OVERSIGHT PLAN FOR THE 112TH CONGRESS

Clause 1(d)(2)(E) of rule XI also requires that each committee provide a delineation of any hearings held pursuant to clauses 2(n), (o), or (p) of rule XI. Those clauses require the committee, or a subcommittee thereof, to hold at least one hearing on egregious instances of agency waste, fraud, and abuse, at least one hearing on agency financial statements, and one hearing on examples of waste, fraud, and abuse raised by the Comptroller General of the United States.

As part of the Committee's oversight and authorization of the intelligence community budget, the Committee conducts numerous classified hearings and briefings that focus on issues of potential

waste, fraud, and abuse in federal agencies. These Committee efforts resulted in the Intelligence Community Authorization Act of 2012, which has passed Congress and has been forwarded to the President for signature. This bill contained a detailed classified annex on all intelligence community programs and budgets. A review of potential waste, fraud, and abuse within these programs is an inextricable part of the development of the classified annex.
