

PROVIDING FOR CONSIDERATION OF THE BILL (S. 365)
TO MAKE A TECHNICAL AMENDMENT TO THE EDU-
CATION SCIENCES REFORM ACT OF 2002

AUGUST 1, 2011.—Referred to the House Calendar and ordered to be printed

Mr. DREIER, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 384]

The Committee on Rules, having had under consideration House Resolution 384, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of S. 365, to make a technical amendment to the Education Sciences Reform Act of 2002, under a closed rule. The resolution provides one hour of debate with thirty minutes equally divided and controlled by the chair and ranking minority member of the Committee on Rules, fifteen minutes equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means, and fifteen minutes equally divided and controlled by the chair and ranking minority member of the Committee on the Budget. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment in the nature of a substitute printed in this report shall be considered as adopted. The bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 10 of rule XXI, prohibiting the consideration of a bill if it has the net effect of increasing mandatory spending over the five or ten year period. Title V of the bill, as amended,

provides \$17 billion in mandatory funding for the Federal Pell Grant program and makes other changes to education programs that decrease spending. While title V has the net effect of decreasing mandatory spending by \$5 billion over the ten year period, it also has the net effect of increasing mandatory spending by \$8 billion over the five year period, causing the bill to be in violation of clause 10 of rule XXI.

It is important to note that the bill, as amended, produces significant savings over the ten year period through the establishment of statutory caps on discretionary spending that are enforced by across-the-board spending reductions. Because these spending reductions are discretionary savings, the Congressional Budget Office does not take these savings into account for the purposes of clause 10 of rule XXI. It is also important to note that the Congressional Budget Office does not recognize the estimated \$16 billion in program integrity savings over the ten year period when calculating the net budgetary effect of title V for the purposes of enforcing clause 10 of rule XXI.

The waiver of all points of order against consideration of the bill also includes a waiver of section 302(f) of the Congressional Budget Act prohibiting the consideration of legislation providing new budget authority in excess of a committee's 302(a) allocation of such authority in the first fiscal year or over ten fiscal years. Title V of the bill, as amended, increases mandatory funding for the Federal Pell Grant program. The increase in funding exceeds the 302(a) allocation for the Committee on Education and the Workforce in the first fiscal year period by \$3 billion, causing the bill to be in violation of section 302(f) of the Congressional Budget Act.

The waiver of all points of order against consideration of the bill also includes a waiver of section 306 of the Congressional Budget Act prohibiting consideration of a bill containing matter within the jurisdiction of the Committee on the Budget not reported by the Committee on the Budget.

Although the resolution waives all points of order against provisions in the bill, as amended, the Committee is not aware of any points of order against provisions in the bill, as amended. The waiver is prophylactic.

SUMMARY OF AMENDMENT CONSIDERED AS ADOPTED

The amendment in the nature of a substitute would strike all after the enacting clause and insert a new matter consisting of the Budget Control Act of 2011 (BCA). The BCA would: establish ten year discretionary spending caps; provide for the passage of a balanced budget amendment to the Constitution; create a joint committee of Congress charged with making legislative recommendations to achieve additional spending reductions; increase the debt limit pursuant to a resolution of disapproval and sequestration procedures; establish expedited procedures for consideration of a resolution of disapproval and for consideration of the joint committee's recommendations; and make changes to the Pell Grant program.

SECTION-BY-SECTION ANALYSIS OF THE BUDGET CONTROL ACT OF 2011
AS PRINTED IN THIS REPORT*Section 1. Short Title; Table of Contents*

This section provides a short title for the bill, the “Budget Control Act of 2011.” It also provides a table of contents.

Sec. 2. Severability

This section ensures that if a provision of this bill is found to be unconstitutional, the other provisions of the bill will remain in force and effect.

TITLE I—TEN-YEAR DISCRETIONARY CAPS WITH SEQUESTER

Sec. 101. Enforcing Discretionary Spending Limits

This section amends section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985 to establish 10-year discretionary spending limits (caps) for fiscal years 2012 through 2021 that would reduce the deficit by \$917 billion. Subsection (a) enforces the discretionary spending caps through a sequestration process (across-the-board reductions) occurring 15 days after Congress adjourns at the end of a session and authorizes the President to exempt any military personnel accounts from sequestration provided that the savings are achieved through across-the-board reductions in the remainder of the Department of Defense (DOD) budget. Subsection (a) largely mirrors the Balanced Budget and Emergency Deficit Control Act of 1985 (also known as “Gramm-Rudman-Hollings”) providing guidance for part-year appropriations, a look-back sequester, and a within session sequestration if caps are exceeded. It also provides a timeline of Congressional Budget Office (CBO) and Office of Management and Budget (OMB) estimates and explanation of differences.

Subsection (b) provides for adjustments to discretionary spending limits for emergency appropriations, appropriations for the global war on terrorism, and appropriations for major disasters. It also provides adjustments for additional spending to combat waste, fraud, and abuse.

Subsection (c) establishes discretionary limits for FY 2012 through 2021. It sets separate discretionary limits for security programs (Departments of Defense, Homeland Security, and Veterans’ Affairs, the National Nuclear Security Administration, the intelligence community management account, and Function 150 (State Department and International Assistance)) and non-security programs for FY 2012 and FY 2013.

Sec. 102. Definitions

This section amends section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985 to define terms used in the title, including emergencies.

Sec. 103. Reports and Orders

This section provides updates to reports and orders required by section 254 of the Balanced Budget and Emergency Deficit Control Act of 1985.

Sec. 104. Expiration

This section repeals section 275 of the Balance Budget and Emergency Deficit Control Act of 1985 that has the effect of putting the discretionary enforcement sequester procedures in effect.

Sec. 105. Amendments to the Congressional Budget and Impoundment Control Act of 1974

This section provides for amendments to the Congressional Budget Act of 1974. Specifically, section 314 of that Act is amended to allow the Chairman of the House and Senate Budget Committees to make budgetary adjustments to reflect the adjustments in spending limits. It also provides for the budget treatment of emergency spending and a process by which members of the House can strike a designation for emergency funding.

The section further establishes a new point of order against consideration of a measure that would violate the discretionary spending caps. A waiver of this point of order would require a three-fifths vote in the Senate.

Sec. 106. Senate Budget Enforcement

This section deems a budget passed in the Senate for purposes of providing committee allocations and budget enforcement tools. With the exception of discretionary levels, the deeming language largely follows CBO baseline levels.

TITLE II—VOTE ON THE BALANCED BUDGET AMENDMENT

Sec. 201. Vote on the Balanced Budget Amendment

This section requires a vote on passage of a joint resolution entitled “Joint resolution proposing a balanced budget amendment to the Constitution of the United States” between October 1, 2011 and December 31, 2011.

Sec. 202. Consideration by the Other House

This section provides for expedited consideration by the House and Senate of the joint resolution of the other House. These provisions are largely similar to the expedited procedures used in title III.

TITLE III—DEBT CEILING DISAPPROVAL PROCESS

Sec. 301. Debt Ceiling Disapproval Process

This section adds a new section after 31 U.S.C. 3101 providing for modification of the debt ceiling by the President and a process for the Congress to disapprove of those modifications.

The new section provides that if the President submits a written certification to Congress by December 31, 2011 that the debt is within \$100 billion of the debt limit, the Secretary of the Treasury is authorized to borrow an additional \$900 billion, subject to the enactment of a joint resolution of disapproval. Upon submission of the certification, the debt limit is increased by \$400 billion.

The section authorizes the Congress to consider a joint resolution of disapproval subject to the procedures of this section. If Congress fails to enact the joint resolution, the debt limit is increased by an additional \$500 billion.

In the absence of any further action by Congress, this section authorizes the Secretary to borrow an additional amount equal to \$1.2 trillion, subject to Presidential certification and Congressional disapproval. If a balanced budget amendment is sent to the states for ratification, the Secretary may borrow \$1.5 trillion. If a balanced budget amendment is not sent to the states for ratification, but the amount of deficit reduction achieved by the joint committee is greater than \$1.2 trillion, the Secretary is permitted to borrow an amount equal to the amount of deficit reduction, but may not exceed \$1.5 trillion. All increases in borrowing authority are subject to Congressional disapproval.

The section further mandates the content of the joint resolution of disapproval, limitations on when a joint resolution may be introduced, and expedited procedures for consideration of the joint resolution. Under this section, a resolution of disapproval must be enacted within 50 calendar days for the initial \$900 billion or within 15 calendar days for an additional amount to prevent an increase in borrowing authority.

Expedited procedures in the House:

- Any committee to which the joint resolution has been referred must report it to the House not later than five calendar days after the introduction of the joint resolution. If a committee fails to report the joint resolution within the time period, the committee is discharged from further consideration.
- Requires consideration of the joint resolution in the House not later than six calendar days after introduction of the joint resolution.
- All points of order against the joint resolution and its consideration are waived.
- No amendments to the joint resolution are in order.
- The joint resolution is debatable for two hours prior to a vote on passage.

Expedited procedures in the Senate:

- A motion to proceed to a joint resolution of disapproval of the initial \$900 billion increase to the debt limit is in order at any time during the period beginning the day after receipt of a Presidential certification and ending on September 14, 2011.
- A motion to proceed to a joint resolution of disapproval of the additional amount is in order at any time during the period beginning the day after receipt of a Presidential certification and ending on the 6th day after Congress has received a certification.
- All points of order against the joint resolution are waived.
- No amendments to the joint resolution are in order.
- Consideration of the joint resolution is limited to not more than 10 hours.

The section also provides that if the President vetoes a resolution of disapproval and the Congress overrides the veto, the debt limit is not increased. If the Congress overrides the President's veto, the Office of Management and Budget is directed to sequester pro rata amounts from certain accounts equal to the initial \$400 billion provided in this section for the first round of debt limit increases.

Sec. 302. Enforcement of Budget Goal

If the joint committee, created in title IV of this bill fails to achieve at least \$1.2 trillion in deficit reduction, a sequestration

process must be implemented. As part of the sequestration procedures, this section establishes revised security and non-security allocations for each fiscal year and revises the definition of security category, limiting the category to the Department of Defense. It also reduces the discretionary spending limits and includes sequestration procedures for direct spending to ensure these spending reductions are achieved.

TITLE IV—JOINT SELECT COMMITTEE ON DEFICIT REDUCTION

Sec. 401. Establishment of Joint Committee

Subsection (a) defines terms used in the title. Specifically, it defines the term “joint committee” as the Joint Select Committee on Deficit Reduction and “joint committee bill” as the bill containing the legislative recommendations of the joint committee.

Subsection (b) provides for the establishment of the joint committee. Paragraph (1) establishes the joint committee, and paragraph (2) sets forth the goal of reducing the deficit by \$1.5 trillion over the period of 2012 through 2021.

Paragraph (3) establishes the duties of the joint committee. The joint committee is required to provide recommendations (including legislative language) that will significantly improve both the short- and long-term fiscal imbalance of the Federal Government.

The joint committee must also consider any recommendations from House and Senate committees with respect to changes in law necessary to meet the goal of the joint committee. Those committees may report their recommendations to the joint committee by October 14, 2011.

By November 23, 2011, the joint committee is required to vote on a report which contains the findings, conclusions, and recommendations of the joint committee, as well as the estimates provided by the Congressional Budget Office (CBO) and legislative language in support of those recommendations, which must also contain a statement of the deficit reduction achieved over fiscal years 2012 through 2021. A majority of the members of the joint committee must approve the report and accompanying legislative language. The text of the report and accompanying legislative language must be made public promptly after the vote on adoption of those matters.

The legislation also provides for any member of the joint committee to file additional, supplemental, or minority views within 3 calendar days if that member provides notice of his or her intention at the time of final vote on adoption of the report and legislative language. The report and accompanying legislative language must be transmitted to the President, Vice President, the Speaker of the House, and the majority and minority leaders of the House and Senate by December 2, 2011.

The joint committee is to be comprised of 12 members appointed by the majority and minority leaders of the Senate, and the Speaker and minority leader of the House, who each must appoint three members. The Speaker and the majority leader of the Senate must each appoint one member to serve as Co-Chair from among the members of the joint committee. The members of the joint committee and the Co-Chairs must be appointed within 14 calendar days after enactment of this bill. Members are appointed for the

life of the joint committee, and a vacancy must be filled in the same manner as the original appointment.

The Co-Chairs must jointly hire a staff director for the joint committee. It is also authorized to incur expenses in the same manner as the Joint Economic Committee and any actual and necessary expenses approved by the co-chairs are authorized to be disbursed by the Senate, subject to Senate rules and regulations.

Seven members of the joint committee constitute a quorum for purposes of voting, meeting, and holding hearings.

With respect to voting, proxy voting is prohibited and the joint committee is enjoined from voting on the report, recommendations, or legislative language unless an estimate from the CBO is available to the members of the joint committee for at least 48 hours prior. In its analysis, CBO is required to estimate the effect of interest payments on the debt, and CBO is also directed to estimate the budgetary effects of the legislative language beyond 2021.

The joint committee must hold its first meeting not later than 45 days after the date of enactment of this legislation and the Co-Chairs must provide an agenda at least 48 hours prior to each meeting.

The joint committee is authorized to hold hearings, require attendance of witnesses and production of documents, take testimony, receive evidence, and administer oaths as the committee deems advisable. It may also sit and act whenever necessary.

Hearings must be announced at least 7 days in advance, unless the Co-Chairs determine that there is good cause to hold a hearing earlier. Witnesses appearing before the joint committee must file a written statement of proposed testimony at least 2 days prior to appearance, unless waived by the Co-Chairs.

Federal agencies must provide technical assistance to the joint committee on the written request of the Co-Chairs.

Subsection (c)(1) addresses the staff of the joint committee. The Co-Chairs are authorized to appoint and set the compensation of staff as they deem necessary, and within the guidelines and rules for Senate employees. Paragraph (2) provides that the members of the joint committee will be bound by the rules and ethical requirements of the House in which they serve, while the staff of the joint committee is governed by the Senate ethics rules.

Sec. 402. Expedited Consideration of Joint Committee Recommendations

Subsection (a) provides for introduction of the joint committee's legislative recommendations. If approved by the joint committee, the legislative language accompanying their recommendations must be introduced on the next session or legislative day in the House or Senate, respectively. The measure is to be introduced (by request) in the Senate and House by the majority leader of each body or a designee.

Subsection (b) provides for expedited consideration in the House. Each committee receiving a referral of the joint committee bill must report that bill without amendment not later than December 9, 2011. If a committee fails to report the bill prior to that date, a member may offer a motion to discharge the bill. That motion is debatable for 20 minutes, equally divided and controlled between the proponent and an opponent and a motion to reconsider the vote

disposing of the motion is not available. The motion to discharge is not available after the last committee reports the bill or the House has considered a prior motion to discharge.

If the motion is adopted or after the last committee reports the joint committee bill, a motion to proceed to the consideration of the bill is in order. The motion to proceed is not debatable, and a motion to reconsider the vote disposing of the motion to proceed is not available.

If the House proceeds to consideration of the joint committee bill, all points of order against the bill and its consideration are waived, and it is considered as read. The joint committee bill is debatable for 2 hours, equally divided and controlled by the proponent and an opponent. One motion to limit debate is available, while a motion to reconsider the vote disposing of the joint committee bill is not in order. The vote on passage of the joint committee bill must occur on or before December 23, 2011.

Subsection (c) provides for expedited consideration in the Senate. The joint committee bill must be referred jointly to the committees of jurisdiction. Each committee to which the bill is referred must report the bill with a favorable or unfavorable recommendation, or no recommendation, by not later than December 9, 2011 and without amendment. If any committee fails to report the bill by that date, that committee will be automatically discharged and the joint committee bill placed on the appropriate calendar.

Two days after the last Senate committee reports the joint committee bill or is discharged, the majority leader of the Senate or a designee may move to proceed to the consideration of the joint committee bill, even if a prior motion to proceed has failed. All points of order against the motion to proceed are waived and it is not debatable, and it is not subject to a motion to postpone or reconsider. If the motion to proceed is agreed to, the joint committee bill will remain unfinished business until it is disposed of.

Consideration of the joint committee bill, including all debatable motions and appeals, is limited to 30 hours equally divided between the majority and minority leaders of the Senate. All points of order against the joint committee bill and its consideration are waived. A non-debatable motion to limit debate is available and requires an affirmative three-fifths vote. Any debatable motion or appeal is limited to one hour, equally divided between a proponent and an opponent. All time used for consideration of the joint committee bill, including time used for quorum calls, counts against the 30-hour total.

No amendments to the joint committee bill or a motion to postpone, proceed to the consideration of other business, or recommit are in order. Appeals from decisions of the chair regarding application of the rules of the Senate to consideration of the joint committee bill are non-debatable.

The Senate must vote on passage of the joint committee bill immediately after the conclusion of debate and a quorum call, if requested. The Senate must also vote on the joint committee bill not later than December 23, 2011.

Subsection (d) provides that the joint committee bill is not subject to amendment in either the House or Senate.

Subsection (e) provides standard language to address the handling of the joint committee bill if passed by one chamber before

the other has completed its consideration. It also provides that if the joint committee bill is a revenue measure, the subsection does not apply to the House.

Subsection (f) also contains several standard provisions to address issues in the Senate when they receive a joint committee bill from the House. First, it provides that joint committee bill originated by the House is entitled to expedited consideration in the Senate if the Senate fails to introduce or consider a joint committee bill. Second, if the Senate receives the joint committee bill after passage of the joint committee bill, the House version is not debatable and the vote on passage of the Senate version is considered to be the vote on the House version. Finally, it provides that debate on a veto message on the joint committee bill in the Senate is limited to one hour, equally divided between the majority and minority leaders.

Subsection (g) provides that the joint committee bill loses its privileged status if the joint committee fails to vote on the report or legislative language by November 23, 2011 or the joint committee bill does not pass both the House and Senate by December 23, 2011.

Sec. 403. Funding

This section provides that the funding of the joint committee is to be paid equally out of the applicable accounts of the Senate and House of Representatives, subject to the rules and regulations of the Senate.

Sec. 404. Rulemaking

This section clarifies that the provisions are enacted as an exercise of the rulemaking powers of the House and Senate, that they are considered part of the rules of each House, and that each House has a constitutional right to change the rules in the same manner that each House may change any other rule.

TITLE V—PELL GRANT AND STUDENT LOAN PROGRAM CHANGES

Sec. 501. Federal Pell Grants

This section provides \$17 billion in mandatory funds over two years to help fill the funding gap in the Federal Pell Grant program. This additional funding is offset by reductions through reforms to the student loan program in sections 502 and 503.

Sec. 502. Termination of Authority to Make Interest Subsidized Loans to Graduate and Professional Students

This section eliminates the ability of graduate and professional students to take out subsidized Stafford loans, beginning on July 1, 2012. This elimination does not apply to students enrolled in a program leading up to a degree or certificate or students enrolled in a program necessary for a teaching credential or certification where such credential or certification is required by the state.

Sec. 503. Termination of Direct Loan Repayment Incentives

This section sunsets the Secretary of Education's authority to provide incentives for on-time repayment of student loans on July 1, 2012. This section also explicitly prohibits the Secretary of Edu-

cation from creating any incentives for on-time repayment of student loans.

Sec. 504. Inapplicability of Title IV Negotiated Rulemaking and Master Calendar Exception

This section clarifies that the negotiated rulemaking requirement included in title IV and the master calendar requirements to not apply to the changes made in this Act.

**TITLE I—TEN-YEAR DISCRETIONARY CAPS WITH
SEQUESTER**

SEC. 101. ENFORCING DISCRETIONARY SPENDING LIMITS.

Section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985 is amended to read as follows:

“SEC. 251. ENFORCING DISCRETIONARY SPENDING LIMITS.

“(a) ENFORCEMENT.—

“(1) SEQUESTRATION.—Within 15 calendar days after Congress adjourns to end a session there shall be a sequestration to eliminate a budget-year breach, if any, within any category.

“(2) ELIMINATING A BREACH.—Each non-exempt account within a category shall be reduced by a dollar amount calculated by multiplying the enacted level of sequestrable budgetary resources in that account at that time by the uniform percentage necessary to eliminate a breach within that category.

“(3) MILITARY PERSONNEL.—If the President uses the authority to exempt any personnel account from sequestration under section 255(f), each account within subfunctional category 051 (other than those military personnel accounts for which the authority provided under section 255(f) has been exercised) shall be further reduced by a dollar amount calculated by multiplying the enacted level of non-exempt budgetary resources in that account at that time by the uniform percentage necessary to offset the total dollar amount by which outlays are not reduced in military personnel accounts by reason of the use of such authority.

“(4) PART-YEAR APPROPRIATIONS.—If, on the date specified in paragraph (1), there is in effect an Act making or continuing appropriations for part of a fiscal year for any budget account, then the dollar sequestration calculated for that account under paragraphs (2) and (3) shall be subtracted from—

“(A) the annualized amount otherwise available by law in that account under that or a subsequent part-year appropriation; and

“(B) when a full-year appropriation for that account is enacted, from the amount otherwise provided by the full-year appropriation for that account.

“(5) LOOK-BACK.—If, after June 30, an appropriation for the fiscal year in progress is enacted that causes a breach within a category for that year (after taking into account any sequestration of amounts within that category), the discretionary spending limits for that category for the next fiscal year shall be reduced by the amount or amounts of that breach.

“(6) WITHIN-SESSION SEQUESTRATION.—If an appropriation for a fiscal year in progress is enacted (after Congress adjourns to end the session for that budget year and before July 1 of that fiscal year) that causes a breach within a category for that year (after taking into account any prior sequestration of amounts within that category), 15 days later there shall be a sequestration to eliminate that breach within that category following the procedures set forth in paragraphs (2) through (4).

“(7) ESTIMATES.—

“(A) CBO ESTIMATES.—As soon as practicable after Congress completes action on any discretionary appropriation,

CBO, after consultation with the Committees on the Budget of the House of Representatives and the Senate, shall provide OMB with an estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation.

“(B) OMB ESTIMATES AND EXPLANATION OF DIFFERENCES.—Not later than 7 calendar days (excluding Saturdays, Sundays, and legal holidays) after the date of enactment of any discretionary appropriation, OMB shall transmit a report to the House of Representatives and to the Senate containing the CBO estimate of that legislation, an OMB estimate of the amount of discretionary new budget authority and outlays for the current year, if any, and the budget year provided by that legislation, and an explanation of any difference between the 2 estimates. If during the preparation of the report OMB determines that there is a significant difference between OMB and CBO, OMB shall consult with the Committees on the Budget of the House of Representatives and the Senate regarding that difference and that consultation shall include, to the extent practicable, written communication to those committees that affords such committees the opportunity to comment before the issuance of the report.

“(C) ASSUMPTIONS AND GUIDELINES.—OMB estimates under this paragraph shall be made using current economic and technical assumptions. OMB shall use the OMB estimates transmitted to the Congress under this paragraph. OMB and CBO shall prepare estimates under this paragraph in conformance with scorekeeping guidelines determined after consultation among the Committees on the Budget of the House of Representatives and the Senate, CBO, and OMB.

“(D) ANNUAL APPROPRIATIONS.—For purposes of this paragraph, amounts provided by annual appropriations shall include any discretionary appropriations for the current year, if any, and the budget year in accounts for which funding is provided in that legislation that result from previously enacted legislation.

“(b) ADJUSTMENTS TO DISCRETIONARY SPENDING LIMITS.—

“(1) CONCEPTS AND DEFINITIONS.—When the President submits the budget under section 1105 of title 31, United States Code, OMB shall calculate and the budget shall include adjustments to discretionary spending limits (and those limits as cumulatively adjusted) for the budget year and each outyear to reflect changes in concepts and definitions. Such changes shall equal the baseline levels of new budget authority and outlays using up-to-date concepts and definitions, minus those levels using the concepts and definitions in effect before such changes. Such changes may only be made after consultation with the Committees on Appropriations and the Budget of the House of Representatives and the Senate, and that consultation shall include written communication to such committees that affords such committees the opportunity to comment before official action is taken with respect to such changes.

“(2) SEQUESTRATION REPORTS.—When OMB submits a sequestration report under section 254(e), (f), or (g) for a fiscal year, OMB shall calculate, and the sequestration report and subsequent budgets submitted by the President under section 1105(a) of title 31, United States Code, shall include adjustments to discretionary spending limits (and those limits as adjusted) for the fiscal year and each succeeding year, as follows:

“(A) EMERGENCY APPROPRIATIONS; OVERSEAS CONTINGENCY OPERATIONS/GLOBAL WAR ON TERRORISM.—If, for any fiscal year, appropriations for discretionary accounts are enacted that—

“(i) the Congress designates as emergency requirements in statute on an account by account basis and the President subsequently so designates, or

“(ii) the Congress designates for Overseas Contingency Operations/Global War on Terrorism in statute on an account by account basis and the President subsequently so designates,

the adjustment shall be the total of such appropriations in discretionary accounts designated as emergency requirements or for Overseas Contingency Operations/Global War on Terrorism, as applicable.

“(B) CONTINUING DISABILITY REVIEWS AND REDETERMINATIONS.—(i) If a bill or joint resolution making appropriations for a fiscal year is enacted that specifies an amount for continuing disability reviews under titles II and XVI of the Social Security Act and for the cost associated with conducting redeterminations of eligibility under title XVI of the Social Security Act, then the adjustments for that fiscal year shall be the additional new budget authority provided in that Act for such expenses for that fiscal year, but shall not exceed—

“(I) for fiscal year 2012, \$623,000,000 in additional new budget authority;

“(II) for fiscal year 2013, \$751,000,000 in additional new budget authority;

“(III) for fiscal year 2014, \$924,000,000 in additional new budget authority;

“(IV) for fiscal year 2015, \$1,123,000,000 in additional new budget authority;

“(V) for fiscal year 2016, \$1,166,000,000 in additional new budget authority;

“(VI) for fiscal year 2017, \$1,309,000,000 in additional new budget authority;

“(VII) for fiscal year 2018, \$1,309,000,000 in additional new budget authority;

“(VIII) for fiscal year 2019, \$1,309,000,000 in additional new budget authority;

“(IX) for fiscal year 2020, \$1,309,000,000 in additional new budget authority; and

“(X) for fiscal year 2021, \$1,309,000,000 in additional new budget authority.

“(ii) As used in this subparagraph—

“(I) the term ‘continuing disability reviews’ means continuing disability reviews under sections 221(i) and 1614(a)(4) of the Social Security Act;

“(II) the term ‘redetermination’ means redetermination of eligibility under sections 1611(c)(1) and 1614(a)(3)(H) of the Social Security Act; and

“(III) the term ‘additional new budget authority’ means the amount provided for a fiscal year, in excess of \$273,000,000, in an appropriation Act and specified to pay for the costs of continuing disability reviews and redeterminations under the heading ‘Limitation on Administrative Expenses’ for the Social Security Administration.
