PURPOSE OF THE BILL

The purpose of H.R. 5131 is to establish Coltsville National Historical Park in the State of Connecticut, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

The proposed Coltsville National Historical Park site is located in Hartford, Connecticut within the previously designated Coltsville Historic District and Coltsville National Historic Landmark. Coltsville is the historic location of the industries and residences associated with Samuel Colt, one of the nation’s preeminent and historic arms manufacturers.

From before the Civil War through World War II, Colt produced a variety of armaments on this site that are universally recognized as representative of the American arms industry. The Colt factory produced such famous weapons as the Gatling Gun, the Colt .45 “Peacemaker,” the Colt Browning .30 and .50 caliber machine guns,
and the M16A4 Rifle. The proposed park site would help trace the history of industrialized and mechanized arms manufacturing and tell the story of the workers involved in the process.

The infrastructure the Colt family developed to help establish its plant in Hartford—the worker cottages, the local church, and the actual armory complex—are still intact and paint a vivid picture of life in an industrial town during the 19th and 20th centuries. The area included in the park designation would include the East Armory, the Church of the Good Shepherd, the Caldwell/Colt Memorial Parish House, Colt Park, the Potsdam Cottages, Armsmear (the Samuel Colt Home, an existing National Historic Landmark), and the James Colt House.

COMMITEE ACTION

H.R. 5131 was introduced on April 22, 2010 by Representative John B. Larson (D–CT). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on National Parks, Forests and Public Lands.

On June 10, 2010, the Subcommittee held a hearing on the bill. The bill's sponsor and a representative from the town of Hartford, Connecticut spoke in favor of the legislation. A representative of the Department of the Interior acknowledged that the proposed Coltsville National Historical Park is nationally significant and merits inclusion into the National Park System but that the bill would need to be amended to make the park feasible.

On July 22, 2010, the Subcommittee was discharged from further consideration of H.R. 5131 and the full Natural Resources Committee met to consider the bill. Subcommittee Chairman Raúl Grijalva, (D–AZ) offered an amendment in the nature of a substitute to include a map reference, make minor technical changes in wording, include a contingency directing the Secretary of the Interior to confirm the financial viability of the park's partners; and to authorize appropriation of not more than $10 million for the park's development. The amendment in the nature of a substitute was adopted by voice vote. H.R. 5131, as amended, was then ordered favorably reported to the House of Representatives by voice vote.

public property within the Coltsville Historic District and the Secretary of the Interior (Secretary) providing that these properties will be managed consistent with park designation and that future management will be consistent with both the park's and the city's preservation ordinance; and (4) the Secretary's review of the financial resources of the owners of the public and private property within the boundary of the proposed park, to ensure the viability of the park based on those resources.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

CONSTITUTIONAL AUTHORITY STATEMENT

Article I, section 8 of the Constitution of the United States grants Congress the authority to enact this bill.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives requires an estimate and a compari-
son by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(3)(B) of that Rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974.

2. Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to establish Coltsville National Historical Park in the State of Connecticut, and for other purposes.

4. Congressional Budget Office Cost Estimate. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

\textbf{H.R. 5131—Coltsville National Historical Park Act}

H.R. 5131 would create the Coltsville National Historical Park in Connecticut, to be established once the National Park Service (NPS) obtains enough property at the proposed site to constitute a manageable park unit. Assuming that the conditions for establishment can be met and that the necessary amounts are appropriated, CBO estimates that implementing H.R. 5131 would cost about $1 million over the 2011–2015 period and about $10 million over the 2011–2020 period. Enacting the bill would have no effect on revenues or direct spending; therefore, pay-as-you-go procedures do not apply.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

Under H.R. 5131, the proposed historical park would be established when the NPS accepts the donation of enough land or interest in land to manage a park unit and has executed an agreement to accept another donation of space in the East Armory building. The proposed boundary would include the armory as well as Colt Park, the Church of the Good Shepherd, and several other buildings in Hartford. Most of those properties would remain in private, state, or local ownership, but the NPS would be authorized to help restore and develop them. The bill would authorize the appropriation of $10 million for that purpose.

Based on information provided by the NPS, CBO estimates that the agency would spend about $1 million over the next five years, primarily to prepare a management plan for the proposed park (as required by the bill) and provide technical assistance to local property owners. Assuming appropriation of the authorized amounts, we estimate that the agency would spend $9 million over the following five years to restore local properties, construct visitor facilities, and develop interpretive exhibits. We estimate that federal costs to operate the park would be less than $500,000 annually.
The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

COMPLIANCE WITH PUBLIC LAW 104–4
This bill contains no unfunded mandates.

EARMARK STATEMENT
H.R. 5131 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW
This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW
If enacted, this bill would make no change in existing law.
