(c) AUTHORITY LIMITED BY APPROPRIATIONS ACTS.—The Board may approve loan guarantees under this Act only to the extent provided for in advance in appropriations Acts.

(d) REQUIREMENTS AND CRITERIA APPLICABLE TO APPROVAL.—

(1) IN GENERAL.—The Board shall utilize the underwriting criteria developed under subsection (g), and any relevant information provided by the departments and agencies with which the Board consults under section 3, to determine which loans may be eligible for a loan guarantee under this Act.

(2) PREREQUISITES.—In addition to meeting the underwriting criteria under paragraph (1), a loan may not be guaranteed under this Act unless—

(A) the loan is made to finance the acquisition, improvement, enhancement, construction, deployment, launch, or rehabilitation of the means by which local television broadcast signals will be delivered principally to an unserved area or an underserved area (or both);

(B) the proceeds of the loan will not be used for operating, advertising, or promotion expenses;

(C) the proposed project, as determined by the National Telecommunications and Information Administration, is not likely to have a substantial adverse impact on competition that outweighs the benefits of improving access to the signals of a local television station in an unserved area or an underserved area (or both), and is commercially viable;

(D) the loan is provided by—

(i) an insured depository institution (as that term is defined in section 3 of the Federal Deposit Insurance Act) that is acceptable to the Board;

(ii) a lender that is acceptable to the Board, and—

(I) has not fewer than one issue of outstanding debt that is related within the highest three rating categories of a nationally recognized statistical rating agency; or

(II) has provided financing to entities with outstanding debt from the Rural Utilities Service and which possess, in the judgment of the Board, the expertise, capacity, and capital strength to provide financing pursuant to this Act; or

(iii) a nonprofit corporation, including the National Rural Utilities Cooperative Finance Corporation, engaged primarily in commercial lending, if the Board determines that such nonprofit corporation has one or more issues of outstanding long-term debt that is rated within the highest 3 rating categories of a nationally recognized statistical rating organization, and, if the Board determines that the making of the loan by such nonprofit corporation will cause a decline in the debt rating mentioned above, the Board at its discretion may disapprove the loan guarantee on this basis;

(E) the loan (including Other Debt as defined in subsection (f)(2)(B)) is not provided by a lender that is a governmental entity, the Federal Agricultural Mortgage Corporation, any institution supervised by the Office of Federal Housing Enterprise Oversight, the Federal Housing Finance Board, or any affiliate of any such entity;

(G) repayment of the loan is required to be made within a term of the lesser of—

(i) 25 years from the date of the execution of the loan; or

(ii) the economically useful life, as determined by the Board or in consultation with persons or entities deemed appropriate by the Board, of the primary assets to be used in the delivery of the signals concerned; and

(H) the loan meets any additional criteria developed under subsection (g).

(3) PROTECTION OF UNITED STATES FINANCIAL INTERESTS.—The Board may not approve the guarantee of a loan under this Act unless—

(A) the Board has been given documentation, assurances, and access to information, persons, and entities necessary, as determined by the Board, to address issues relevant to the review of the loan by the Board for purposes of this Act; and

(B) the Board makes a determination in writing that—

(i) to the best of its knowledge upon due inquiry, the assets, facilities, or equipment covered by the loan will be utilized economically and efficiently;

(ii) the terms, conditions, security, and schedule and amount of repayments of principal and the payment of interest with respect to the loan protect the financial interests of the United States and are reasonable;

(iii) to the extent possible, the value of collateral provided by an applicant is at least equal to the unpaid balance of the loan amount covered by the loan guarantee (the “Amount” for purposes of this clause); and if the value of collateral provided by an applicant is less than the Amount, the additional required collateral is provided by any affiliate of the applicant; and if the combined value of collateral provided by an applicant and any affiliate is not at least equal to the Amount, the collateral from such affiliate represents all of such affiliate’s assets;

(iv) all necessary and required regulatory and other approvals, spectrum rights, and delivery permissions have been received for the loan, the project under the loan, and the Other Debt, if any, under subsection (f)(2)(B);

(v) the loan would not be available on reasonable terms and conditions without a loan guarantee under this Act; and

(vi) repayment of the loan can reasonably be expected.

(e) CONSIDERATIONS.—

(1) TYPE OF MARKET.—

(A) PRIORITY CONSIDERATIONS.—To the maximum extent practicable, the Board shall give priority in the approval of loan guarantees under this Act in the following order: First, to projects that will serve the greatest number of households in unserved areas and the number of States (including noncontiguous States); and second, to projects

that will serve the greatest number of households in underserved areas. In each instance, the Board shall consider the project's estimated cost per household to be served.

(B) PROHIBITION.—The Board may not approve a loan guarantee under this Act for a project that is designed primarily to serve 1 or more of the 40 most populated designated market areas (as that term is defined in section 122(j) of title 17, United States Code).

(2) OTHER CONSIDERATIONS.—The Board shall consider other factors, which shall include projects that would—

(A) offer a separate tier of local broadcast signals;

(B) provide lower projected costs to consumers of such separate tier; and

(C) enable the delivery of local broadcast signals consistent with the purpose of this Act by a means reasonably compatible with existing systems or devices predominantly in use.

(f) GUARANTEE LIMITS.—

(1) LIMITATION ON AGGREGATE VALUE OF LOANS.—The aggregate value of all loans for which loan guarantees are issued under this Act (including the unguaranteed portion of loans issued under paragraph (2)(A)) and Other Debt under paragraph (2)(B) may not exceed \$1,250,000,000.

(2) GUARANTEE LEVEL.—A loan guarantee issued under this Act—

(A) may not exceed an amount equal to 80 percent of a loan meeting in its entirety the requirements of subsection (d)(2)(A). If only a portion of a loan meets the requirements of that subsection, the Board shall determine that percentage of the loan meeting such requirements (the “applicable portion”) and may issue a loan guarantee in an amount not exceeding 80 percent of the applicable portion; or

(B) may, as to a loan meeting in its entirety the requirements of subsection (d)(2)(A), cover the amount of such loan only if that loan is for an amount not exceeding 80 percent of the total debt financing for the project, and other debt financing (also meeting in its entirety the requirements of subsection (d)(2)(A)) from the same source for a total amount not less than 20 percent of the total debt financing for the project (“Other Debt”) has been approved.

(g) UNDERWRITING CRITERIA.—Within the period provided for under subsection (b)(1), the Board shall, in consultation with the Director of the Office of Management and Budget and an independent public accounting firm, develop underwriting criteria relating to the guarantee of loans that are consistent with the purpose of this Act, including appropriate collateral and cash flow levels for loans guaranteed under this Act, and such other matters as the Board considers appropriate.

(h) CREDIT RISK PREMIUMS.—

(1) ESTABLISHMENT AND ACCEPTANCE.—The Board may establish and approve the acceptance of credit risk premiums with respect to a loan guarantee under this Act in order to

cover the cost, as determined under section 504(b)(1) of the Federal Credit Reform Act of 1990, of the loan guarantee. To the extent that appropriations of budget authority are insufficient to cover the cost, as so determined, of a loan guarantee under this Act, credit risk premiums shall be accepted from a non-Federal source under this subsection on behalf of the applicant for the loan guarantee.

(2) CREDIT RISK PREMIUM AMOUNT.—

(A) IN GENERAL.—The Board shall determine the amount of any credit risk premium to be accepted with respect to a loan guarantee under this Act on the basis of—

- (ii) the proposed schedule of loan disbursements;
- (iii) the business plans of the applicant for providing service;
- (iv) any financial commitment from a broadcast signal provider; and
- (v) the concurrence of the Director of the Office of Management and Budget as to the amount of the credit risk premium.

(B) PROPORTIONALITY.—To the extent that appropriations of budget authority are sufficient to cover the cost, as determined under section 504(b)(1) of the Federal Credit Reform Act of 1990, of loan guarantees under this Act, the credit risk premium with respect to each loan guarantee shall be reduced proportionately.

(C) PAYMENT OF PREMIUMS.—Credit risk premiums under this subsection shall be paid to an account (the “Escrow Account”) established in the Treasury which shall accrue interest and such interest shall be retained by the account, subject to subparagraph (D).

(D) DEDUCTIONS FROM ESCROW ACCOUNT.—If a default occurs with respect to any loan guaranteed under this Act and the default is not cured in accordance with the terms of the underlying loan or loan guarantee agreement, the Administrator, in accordance with subsections (h) and (i) of section 5 of this Act, shall liquidate, or shall cause to be liquidated, all assets collateralizing such loan as to which it has a lien or security interest. Any shortfall between the proceeds of the liquidation net of costs and expenses relating to the liquidation, and the guarantee amount paid pursuant to this Act shall be deducted from funds in the Escrow Account and credited to the Administrator for payment of such shortfall. At such time as determined under subsection (d)(2)(G) when all loans guaranteed under this Act have been repaid or otherwise satisfied in accordance with this Act and the regulations promulgated hereunder, remaining funds in the Escrow Account, if any, shall be refunded, on a pro rata basis, to applicants whose loans guaranteed under this Act were not in default, or where any default was cured in accordance with the terms of the underlying loan or loan guarantee agreement.

(B) shall not make any discretionary dividend payments that impair its ability to repay obligations guaranteed under this Act;

(B) **FORM OF COLLATERAL.**—Collateral required by subparagraph (A) shall consist solely of assets of the applicant, any affiliate of the applicant, or both (whichever the Board considers appropriate), including primary assets to be used in the delivery of signals for which the loan is guaranteed.

(C) **REVIEW OF VALUATION.**—The value of collateral securing a loan guaranteed under this Act may be reviewed by the Board, and may be adjusted downward by the Board if the Board reasonably believes such adjustment is appropriate.

(3) **LIEN ON INTERESTS IN ASSETS.**—Upon the Board’s approval of a loan guarantee under this Act, the Administrator shall have liens on assets securing the loan, which shall be superior to all other liens on such assets, and the value of the assets (based on a determination satisfactory to the Board) subject to the liens shall be at least equal to the unpaid balance of the loan amount covered by the loan guarantee, or that value approved by the Board under section 4(d)(3)(B)(iii) of this Act.

(4) **PERFECTED SECURITY INTEREST.**—With respect to a loan guaranteed under this Act, the Administrator and the lender shall have a perfected security interest in assets securing the loan that are fully sufficient to protect the financial interests of the United States and the lender.

(d) MODIFICATION.—The Board may approve the modification of any term or condition of a loan guarantee or a loan guaranteed under this Act, including the rate of interest, time of payment of principal or interest, or security requirements only if—

(1) the modification is consistent with the financial interests of the United States;

(2) consent has been obtained from the parties to the loan agreement;

(3) the modification is consistent with the underwriting criteria developed under section 4(g) of this Act;

(4) the modification does not adversely affect the interest of the Federal Government in the assets or collateral of the applicant;

(5) the modification does not adversely affect the ability of the applicant to repay the loan; and

(6) the National Telecommunications and Information Administration has been consulted by the Board regarding the modification.

(e) PERFORMANCE SCHEDULES.—

(1) PERFORMANCE SCHEDULES.—An applicant for a loan guarantee under this Act for a project covered by section 4(e)(1) of this Act shall enter into stipulated performance schedules with the Administrator with respect to the signals to be provided through the project.

(g) COMMERCIAL VALIDITY.—A loan guarantee under this Act shall be incontestable—

(m) **FEEES.**—
