FOR RECONCILIATION PURSUANT TO SECTION 601 OF THE CONCUR-

JULY 10, 2007.—Referred to the House Calendar and ordered to be printed

Ms. SUTTON, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 531]

The Committee on Rules, having had under consideration House Resolution 531, by a record vote of 6 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2669, the “College Cost Reduction Act of 2007,” under a structured rule. The resolution provides for one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Education and Labor.

The resolution waives all points of order against consideration of the bill except those arising under clauses 9 or 10 of rule XXI. The resolution provides that the amendment in the nature of a substitute recommended by the Committee on Education and Labor, modified by the amendment printed in part A of the report of the Committee on Rules, shall be considered as read. The resolution waives all points of order against the bill, as amended.

The resolution makes in order only the amendment in the nature of a substitute printed in part B of the report of the Committee on Rules if offered by Mr. McKeon of California or his designee. The amendment shall be considered as read and shall be debatable for one hour equally divided and controlled by a proponent and an opponent. The resolution waives all points of order against the amendment printed in part B except those arising under clause 9 or 10 of rule XXI. The resolution provides one motion to recommit with or without instructions. Finally, the resolution permits the Chair, during consideration of the bill in the House, to postpone further consideration of the bill to a time designated by the Speaker.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill (except for those arising under clauses 9 or 10 of rule XXI), the Committee is not aware of any points of order against consideration of the bill. The waiver of all points of order is prophylactic in nature. The waiver of all points of order against bill, as amended, includes a waiver of clause 4 of rule XXI (appropriating on legislative bills).

COMMITTEE VOTES

The results of each record vote on an amendment or motion to report, together with the names of those voting for and against, are printed below:

Rules Committee record vote No. 231

Date: June 10, 2007.

Measure: H.R. 2669.

Motion by: Mr. Dreier.

Summary of motion: To make in order and provide appropriate waivers for an amendment by Rep. Miller, George (CA), #9, Manager's Amendment, as a free-standing amendment rather than as considered as adopted. The Manager's amendment makes various technical changes to the College Cost Reduction Act, as well as changes the increases in the Income Protection Allowance; moves Guaranty Agency Account Maintenance fees to an originated-volume basis, but at a decreased level, and creates a new fee for Guaranty Agencies; adds school counselors to the loan-forgiveness program, and allows non-profit employees to receive loan forgiveness after 10 years of service; makes changes in Title II, Reducing the Cost of College, including eliminating the provision on State Maintenance of Effort; and ensures that all applicants with a score above 70 in the 2007 Upward Bound competition are funded.

Results: Defeated 3-6.

Vote by Members: McGovern—Nay; Matsui—Nay; Cardoza—Nay; Welch—Nay; Arcuri—Nay; Sutton—Nay; Dreier—Yea; Diaz-Balart—Yea; Hastings (WA)—Yea.

Rules Committee record vote No. 232

Measure: H.R. 2669.

Motion by: Mr. Diaz-Balart.

Summary of motion: To make in order en bloc and provide appropriate waivers for an amendment by Rep. Kline (MN), #14, which adds two limitations to the interest rate reductions. Borrowers

making over \$65,000 (or \$135,000 if married) are no longer able to take advantage of the reduced interest rates in this bill. Members of the military are exempt from this income limit and can take advantage of the reduced rates. The income limitation is the same as the limits in place under current law for borrowers to be able to take advantage of the student loan interest tax deduction; an amendment by Rep. Price, Tom (GA), #22, which strikes the new Teach Grants Program that gives entitlement funds to institutions of higher education in order to award Teach Grants, and the Centers of Excellence provision that gives entitlement funds to institutions of higher education for teacher preparation programs; and an amendment by Rep. Price, Tom (GA), #24, which strikes the new College Access Challenge Grant Program that gives entitlement funds to philanthropic organizations.

Date: June 10, 2007.

Measure: H.R. 2669.

Motion by: Mr. Diaz-Balart.

Summary of motion: To make in order en bloc and provide appropriate waivers for an amendment by Rep. Souder (IN), #20, which strikes the Section 133 creation of “income-based repayment,” a new repayment plan that would reduce a borrower’s monthly loan repayment to no more than 15 percent of the borrower’s discretionary income. It also authorizes an additional \$840 million for Federal Pell Grants; an amendment by Rep. Hensarling (TX), #7, which would strike loan forgiveness for nurses, foreign language specialists, librarians, public sector employees, and other professions; Perkins Loan; grants to institutions for low tuition; Cooperative Education Rewards to institutions; TEACH grants; Centers of Excellence; HBCU and Minority Serving Institutions; College Access Challenge Grants; and Upward Bound from the bill. In addition, the amendment would strike the mandatory funding for the Pell grant program, leaving intact the discretionary increases for the Pell program; and an amendment by Rep. Hensarling (TX), #8, which would set the authorized maximum award for the Pell Grant at the current level, \$5,800, through FY2013. The amendment would also strike the new mandatory funding for the Pell program provided for in the underlying bill.

Results: Defeated 3–6.

Vote by Members: McGovern—Nay; Matsui—Nay; Cardoza—Nay; Welch—Nay; Arcuri—Nay; Sutton—Nay; Dreier—Yea; Diaz-Balart—Yea; Hastings (WA)—Yea.

Measure: H.R. 2669.

Motion by: Mr. Hastings (WA).

Summary of motion: To make in order and provide appropriate waivers for an amendment by Rep. Cuellar (TX), #10, which would ensure that before a student loan auction pilot is implemented, the study group reaches agreement that it is practicable; in the best interest of both the taxpayers and the student loan borrowers; and would not limit availability of student loan funds. Additionally, if and when such a pilot program is implemented, the amendment would require a report to Congress on the outcome of the pilot. The amendment would strike a provision permitting the Education Secretary to implement a program-wide auction system.

Results: Defeated 3–6.

Vote by Members: McGovern—Nay; Matsui—Nay; Cardoza—Nay; Welch—Nay; Arcuri—Nay; Sutton—Nay; Dreier—Yea; Diaz-Balart—Yea; Hastings (WA)—Yea.
