and American Express to celebrate the philanthropic spirit of the restaurant industry, to raise awareness about the restaurant industry's contributions to local communities across the country, and to inspire other restaurant operators and owners to make even greater contributions to their communities.

Established in 1995, Farrelli's has grown to five Washington State pizzerias and the Irish-Inspired McNamara's Pub & Eatery. Located near Joint Base Lewis-McChord, Farrelli's has become a staple among soldiers and their families. Farrelli's Wood Fire Pizza gives back to our troops by sending signs, uniforms, and other Farrelli's memorabilia to soldiers stationed in Iraq, allowing them to transform their overseas break area into a satellite Farrelli's of their own. The restaurant also offers their Washington-based soldiers weekly discounts, farewell events, and welcome back parties.

Farrelli's customers also have a hand in community involvement by voting on which cause the restaurant should take up next. Recently, Farrelli's created a campaign to fight diabetes by joining the Dining for Diabetes fundraiser for the Juvenile Diabetes Research Foundation and incorporated a wholegrain pizza to their menu named after Elliott, a regular customer who was recently diagnosed with Type 1 diabetes and who was in search of a healthier dining option. The restaurant has also raised more than \$150,000 for organizations such as the Muscular Dystrophy Association, Susan G. Komen Foundation, and the local Boys and Girls Club.

The National Restaurant Association recognized Farrelli's Wood Fire Pizza in Tacoma with the 2010 Restaurant Neighbor Award in the mid-size business category. Farrelli's owner Jacque Farrell was flown to Washington, DC, to receive the award and a \$5,000 donation during a National Restaurant Association ceremony held in September 2010.

Madam Speaker, I ask that my colleagues join me in recognizing Farrelli's Wood Fire Pizza for receiving the 2010 Restaurant Neighbor Award.

HONORING THE ACHIEVEMENTS OF LOU XIONG

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 7, 2010

Mr. COSTA. Madam Speaker, I rise today to recognize the achievement of Lou Xiong on the occasion of receiving the 2010 Milken Educator Award from the Milken Family Foundation. The Milken Family Foundation's Milken Educator Award seeks to celebrate, elevate, and activate exemplary K-12 educators and has been hailed as the "Oscars of Teaching." Ms. Xiong was one of 55 educators across our Nation, and one of only three in the State of California, to be honored this year.

Lou was born in Laos as the fifth of 12 children to Chong Sue Xiong and Khou Moua. In 1980, Lou and her family immigrated to the United States from Laos in search of a better life. After attending high school in the Fresno area, Lou enrolled at California State University, Fresno, and graduated in 1999 with a Bachelor's of Arts degree in Liberal Studies. Upon graduation, Lou joined the staff at Balderas Elementary School in Fresno, California, to follow her dream of becoming a teacher.

Over the last 11 years at Balderas Elementary School, Ms. Xiong has taught a variety of subjects to students in the fourth, fifth and sixth grades and contributed immensely to both her students and the school. In addition to her teaching duties, Lou has volunteered her time in school site responsibilities serving as Grade Level Chair, participating in the Leadership Team, serving on the School Site Building Committee and acting as Coordinator of the Hmong New Year Celebration. Outside of the classroom, Lou has served as a Math Coach for the Fresno Unified School District, helping fellow teachers and assisting in creating a pacing guideline program which is now used throughout the district.

Lou has also been actively involved in Fresno Unified School District's Superintendent's English Learner Task Force to ensure that language barriers do not keep students from succeeding in school. Lou's life story serves as a positive example for her students, demonstrating that despite the obstacles she has had to overcome as an immigrant, anything is possible with hard work and determination. The community of Fresno is very fortunate to have such a dedicated individual who continues to inspire students to believe they can achieve anything.

Lou is married to her husband Shue Vue, a civil engineer for the State of California Department of Transportation. Lou and Shue Vue have three children together and hope that the success they have achieved in their chosen professions provides inspiration for their children to achieve their own personal success in life and give back to their communities.

Madam Speaker, I ask my colleagues to join me in honoring the achievement of Lou Xiong in the field of education as she is recognized as one of a select few top educators in our country by the Milken Family Foundation.
