PURPOSE OF THE BILL

The purpose of H.R. 5125 is to amend the American Battlefield
Protection Act of 1996 to authorize the Secretary of the Interior to
establish a battlefield acquisition grant program.

BACKGROUND AND NEED FOR LEGISLATION

The Civil War Sites Advisory Commission was established by
Congress in 1990 because of national concern about the loss of bat-
tlefields with historic significance to the Civil War. In July 1993,
the Commission published the Report on the Nation’s Civil War Battlefields regarding the Nation’s 384 battlefields. The report concluded that almost 20 percent of the Civil War battlefields are lost or fragmented, 17 percent are in poor condition, and 60 percent have been lost or are in imminent danger of being fragmented and lost as coherent historic sites.

Congress created the American Battlefield Protection Program, operated by the National Park Service, to preserve and protect battlefields and historic sites associated with armed conflicts that influenced American history. The program has been used to leverage non-federal dollars in preserving endangered sites. For example, the $8 million dollars provided in the fiscal year (FY) 1999 Department of the Interior Appropriations Act generated an additional $16 million dollars from non-federal entities. H.R. 5125 would provide predictability to the program for potential donors by authorizing an annual appropriation of up to $10 million dollars for FY 2004 through FY 2008 after the current appropriation is exhausted. The battlefield acquisition program would establish a 1 to 1 match to obtain grant dollars. In addition, it would also authorize $500,000 for the Secretary of the Interior to update the Commission report on the status of civil war battlefields and to prioritize needs.

COMMITTEE ACTION

H.R. 5125 was introduced on July 15, 2002, by Congressman Gary Miller (R–CA). The bill was referred to the Committee on Resources, and within the Committee to the Subcommittee on National Parks, Recreation, and Public Lands. On September 12, 2002, the Full Resources Committee met to consider the bill and the Subcommittee on National Parks, Recreation, and Public Lands was discharged from further consideration of the bill by unanimous consent. Congressman George Radanovich (R-CA) offered an amendment to allow two years for the Civil War Sites Advisory Commission to update the report. The amendment was adopted by unanimous consent. No further amendments were offered and the bill as amended was ordered favorably reported to the House of Representatives by unanimous consent.
