Mr. DIAZ-BALART, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 513]

The Committee on Rules, having had under consideration House Resolution 513, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 4461, the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2001, under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Appropriations.

The rule waives all points of order against consideration of the bill. The rule provides that the amendments printed in this report shall be considered as adopted. The rule also waives points of order against provisions in the bill for failure to comply with clause 2 of rule XXI (prohibiting unauthorized or legislative provisions in a general appropriations bill), except as specified in the rule. The rule allows the Chairman of the Committee of the Whole to accord priority in recognition to Members who have preprinted their amendments in the Congressional Record. Further, the rule allows the Chairman of the Committee of the Whole to postpone a request for a recorded vote on any amendment and reduce voting time to five minutes on a postponed question, provided that the minimum time for electronic voting on the first in any series of questions shall be fifteen minutes. Finally the rule provides one motion to recommit with or without instructions.
