COMMITTEE STATEMENT AND VIEWS

PURPOSE AND SUMMARY

Earlier this Congress, legislation to reauthorize and strengthen the DC Opportunity Scholarship Program was included as part of the Department of Defense and Full-Year Continuing Appropriations Act (P.L. 112–10). (See House Report 112–036 for details of the program.)

As with many significant bills enacted into law, there were a few small and technical modifications that were needed in order for the program to achieve its goal. H.R. 3237, the SOAR Technical Corrections Act, makes those changes.

BACKGROUND AND NEED FOR LEGISLATION

After the 2011–2012 school year began, it became clear that there were a few modifications that needed to be made to the law in order for the Opportunity Scholarship Program to be effective, and to ensure that unclear legislative language did not lead to unintended consequences upon enactment.

The ambiguity with the law lies in three areas: (1) the education requirements for teachers of scholarship students; (2) the manner in which the nationally-norm referenced test of the effectiveness of the program would be administered; and (3) which students would participate in the study. H.R. 3237 clarifies those three areas.

The legislation requires all students participating in the program have a core subject matter teacher who has a baccalaureate or equivalent degree. It also mandates that the Institute of Education Sciences (IES) administer a nationally norm-referenced test as long as the school does not administer the same test. In addition, the language ensures that the student does not have to take the test twice, and that participating schools using that same test will make the results available to IES. Finally, the bill clarifies that all students applying for a scholarship, including those not offered one, agree to participate in IES evaluations, if requested by IES.

LEGISLATIVE HISTORY

On October 18, 2011, Representative Trey Gowdy introduced H.R. 3237, the SOAR Technical Corrections Act. (See House Report 112–036 for details about the legislative history of the Opportunity Scholarship Program in general.)

The Oversight and Government Reform Committee considered the bill on November 3, 2011, and reported the legislation favorably by a unanimous voice vote.

SECTION-BY-SECTION

Section 1. Short title

This Act may be cited as the “SOAR Technical Corrections Act.”

Section 2. Use of funds

In order to receive a grant, the school must ensure that students participating in the program are taught by core subject matter teachers who have a baccalaureate or equivalent degree.

Section 3. Nationally norm-referenced standardized tests

The language directs the Institute of Education Sciences (IES) to administer a nationally norm-referenced test to the participating student as long as the school doesn’t already administer the same test. This will ensure there is no duplication with the testing procedures. Finally, in order to properly evaluate the students’ progress, the school shall make the results of the tests available to the IES.

While maintaining their autonomy in administering their own tests, schools shall comply with reasonable requests from the Secretary in regard to the Congressionally mandated evaluation to maintain integrity of the evaluation.

Section 4. Evaluations

Requires all students applying for an OSP scholarship, including those not offered a scholarship, agree to participate in IES evaluations if requested by IES.

EXPLANATION OF AMENDMENTS

Rep. Issa offered an amendment which made very minor technical corrections to the legislation.

APPLICATION OF LAW TO THE LEGISLATIVE BRANCH

Section 102(b)(3) of Public Law 104–1 requires a description of the application of this bill to the legislative branch where the bill relates to the terms and conditions of employment or access to public services and accommodations. This bill makes technical correc-

tions to the DC Opportunity Scholarship Program, which was included as part of the Department of Defense and Full-Year Continuing Appropriations Act (P.L. 112–10). As such this bill does not relate to employment or access to public services and accommodations.

STATEMENT OF OVERSIGHT FINDINGS AND RECOMMENDATIONS OF THE COMMITTEE

In compliance with clause 3(c)(1) of rule XIII and clause (2)(b)(1) of rule X of the Rules of the House of Representatives, the Committee's oversight findings and recommendations are reflected in the descriptive portions of this report.

STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

In accordance with clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee's performance goals and objectives are reflected in the descriptive portions of this report.

FEDERAL ADVISORY COMMITTEE ACT

The Committee finds that the legislation does not establish or authorize the establishment of an advisory committee within the definition of 5 U.S.C. App., Section 5(b).

UNFUNDED MANDATE STATEMENT

Section 423 of the Congressional Budget and Impoundment Control Act (as amended by Section 101(a)(2) of the Unfunded Mandate Reform Act, P.L. 104–4) requires a statement as to whether the provisions of the reported include unfunded mandates. In compliance with this requirement the Committee has received a letter from the Congressional Budget Office included herein.

EARMARK IDENTIFICATION

H.R. 3237 does not include any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9 of rule XXI.

COMMITTEE ESTIMATE

Clause 3(d)(2) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs that would be incurred in carrying out H.R. 3237. However, clause 3(d)(3)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act.

BUDGET AUTHORITY AND CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

With respect to the requirements of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974 and with respect to requirements of clause (3)(c)(3) of rule XIII of the Rules of the House of Rep-

representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for H.R. 3237 from the Director of Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, November 8, 2011.

Hon. DARRELL ISSA,
*Chairman, Committee on Oversight and Government Reform,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3237, the SOAR Technical Corrections Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Justin Humphrey.

Sincerely,

DOUGLAS W. ELMENDORF.

Enclosure.

H.R. 3237—SOAR Technical Corrections Act

H.R. 3237 would amend the Scholarships for Opportunity and Results Act, which provides funding to cover the costs of tuition, fees, and transportation for District of Columbia residents attending private elementary and secondary schools. The bill would amend the requirements for teachers and for testing of students at schools with scholarship recipients.

CBO estimates that implementing H.R. 3237 would have no effect on discretionary spending. In addition, enacting the bill would have no impact on direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 3237 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Justin Humphrey. This estimate was approved by Peter H. Fontaine, Assistant Director for Budget Analysis.
