110-226

FURTHER REVISED ALLOCATION TO SUBCOMMITTEES OF
BUDGET TOTALS FROM THE CONCURRENT RESOLU-
TION, FISCAL YEAR 2008

NOVEMBER 8, 2007.—Ordered to be printed

Mr. BYRD, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the section 302(b) allocation to subcommittees set forth in Senate Report 110-86 (June 18, 2007), Senate Report 110-87 (June 19, 2007), Senate Report 110-133 (July 24, 2007), Senate Report 110-149 (September 4, 2007), Senate Report 110-186 (October 1, 2007), and Senate Report 110-221 (November 7, 2007).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. The conference report on the concurrent resolution for fiscal year 2008 (S. Con. Res. 21) was agreed to by the Congress on May 17, 2007.

AMOUNTS CONTAINED IN THE RESOLUTION

Pursuant to section 302(a) of the Congressional Budget Act of 1974, as amended, the joint explanatory statement accompanying the conference report on the concurrent resolution on the budget for fiscal year 2008 (H. Rept. 110-153) contains allocations to the Senate Committee on Appropriations for fiscal year 2008.

On June 14, 2007, the Committee on the Budget filed a revised 302(a) allocation for the Committee (Congressional Record pp. S7721-7723) reflecting an increase in discretionary spending of

\$1,000,000 in budget authority and \$1,000,000 in outlays, pursuant to section 207(f) of the budget resolution, and amending the allocation for mandatory spending contained in the resolution.

The Committee notes that, under the terms of several provisions of the budget resolution, the chairman of the Committee on the Budget may increase the 302(a) allocation of the Committee on Appropriations if certain conditions relating to funding of specific programs are met. These provisions address such programs as: continuing disability reviews and Supplemental Security Income [SSI] redeterminations (sec. 207(c)(2)(A)); Internal Revenue Service tax enforcement (sec. 207(c)(2)(B)); control of health care fraud and abuse (sec. 207(c)(2)(C)); reviews of improper unemployment insurance payments (sec. 207(c)(2)(D)); and costs of overseas deployments and other contingencies (sec. 207(c)(2)(E)).

On July 23, 2007, the Committee on the Budget filed a revised allocation (Congressional Record, pp. S9771–9772) reflecting an increase of \$1,042,000,000 in budget authority and \$699,000,000 in outlays, pursuant to subparagraphs A, B, C and D of section 207(c)(2) of Senate Concurrent Resolution 21 (110th Congress).

Set forth below are the revised allocations to subcommittees:

REVISED SUBCOMMITTEE ALLOCATIONS FOR FISCAL YEAR 2008
