RESOLUTION OF INQUIRY DIRECTING THE SECRETARY OF DEFENSE TO TRANSMIT TO THE HOUSE OF REPRESENTATIVES THE FISCAL YEAR 2010 30-YEAR AVIATION PLAN RELATING TO THE LONG-TERM AVIATION PLANS OF THE DEPARTMENT OF DEFENSE, AS REQUIRED BY SECTION 231a OF TITLE 10, UNITED STATES CODE

JUNE 19, 2009.—Referred to the House Calendar and ordered to be printed

Mr. SKELTON, from the Committee on Armed Services,
submitted the following

R E P O R T

[To accompany H. Res. 478]

[Including cost estimate of the Congressional Budget Office]

The Committee on Armed Services, to whom was referred the resolution (H. Res. 478) directing the Secretary of Defense to transmit to the House of Representatives the fiscal year 2010 30-year aviation plan relating to the long-term aviation plans of the Department of Defense, as required by section 231a of title 10, United States Code, having considered the same, report favorably thereon with an amendment and recommend that the resolution as amended be agreed to.

The amendment is as follows:

Strike all after the resolving clause and insert the following:

That the Secretary of Defense is directed to transmit to the House of Representatives, not later than September 15, 2009—

(1) the fiscal year 2010 30-year aviation plan relating to the long-term aviation plans of the Department of Defense, as required by section 231a of title 10, United States Code; and

(2) the required assessment by the Secretary regarding the extent to which the combined aircraft forces of the Department of the Navy and the Department of the Air Force, as outlined in the aviation plan, meet the national security requirements of the United States; and

(3) if the aircraft procurement budget is insufficient to meet applicable requirements of the plan, the required assessment that describes and discusses the risks associated with the reduced force structure of aircraft.

PURPOSE AND BACKGROUND

Section 231(a) of title 10, United States Code, requires that the Secretary of Defense submit with the budget request required by section 1105(a) of title 31, United States Code, for each fiscal year, a long-range term aviation plan. The long-range plan must describe

the aircraft force structure required to meet the current national security strategy or the current quadrennial defense review and must certify that the procurement plan and that the budget request for the current year and programmed for future years are sufficient to maintain such a naval force.

The budget request submitted pursuant to section 1105(a) of title 10, United States Code, for fiscal year 2010 did not contain the long-range aviation plan. On May 21, 2009, the Honorable Randy Forbes of Virginia submitted House Resolution 478, a resolution of inquiry, which would direct the Secretary of Defense to transmit, within 14 days of the adoption of the resolution, to the House of Representatives, the long-range aviation plan for aircraft along with all documents, including telephone and electronic mail records, logs and calendars, and records of internal discussions in the possession of the Secretary of Defense, the Secretary of the Navy, and the Director of the Office of Management and Budget relating to the long-range procurement plan for aircraft. The resolution was referred to the Committee on Armed Services.

Clause 7 of rule XIII of the Rules of the House of Representatives provides for a committee to report on a qualifying resolution of inquiry, such as House Resolution 478, within 14 legislative days or a privileged motion to discharge the committee is in order. House Resolution 478 was referred to the Committee on Armed Services on May 21, 2009.

On June 16, 2009, the Committee on Armed Services took up House Resolution 478 for the purpose of reporting a recommendation to the House. House Resolution 478 was amended to require the Secretary of Defense submit only the long-term aviation plan and assessments required by section 231(a) of title 10, United States Code, by September 15, 2009.

Under the rules and precedents of the House, a resolution of inquiry is one of the means by which the House may request information from the head of one of the executive departments. It is a simple resolution making a demand of the head of an executive department to furnish the House of Representatives with specific information in the possession of the executive branch. It is not used to request opinions or to require an investigation on a subject.
