SENATE

REPORT
104–370

REVISED ALLOCATION TO SUBCOMMITTEES OF BUDGET TOTALS FROM THE CONCURRENT RESOLUTION, FISCAL YEAR 1997

SEPTEMBER 17, 1996.—Ordered to be printed

Mr. HATFIELD, from the Committee on Appropriations, submitted the following

REPORT

The Committee on Appropriations submits the following report revising the 602(b) allocations to subcommittees set forth in Senate Report 104–285 (June 20, 1996) and revised in Senate Report 104–347 (August 1, 1996).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

On September 16, 1996, the Committee on the Budget filed a revised 602(a) allocation for the Committee reflecting an increase of $175,000,000 in budget authority and $310,000,000 in outlays (Congressional Record, pp. S10614–10615). These amounts were provided under the provisions of section 103(c) of Public Law 104–124 and section 211(d)(5) of Public Law 104–193 which mandate an increase to the Committee's 602(a) allocation when certain conditions relating to funding of continuing disability reviews are met.

The Committee notes that, under the terms of section 304 of the budget resolution, House Concurrent Resolution 178, the chairman of the Committee on the Budget may increase the 602(a) allocation of the Committee on Appropriations if certain conditions relating to funding of the superfund program are met.

In addition, under the terms of section 307 of the budget resolution, the chairman of the Committee on the Budget may increase the 602(a) allocation of the Committee on Appropriations if certain conditions relating to a continuing resolution are met.

REVISED SUBCOMMITTEE ALLOCATIONS FOR FISCAL YEAR 1997
