ALLOCATION TO SUBCOMMITTEES OF BUDGET TOTALS
FROM THE CONCURRENT RESOLUTION, FISCAL YEAR
2000

MAY 25, 1999.—Ordered to be printed

Mr. STEVENS, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report pursuant to section 302(b)(1) of the Congressional Budget Act of 1974, as amended.

The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. The conference report on the concurrent resolution for fiscal year 2000 (H. Con. Res. 68) was agreed to by the Congress on April 15, 1999.

AMOUNTS CONTAINED IN THE RESOLUTION

Pursuant to sections 302(a) of the Congressional Budget Act of 1974, as amended, the joint explanatory statement accompanying the conference report on the concurrent resolution on the budget for fiscal year 2000 (H. Rept. 106-91) contains several allocations and suballocations to the Senate Committee on Appropriations.

In summary, the Committee received an allocation comprised as follows:

[In millions of dollars]

Category	Budget authority	Outlays
General purpose discretionary	531,771	536,700
Violent crime reduction	4,500	5,554
Highway		24,574
Mass transit		4,117
Mandatory	321,502	304,298
Total	857,773	875,243

The Committee notes that, under the terms of several provisions of the Budget Act, the chairman of the Committee on the Budget may increase the 302(a) allocation of the Committee on Appropriations if certain conditions relating to funding of specific programs are met. These provisions address such items as: funding for arrearages for international organizations, international peacekeeping, and multilateral development banks (sec. 314(b)(4)); funding of continuing disability reviews (sec. 314(b)(2)); funding for the earned income tax credit compliance initiative (sec. 314(b)(5)); and funding for adoption incentive payments (sec. 314(b)(6)).

On May 19, 1999, the Committee on the Budget filed a revised allocation (Congressional Record pages S5583–5584) reflecting an increase of \$1,881,000,000 in budget authority and \$7,256,000,000 in outlays for general purpose discretionary emergency requirements. These adjustments cover the conference report on H.R. 1141, the fiscal year 1999 Emergency Supplemental Appropriations bill (Public Law 106–31).

ALLOCATIONS TO SUBCOMMITTEES OF DIRECT SPENDING

Section 302(b)(1)(B) of the Budget Act, requires that the Committee subdivide its allocation of budget authority and outlays to subcommittees between controllable and other amounts. For the purposes of this section, amounts listed as mandatory are not controllable. The following table sets forth by subcommittee the allocations of budget authority and outlays:
