JOINT EXPLANATORY STATEMENT OF THE COMMITTEE OF CONFERENCE

The managers on the part of the House and the Senate at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2918) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2010, and for other purposes, submit the following joint statement to the House and Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report.

The Senate amended the House bill with a single amendment which deleted the full text of the House passed bill and inserted a complete substitute. The conference agreement includes a revised substitute for the Senate amendment which addresses all the differences contained in the two versions of the bill.

Many items in both the House and Senate Legislative Branch Appropriations bills are identical and are included in the conference agreement without change. The conferees have endorsed statements of policy contained in the House and Senate reports accompanying the appropriations bills, unless amended herein. With respect to those items in the conference agreement that differ between the House and the Senate bills, the conferees have agreed to the following with the appropriate section numbers, punctuation, and other technical corrections:

DIVISION A

TITLE I

SENATE

The conferees agree to appropriate $926,160,000 for Senate operations. Inasmuch as these items relate solely to the Senate, and in accord with long practice under which each body determines its
own housekeeping requirements and the other concurs without intervention, the managers on the part of the House, at the request of the managers on the part of the Senate, have receded to the amendment of the Senate as amended.

HOUSE OF REPRESENTATIVES

The conferees agree to appropriate $1,369,025,000 for House operations. Inasmuch as these items relate solely to the House, and in accord with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention, the managers on the part of the Senate, at the request of the managers on the part of the House, have receded to the amendment of the House as amended. The agreement includes two new administrative provisions not included in the House passed bill. These amendments (1) establish eligibility at the House Fitness Center for military liaison officers; and (2) make a technical change in transfer language enacted in Public Law 111–8.

JOINT ITEMS

JOINT ECONOMIC COMMITTEE

The conference agreement includes $4,814,000 as proposed by the House and the Senate.

JOINT COMMITTEE ON TAXATION

The conference agreement includes $11,327,000 as proposed by the Senate instead of $11,451,000 as proposed by the House.

OFFICE OF THE ATTENDING PHYSICIAN

The conference agreement includes $3,805,000 as proposed by the House and the Senate.

OFFICE OF CONGRESSIONAL ACCESSIBILITY SERVICES

The conference agreement includes $1,377,000 as proposed by the Senate instead of $1,314,000 as proposed by the House.

CAPITOL POLICE

SALARIES

The conference agreement includes $265,188,000 for salaries of officers, members, and employees of the Capitol Police instead of $263,198,000 as proposed by the House and $267,203,000 as proposed by the Senate. This level will support a staffing level of 1,799 sworn officers and 444 civilian personnel including staff transferred as a result of the merger with the Library of Congress police force. The staffing level provided by the conference agreement includes five civilian FTEs for radio technicians to facilitate the acquisition, installation and operation of the new radio system which was approved earlier this year. The conference agreement sets a limit of $25,500,000 for overtime for the Capitol Police force as proposed by the Senate instead of $24,000,000 as proposed by the House. This cap on overtime may only be exceeded if the Capitol Police Board notifies the Committees on Appropriations that this cap needs to
be exceeded due to unanticipated safety or security concerns. The conferees note that both House and Senate reports request that the Government Accountability Office work with the Chief and the Capitol Police Board on improving workforce management systems, including overtime. The GAO is to report to the Committees on their progress in this area on a quarterly basis beginning in January 2010.

Based on the detailed review of the Capitol Police 2010 budget conducted in August and September of this year in preparation for conference discussions, the conferees are concerned that, despite progress over the last year, chronic problems related to budget preparation and execution continue. Estimates of end of year staffing levels for 2009 fluctuated significantly, not only from the original estimates submitted in February, but also from revisions submitted as late as July of this year. Basic estimates of the cost of benefits for transferred employees were erroneously calculated in the original budget. Based on these concerns, the Committees request that the GAO expand its work with the USCP to include a review and validation of the accuracy of its fiscal year 2011 budget request. A report of this validation review should be submitted not later than 30 days after the USCP budget is transmitted to Congress.

The House and Senate Committees on Appropriations expect the report on new posts requested in S. Rpt. 111–29 to be submitted within 60 days of the date of this conference report and that the USCP fully comply with the notification requirements related to new posts stated in that report.

GENERAL EXPENSES

The conference agreement includes $63,130,000 for general expenses of the Capitol Police instead of $61,914,000 as proposed by the House and $64,354,000 as proposed by the Senate. This amount includes funding for improved egress/evacuation systems for House Office Buildings including the full cost for installation of two cameras in the stairwell areas used as egress routes during emergencies. The installation of the new cameras will be accomplished over a two year period. Funds have also been included to support the replacement of older equipment as part of the life-cycle replacement program.

GSA vehicle lease proposal.—The conferees are fully supportive of the proposal transmitted to the Appropriations Committees on June 29, 2009 to manage the primary vehicle fleet of the USCP through the General Services Administration and urges implementation on an expedited basis.

ADMINISTRATIVE PROVISION

(INCLUDING TRANSFER OF FUNDS)

The conferees have included a routine administrative provision, section 1001, which continues authorization for transfers between accounts upon the approval of the Committees on Appropriations of the House and Senate.
OFFICE OF COMPLIANCE
SALARIES AND EXPENSES

The conference agreement includes $4,377,000 for salaries and expenses of the Office of Compliance, instead of $4,335,000 as proposed by the House and $4,418,000 as proposed by the Senate. The agreement includes a general provision providing authority for the Office of Compliance to dispose of surplus property. This language was included in both the House and Senate bills in slightly different form.

The conferees are concerned that the Congressional Accountability Act of 1995 may enable the Office of Compliance (OOC) to apply a higher enforcement standard for certain health and safety standards than those applied to the Executive Branch and private sector. Strict statutory deadlines for remedying citations exacerbate this situation, and have led AOC to give highest priority to projects for which OOC has issued citations regardless of whether they represent the highest risk to health and safety.

The conferees believe that the standards applied to the legislative branch should be consistent with their application to the private sector and the executive branch. Therefore, the conferees expect the Office of Compliance General Counsel (OOCGC) to work with legislative branch agency heads to implement corrective actions in a realistic and reasonable time frame, taking into consideration the risks the deficiencies pose, the costs involved in remedying the deficiencies, as well as mitigating factors which have been implemented (sprinklers, alarms, and other building improvements) to reduce risk. The conferees expect the OOCGC to amend its regulations to establish criteria that use a comprehensive risk-based approach, including the cost of remedial actions as well as building renovations planned for the future, in working with agencies to address needed corrections.

CONGRESSIONAL BUDGET OFFICE
SALARIES AND EXPENSES

The conference agreement includes $45,165,000 for salaries and expenses of the Congressional Budget Office as proposed by both the House and Senate.

ADMINISTRATIVE PROVISION

The conferees have agreed to Section 1201, as proposed by the House and the Senate, to extend the Congressional Budget Office's Executive Exchange Program and increase the number of potential participants from three to five.

ARCHITECT OF THE CAPITOL
GENERAL ADMINISTRATION

The conference agreement includes $106,783,000 for General Administration of which $5,400,000 shall remain available until September 30, 2014, instead of $109,392,000 of which $8,950,000 would remain available until September 30, 2014 as proposed by
the House, and $106,587,000 of which $5,400,000 would remain available until September 30, 2014, as proposed by the Senate.

SENATE OFFICE BUILDINGS

The conference agreement includes $74,392,000 for Senate Office Buildings, of which $15,390,000 would remain available until September 30, 2014, for the maintenance, care and operation of the Senate office buildings. Inasmuch as this item relates solely to the Senate, and in accord with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention, the managers on the part of the House, at
the request of the managers on the part of the Senate, have receded to the Senate.

Operating Budget ................................................................. $59,002,000

Project Budget:
1. Senate Underground Garage Expansion (Study) .......................... 1,000,000

HOUSEx OFFICE BUILDINGS

Base funding, House Office Buildings.—The conference agreement includes $100,466,000 for the basic and recurring needs of the House within the House Office Buildings account, of which $53,360,000 would remain available until September 30, 2014. These funds support the regular maintenance, care and operation of the House office buildings by the Architect of the Capitol.

Operating Budget ................................................................. $47,106,000

Project Budget:
1. CAO Project Support ............................................................ 4,390,000
2. Interior Rehabilitation of the East House Underground Garage ........ 37,640,000
3. Rayburn Roof Replacement ................................................ 6,330,000
4. Minor Construction ............................................................ 5,000,000

Total, House Office Buildings (base program) ............................... $100,466,000

House Historic Buildings Revitalization Trust Fund.—In addition to funding for core facility needs, the conference agreement includes $50,000,000 for a newly created House Historic Buildings Revitalization Trust Fund, to remain available until expended, instead of $60,000,000 as originally proposed by the House. These funds are included to begin to address known major building requirements to repair and upgrade the historic icon buildings and facilities of the U.S. House of Representatives. The House bill included these funds in a separate appropriations account to address additional Capitol complex needs. The Senate bill did not include a similar provision.

Inasmuch as these funds relate solely to the House, and in accord with long practice under which each body determines its own housekeeping requirements and the other concurs without intervention, the managers on the part of the Senate, at the request of the managers on the part of the House, have receded to the House.

CAPITOL POWER PLANT

In addition to the $8,000,000 made available from receipts credited as reimbursements to this appropriation, the conference agreement includes $119,133,000 for maintenance, care and operation of the Capitol Power Plant, instead of $125,083,000 as proposed by the House and $118,597,000 as proposed by the Senate. Of this amount, $25,610,000 would remain available until September 30, 2014, instead of $31,560,000 to remain available until September 30, 2014 as proposed by the House and $25,074,000 to
remain available until September 30, 2014 as proposed by the Senate.

The conference agreement includes $84,262,000, as requested, for utility costs for the Capitol Complex, including an increase of $4,340,000 to purchase 100 percent natural gas for use at the power plant. The agreement does not include the funding requested in the budget for conversion of the large coal burning boiler to natural gas. The conferees understand that the conversion of this boiler is not necessary to achieve 100 percent natural gas use at the power plant and that conservation of the boiler will allow for the potential future use of other environmentally safe, renewable solid fuels.

The conference agreement includes $22,459,000 for the Capitol Visitor Center (CVC), instead of $23,166,000 as proposed by the House and $22,756,000 as proposed by the Senate.

Funding is included for improvements to the existing online reservation system, training programs, and way-finding signage at the CVC. In addition, funding is provided to support the hiring of 5 full-time equivalents (FTE) to support critical operations of the CVC, including financial management and information technology. Funding is not provided for the additional 20 requested FTEs.

ADMINISTRATIVE PROVISIONS

The conference agreement includes several administrative provisions related to the operations of the Architect of the Capitol (AOC). Section 1301 provides the AOC authority to retain proceeds from the sale of used or surplus personal property. Section 1302 provides that AOC utilize flexible work schedules. Section 1303 provides AOC the authority to accept voluntary student services. Section 1304 establishes the House Historic Buildings Revitalization Trust Fund. Section 1305 provides the AOC certain authorities to operate during emergencies. The conference agreement does not include Senate provision 1202 related to the CVC as this language has already been enacted into law. The conference agreement deletes Senate provision 1303 related to noncompetitive appointments without prejudice as this is an authorizing issue.
The conference agreement includes $439,801,000 in direct appropriations for salaries and expenses, Library of Congress instead of $443,661,000 as proposed by the House and $434,683,000 as proposed by the Senate. In addition to this amount $6,350,000 is available from receipts collected by the Library of Congress and is to remain available until expended. The conference agreement provides the following specific allocations of funds:

- $3,554,000 for start-up costs at the new Ft. Meade storage facilities;
- $7,677,000 for the National Digital Information Infrastructure and Preservation Program;
- $5,317,000 for Department of State capital security cost-sharing;

- $7,315,000 for the digital collections and educational curricula program;
- $750,000 for the Abraham Lincoln Bicentennial Commission;
- $250,000 to implement the new Civil Rights History Project Act;
- $2,213,000 for the Veterans Oral History program;
- $200,000 for the Durham Museum digitization program;
and
- $150,000 for the American Folklife Center Fellowship program.

Archie Green fellowship program.—The conference agreement deletes without prejudice House bill language related to the honoring of Dr. Archie Green, one of the Founders of the American Folklife Center (AFC) at the Library of Congress. In lieu of naming the Center after Dr. Green, as proposed in the House bill, the conference agreement establishes a new fellowship program at the Library as a living memorial to his work. The AFC was established in 1976 to “preserve and present American folklife” by conducting original field research, archiving cultural heritage collections, presenting public programs, providing reference services and publishing research findings. The AFC owes its existence in large part to the efforts and vision of Dr. Green, who passed away earlier this year. As recognition of his contributions, the Librarian of Congress is directed to establish the “Archie Green Fellowship Program at the American Folklife Center” for which the Librarian may enter into contracts with individuals and groups to promote the initiation, encouragement, support, organization, and promotion of research, scholarship, and training in American folklife in accordance with the provisions of the American Folklife Preservation Act (Pub. L. 94–201, 20 U.S.C. 2101–2107).
The conference agreement includes $20,864,000 in direct appropriations to the Copyright Office as proposed by both the House and the Senate. An additional $34,612,000 is made available from receipts for salaries and expenses.

CONGRESSIONAL RESEARCH SERVICE

The conference agreement includes $112,490,000 for salaries and expenses, Congressional Research Service (CRS), as proposed by the House instead of $112,836,000 as proposed by the Senate. The conferees are fully supportive of a program of telework at the CRS and urge its implementation not later than January 2010. The conference agreement also includes funding for the CRS evaluation study directed by the House in H. Rpt. 111–160.

BOOKS FOR THE BLIND AND PHYSICALLY HANDICAPPED

The conference agreement includes $70,182,000 as proposed by both the House and Senate. This amount includes $650,000 for costs to provide recorded newspaper services for the blind and physically handicapped.

ADMINISTRATIVE PROVISIONS

The conferees have agreed to include administrative provisions carried in both bills related to reimbursable and revolving fund activities, transfer authorities, classifications of Library positions, and leave carryover policies. The conference agreement does not include section 1301 of the House bill related to incentive awards. The agreement modifies section 1306 as proposed by the House to create a fellowship program at the American Folklife Center (see description under the “Salaries and Expenses” appropriations account).

GOVERNMENT PRINTING OFFICE

The conference agreement includes $93,768,000, an increase of $472,000 above the amount proposed by both the House and Senate. These funds will support costs not anticipated when the fiscal year 2010 budget was transmitted to the Congress.

OFFICE OF SUPERINTENDENT OF DOCUMENTS

The conference agreement includes $40,911,000 as proposed by both the House and Senate.
GOVERNMENT PRINTING OFFICE REVOLVING FUND

The conference agreement includes $12,782,000 as proposed by the Senate instead of $12,000,000 as proposed by the House.

GOVERNMENT ACCOUNTABILITY OFFICE

SALARIES AND EXPENSES

The conference agreement includes $556,849,000 in direct appropriations for salaries and expenses, Government Accountability Office instead of $558,849,000, as proposed by the House and $553,658,000 as proposed by the Senate. In addition, $15,222,000 is available from offsetting collections. A total of 3,220 FTEs will be supported with these funds. The agreement modifies an administrative provision proposed by the Senate repealing a number of recurring statutory reports which are no longer required.

OPEN WORLD LEADERSHIP CENTER TRUST FUND

The conference agreement includes $12,000,000 for payment to the Open World Leadership Center Trust Fund, instead of $9,000,000 as proposed by the House and $14,456,000 as proposed by the Senate. The conferees are fully supportive of expanded efforts of the Open World Center to raise private funding and expect this effort to reduce the requirements for funding from the Legislative Branch appropriations bill in future years. The Committees look forward to a report of progress being made by the Center’s fundraising program prior to hearings on its fiscal year 2011 budget request. The conference agreement also includes language proposed by the Senate making technical corrections in the Center’s authorization language related to Board appointments.

JOHN C. STENNIS CENTER FOR PUBLIC SERVICE TRAINING AND DEVELOPMENT

The conference agreement includes $430,000 as proposed by both the House and Senate.

TITLE II—GENERAL PROVISIONS

The conference agreement continues in sections 201 to 208 eight routine provisions carried in prior years. The conference agreement does not include language proposed by the Senate but not included by the House amending the Congressional Accountability Act. The agreement includes Sec. 209 related to employee-led tours of the U.S. Capitol as proposed by the House instead of the language proposed by the Senate.

REPROGRAMMING GUIDELINES FOR LEGISLATIVE BRANCH AGENCIES

For Fiscal Year 2010, the House and Senate Appropriations Committees have jointly agreed that, unless otherwise stated in this report, a formal reprogramming letter will be required if an agency proposes to reallocate amounts which exceed a threshold of $500,000 or 10 percent for any program, project or activity funded in this Act. Reprogramming requests are also required for reallocations of funds below these thresholds if they represent significant
changes in policy. Each reprogramming request should be transmitted through a formal letter which should be signed by the Agency head. It should include a specific justification for each increase as well as for each offsetting reduction being proposed. The Committees have set annual spending levels in the reports accompanying this bill, including in this conference agreement, and do not expect the reprogramming process to be used as a mechanism for making routine changes to the directions in this report. It should be used only in the case of unanticipated needs or significant and unexpected changes in program requirements. Operating Plans are not required for Fiscal Year 2010.

DISCLOSURE OF EARMARKS AND CONGRESSIONALLY DIRECTED SPENDING ITEMS

Following is a list of congressional earmarks and congressionally directed spending items (as defined in clause 9 of rule XXI of the Rules of the House of Representatives and rule XLIV of the Standing Rules of the Senate, respectively) included in the conference report or the accompanying joint statement of managers, along with the name of each Senator, House Member, Delegate, or Resident Commissioner who submitted a request to the Committee of jurisdiction for each item so identified. Neither the conference report nor the joint statement of managers contains any limited tax benefits or limited tariff benefits as defined in the applicable House or Senate rules. Pursuant to clause 9(b) of rule XXI of the Rules of the House of Representatives, neither the conference report nor the joint statement of managers contains any congressional earmarks, limited tax benefits, or limited tariff benefits that were not (1) committed to the conference committee by either House or (2) in a report of a committee of either House on this bill or on a companion measure.
