BACKGROUND

This bill makes appropriations for the military functions of the Department of Defense as it prosecutes the war in Iraq and Afghanistan, as well as for relief and reconstruction efforts in Iraq and Afghanistan, and to continue anti-terrorism efforts around the world.

HEARINGS

The Committee held hearings on September 22, 24, and 25, 2003 and heard testimony from Ambassador Paul Bremer; Hon. Donald Rumsfeld, Secretary of Defense; General Richard Meyers, Chairman, Joint Chiefs of Staff; General John Abizaid, Commanding General United States Central Command; Dr. Dov Zakheim, Under Secretary of Defense (Comptroller); Peter Rodman, Assistant Secretary of Defense Secretary for International Security Affairs; and General Peter Pace, Vice Chairman, Joint Chief of Staff from the Department of Defense.

SUMMARY OF THE BILL

On September 17, 2003, the President submitted requests for \$87,039,804,000 in new budget authority for programs under the Department of Defense, Department of State, United States Agency for International Development, and the Iraq Relief and Reconstruction Fund. The Committee recommends \$87,004,004,000 in new budget authority.

The President's supplemental requests are contained in budget estimate No. 17, transmitted on September 17, 2003 (H. Doc. 108-126).

COMMITTEE PRIORITIES

The primary goals of this bill are to fund the ongoing military operations in Iraq and Afghanistan as well as relief and reconstruction activities in those countries. To accomplish the first goal, the Committee is providing \$66,560,004,000 to prosecute the war in Iraq and Afghanistan. These funds are for increased operational tempo, military personnel costs, military construction, procurement of equipment, increased maintenance and military health care support. To achieve the second goal, the Committee is providing \$21,444,000,000 to help secure the transition to democracy in both Iraq and Afghanistan. These funds are for enhanced security and reconstruction activities including border enforcement, building a national police service in Iraq, standing up a new Iraqi army and continued building of the Afghan National Army, reconstituted judicial systems, rehabilitation of Iraq's oil infrastructure, and provision of basic electricity, water and sewer services and other critical reconstruction needs in Iraq and Afghanistan.

TITLE I—NATIONAL SECURITY

CHAPTER 1

SUBCOMMITTEE ON DEFENSE

DEPARTMENT OF DEFENSE

2004 supplemental estimate	\$65,147,554,000
Committee recommendation	65,147,554,000

MILITARY PERSONNEL

SPECIAL PAYS AND ALLOWANCES

The Supplemental request includes \$1,248,200,000 for enhanced Special Pays included Family Separation Allowance [FSA], Imminent Danger Pay [IDP], and Hostile Duty Pay [HDP]. The Department's request would fund FSA and IDP at the enhanced levels authorized in the fiscal year 2003 Emergency Wartime Supplemental Appropriation Act (Public Law 108–11) for the first 3 months of the fiscal year. Beginning January 1, 2004, the Department requests that FSA and IDP return to the levels authorized prior to enactment of Public Law 108–11, and that the Committee authorize an increase in Hardship Duty Pay to offset the reductions to FSA and IDP. However, the requested increase in HDP would only cover those individuals serving in the combat zone in support of Operation Iraqi Freedom and Operation Enduring Freedom. The Department's proposal would not provide a benefit to those servicemembers who have been mobilized and deployed throughout the United States in support of Operation Noble Eagle, nor would it provide a benefit to those servicemembers deployed overseas in support of other contingency operations such as Bosnia and Kosovo. The Committee does not approve the Department's request, and instead supports the continuation of FSA and IDP at the levels authorized in Public Law 108–11 for all of fiscal year 2004. The Committee directs the Department to use the funds requested for increased Hardship Duty Pay to fund the full year increase to FSA and IDP for all eligible recipients.

The Committee recommends \$24,946,464,000 for Operation and Maintenance, Army. The recommendation is \$756,000,000 above the estimate.

The Committee is concerned that the estimate does not fully reflect the Army's contingency costs to sustain ongoing operations, or the costs necessary to reset the force. This places the Army at considerable financial risk during fiscal year 2004. Accordingly, the Committee recommends an increase of \$756,000,000 to the estimate as follows:

SAPI body armor/Rapid Fielding Initiative/battlefield EOD cleanup	+ \$300,000,000
Increased organizational level maintenance requirements	+ 200,000,000
Second destination transportation for depot maintenance	+ 174,000,000
Theater stabilization communications	+ 72,000,000
Army and Air Force Exchange Service support for deployed forces	+ 10,000,000

The Committee has included \$858,200,000 for the Administrative and Operating Costs for the Coalition Provisional Authority [CPA]. The Committee directs the Department to use funds from the Iraq Freedom Fund if the requirements for CPA exceed the \$858,200,000 appropriated under this heading.

CHAPTER 2

SUBCOMMITTEE ON MILITARY CONSTRUCTION

MILITARY CONSTRUCTION

MILITARY CONSTRUCTION, ARMY

2004 supplemental estimate	\$119,900,000
Committee recommendation	119,900,000

The Committee recommends an additional \$119,900,000 for Military Construction, Army, to be used as follows:

Base Camp Support Facilities, Iraq	\$115,900,000
Planning and Design	4,000,000

The Committee fully supports the administration’s request to provide adequate support facilities for United States soldiers serving in base camps in Iraq, but is concerned that project details and justifications contained in the administration’s request for these facilities were not sufficiently defined. The Committee therefore directs that the Army brief the congressional defense committees on its final plans for these facilities before obligating any of the military construction funds appropriated in this Act.

MILITARY CONSTRUCTION, AIR FORCE

2004 supplemental estimate	\$292,550,000
Committee recommendation	292,550,000

The Committee recommends an additional \$292,550,000 for Military Construction, Air Force, to be used as follows:

Temporary Cantonment Area, Al Dhafra Air Base, United Arab Emirates	15,300,000
Planning and Design	22,300,000

The Committee supports the administration’s request for additional military construction funds for Air Force facilities in Southwest Asia. However, while the Air Force has provided detail about specific projects, it has provided little information about its overall plan for facilities in the theater of operations and how projects con-

tained in the supplemental request fit into that plan. The Committee therefore directs the Air Force to report to the congressional defense committees, in both classified and unclassified form, on its master plan for facilities in the Central Command area of responsibility, including the planned disposition of aircraft and personnel, no later than December 1, 2003.

JUDICIARY, AND RELATED AGENCIES

DEPARTMENT OF STATE

ADMINISTRATION OF FOREIGN AFFAIRS

DIPLOMATIC AND CONSULAR PROGRAMS

(INCLUDING RESCISSION)

2004 supplemental estimate	\$76,300,000
Committee recommendation	35,800,000

The Committee recommends a rescission and re-appropriation of \$35,800,000 for the costs of security and operations related to the establishment of United States diplomatic presences in Iraq and Afghanistan. The recommendation is \$40,500,000 below the request. The problem of Machine Readable Visa [MRV] fee shortfalls is addressed under the Emergencies in the Diplomatic and Consular Service account. Funds previously appropriated under this heading in the Emergency Wartime Supplemental Appropriations Act of 2003 are subject to the standard reprogramming procedures set forth in section 605, Division B of Public Law 108–7.

EMBASSY SECURITY, CONSTRUCTION, AND MAINTENANCE

2004 supplemental estimate	\$60,500,000
Committee recommendation	

The Committee does not recommend any funding for Embassy security, construction and maintenance. The recommendation is \$60,500,000 below the supplemental budget request. The request included \$60,500,000 to construct an interim United States diplomatic facility in Iraq. The Committee reminds the Department that \$61,500,000 was provided for this purpose in Public Law 108–11, the Emergency Wartime Supplemental Appropriations Act of 2003. The Committee is aware of the Department’s reprogramming request to utilize \$43,900,000 of these funds to construct an interim facility for United States Agency for International Development and other United States Government employees engaged in reconstruction efforts in Afghanistan and \$16,600,000 of these funds to cover the personnel, transportation, and equipment costs of United States Government officials tasked with advising the Afghan transitional government on reconstruction. This request is contained under the “Capital investment fund” of chapter 2 of this title. Also, the Committee approves the Department’s reprogramming request to utilize \$14,500,000 under Worldwide Security Upgrades for secu-

rity requirements in Afghanistan, and directs that these funds only be used for the security of the main United States Embassy compound and security assistance to United Nations offices and personnel and non-governmental organization offices and personnel.

EMERGENCIES IN THE DIPLOMATIC AND CONSULAR SERVICE

2004 supplemental estimate	\$50,000,000
Committee recommendation	90,500,000

The Committee recommends \$90,500,000 for Emergencies in the Diplomatic and Consular Service. The recommendation is \$40,500,000 above the supplemental budget request. Funds provided under this heading will ensure that rewards of up to \$25,000,000 may be paid for Osama bin Laden and Saddam Hussein. The recommendation also includes language directing that \$2,000,000 of previously appropriated funds be made available for a reward for the person deemed most responsible by the Special Court for Sierra Leone for the war crimes, crimes against humanity, and serious violations of international humanitarian law that took place during Sierra Leone’s civil war. The recommendation also includes language directing that \$8,451,000 in carryover balances be transferred to and merged with the Diplomatic and Consular Programs account for the Department’s consular, or “border security” operations.

The Committee provides \$40,000,000 for an additional amount for Operating Expenses of the United States Agency for International Development for costs associated with reconstruction and other activities in Iraq and Afghanistan.

CAPITAL INVESTMENT FUND

2004 supplemental estimate	
Committee recommendation	\$60,500,000

The Committee provides \$60,500,000 for an additional amount for the Capital Investment Fund for safe and secure facilities in Afghanistan, Iraq, and elsewhere.

OTHER BILATERAL ECONOMIC ASSISTANCE
 FUNDS APPROPRIATED TO THE PRESIDENT

IRAQ RELIEF AND RECONSTRUCTION FUND

(INCLUDING TRANSFERS OF FUNDS)

2004 supplemental estimate	\$20,304,000,000
Committee recommendation	20,304,000,000

The Committee provides \$20,304,000,000 for the Iraq Relief and Reconstruction Fund for security, rehabilitation and reconstruction in Iraq.

The Committee notes that funds appropriated under this heading are subject to the regular notification procedures of the Committees on Appropriations, except that notification shall be transmitted at least 5 days in advance of the obligation of funds. The Committee also provides that funds allocated under this heading for programs and sectors may be reallocated by the President for those programs and sectors.

The Committee strongly supports programs and activities to promote freedom, democratic institutions, and the rule of law in Iraq and provides that not less than \$100,000,000 shall be made available for democracy building activities in that country in support of the development and ratification of a constitution, national elections and women's development programs. The Committee directs that not less than \$5,000,000 be made available to Iraqi nongovernmental organizations in Iraq in a timely manner, in grants of up to \$100,000. The Committee also expects sufficient funding to be provided to the National Endowment for Democracy, the International Republican Institute and the National Democratic Institute for political party and other democracy building activities.

The Committee recommends not less than \$20,000,000 for media outreach activities in Iraq that utilizes low cost, advanced technology tools.

The Committee recommends \$5,000,000 for a program, such as that administered by the International Commission on Missing Persons, to locate, recover, and identify Iraqis missing as a result of authoritarian rule or conflict.

The Committee again provides that funds shall be made available for Iraqi civilians who suffer losses as a result of military operations in Iraq. The Committee supports the provision of medical, rehabilitation, shelter, microcredit and other appropriate assistance to these individuals. The Committee expects all relevant agencies and organizations to coordinate efforts in providing this assistance.

The Committee recognizes that conflict and decades of neglect devastated Iraq's health infrastructure, resulting in a lack of medical equipment and supplies, and health professionals with expertise in pediatric medical specialties. The Committee is concerned that children with critical health problems cannot obtain life-saving treatments in Iraq. The Committee strongly supports activities that can have an immediate impact in addressing the needs of these children, such as the Emergency Health Services for the Children of Iraq program sponsored jointly by Kurdish Human Rights Watch and Vanderbilt University Children's Hospital.

The Committee notes the important contributions that non-governmental organizations have made to relief and reconstruction efforts in Iraq, and urges that they be utilized to the maximum extent practicable. The Committee also recommends that organizations with experience in post-conflict governance matters—such as the United States Institute of Peace—be utilized in reconstruction efforts in Iraq and Afghanistan.

The Committee recommends that not less than \$2,000,000 be made available to support organizations working in Iraq, Afghanistan and other complex humanitarian emergency and war settings, to apply public health strategies and epidemiology to mitigate the impact of the conflict on civilian populations. Programs supported should include those which collect, analyze, and use multi-sector data for programmatic decision-making and evaluation of assistance programs during and after conflict.

ECONOMIC SUPPORT FUND

2004 supplemental estimate	\$422,000,000
Committee recommendation	422,000,000

The Committee provides \$422,000,000 for an additional amount for Economic Support Fund (ESF) for accelerated assistance for Afghanistan.

The Committee also provides authority to use up to \$200,000,000 in Economic Support Funds contained in the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 2004 for debt reduction for Pakistan.

The Committee recognizes the progress of Internews in the establishment of independent news media in Afghanistan. However, absent additional long-term support opportunities for advancement may be lost. The Committee recommends that additional funds be made available for the expansion of local stations to regional stations, the establishment of national independent broadcasting, and support for daily news programs.

The Committee directs that not less than \$15,000,000 be made available for media outreach activities in Afghanistan that utilizes low cost, advanced technology tools.

In addition to other purposes for which ESF assistance is used in Afghanistan, not less than \$5,000,000 should be made available through appropriate humanitarian organizations for additional food, clothing, heating and cooking fuel, emergency shelter materials, and other basic necessities for displaced Afghans in Kabul.

UNITED STATES EMERGENCY FUND FOR COMPLEX FOREIGN CRISES

2004 supplemental estimate	\$100,000,000
Committee recommendation	100,000,000

The Committee provides \$100,000,000 for the United States Emergency Fund for Complex Foreign Crises. While the Committee understands the need for flexibility in meeting unforeseen complex foreign crises, it includes congressional notification for these funds, which may be waived if human health or welfare is at substantial risk.

Among other activities, the Committee expects these funds to support operations and programs to prevent or respond to foreign

territorial disputes, armed ethnic and civil conflicts that pose threats to regional and international peace, and acts of ethnic cleansing, mass killing or genocide. In addition, the Committee supports the use of these funds for peace and humanitarian efforts, such as required in Liberia.

CHAPTER 3

GENERAL PROVISIONS, THIS TITLE

SEC. 2301. The Committee includes transfer authority between accounts in chapter 2 of this title, with the total amount authorized

to be transferred not to exceed \$200,000,000. The Committee directs that it be consulted before this authority is exercised. The Committee includes the same notification requirement as contained in section 501 of Public Law 108–11.

SEC. 2302. The Committee includes authority permitting assistance or other financing contained in chapter 2 of this title for Iraq notwithstanding any other provision of law.

SEC. 2303. The Committee includes authority to allow appropriations provided in chapter 2 of this title to be made available without specific authorization of such appropriation.

The Committee notes that extending the inapplicability of section 307 of the Foreign Assistance Act of 1961 is particularly important as the United States pursues long-range efforts to assist Iraq and marshal resources from the international community.

SEC. 2305. The Committee amends the first proviso of section 1504 of Public Law 108–11 to include Iraqi military, private security force, other official security forces, police force, or forces from other countries in Iraq supporting United States efforts in Iraq. The Committee notes that other official security forces include Ministry of Interior forces, border guards, and civil defense forces. The Committee also notes that a private security force include those providing security services to contractors, nongovernmental organizations or other organizations affiliated with United States efforts in Iraq.

SEC. 2310. The Committee directs that none of the funds in this Act may be used to pay debts incurred by the former government.
