

PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 822) TO AMEND TITLE 18, UNITED STATES CODE, TO PROVIDE A NATIONAL STANDARD IN ACCORDANCE WITH WHICH NONRESIDENTS OF A STATE MAY CARRY CONCEALED FIREARMS IN THE STATE

NOVEMBER 14, 2011.—Referred to the House Calendar and ordered to be printed

Mr. NUGENT, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 463]

The Committee on Rules, having had under consideration House Resolution 463, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 822, the National Right-to-Carry Reciprocity Act of 2011. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill shall be considered as original text for the purpose of amendment and shall be considered as read. The resolution waives all points of order against the committee amendment in the nature of a substitute. The resolution makes in order only those amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question. The resolution waives all points of order against the amendments printed in this report. Finally, the resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of H.R. 822, the Committee is not aware of any points of order. The waiver of all points of order is prophylactic in nature.

The waiver of all points of order against the committee amendment in the nature of a substitute includes a waiver of clause 7 of rule XVI, prohibiting the consideration of non-germane amendments, because the Committee on the Judiciary adopted an amendment not germane to the introduced bill during the Judiciary Committee mark-up on October 25, 2011.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
