Amend the title so as to read:
A bill to establish the Rosie the Riveter/World War II Home Front National Historical Park in the State of California, and for other purposes.

PURPOSE OF THE BILL
The purpose of H.R. 4063 is to establish the Rosie the Riveter-World War II Home Front National Historical Park in the State of California, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION
H.R. 4063 establishes the Rosie the Riveter-World War II Home Front National Historical Park in the State of California. The historical park would commemorate the industrial, governmental, and citizen efforts that eventually led the United States to victory in World War II. This historical park would include sites, structures, and areas of Richmond, California, that are associated with the home front efforts. The historical park would be administered by the Secretary of the Interior as a unit of the National Park System. The bill also allows the Secretary to enter into cooperative agreements for the acquisition and curation of historic artifacts and materials related to the park, along with providing for the preserva-
tion and interpretation of the park and sites selected by the Secretary as representative of the World War II Home Front. H.R. 4063 stipulates that any federal funds used for the cooperative agreements must be matched by an equal amount of funds from non-federal sources. Donations and in-kind services may be considered as contributing to the non-federal amount. In addition, H.R. 4063 authorizes the Secretary to establish a World War II Home Front Education Center in the Ford Assembly Building. This center would serve to educate the public of the significance of the site and the World War II Home Front.

H.R. 4063 provides that the Secretary develop a general management plan for the park within three years from enactment. The plan will include a determination of whether there are additional sites that should be linked to and interpreted at the park. The bill authorizes such sums as necessary to carry out the bill, except no funds would be authorized to maintain or operate the vessel SS RED OAK VICTORY.

COMMITTEE ACTION

H.R. 4063 was introduced by Congressman George Miller (D-CA) on March 22, 2000. The bill was referred to the Resources Committee and within the Committee to the Subcommittee on National Parks and Public Lands. The Subcommittee held a hearing on the bill on May 16, 2000. On June 20, 2000, the Resources Committee met to consider the bill. The Subcommittee on National Parks and Public Lands was discharged from further consideration of the measure by unanimous consent. Congressman Miller offered an amendment in the nature of a substitute containing technical changes and clarifications. The amendment was adopted by voice vote. The bill, as amended, was then ordered favorably reported to the House of Representatives by voice vote.
