Although the resolution waives all points of order against consideration of H.R. 3578, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against provisions in H.R. 3578, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against consideration of H.R. 3582, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against the amendment in the nature of a substitute consisting of the text of Rules Committee Print 112–10 dated January 25, 2012, includes a waiver of clause 7 of rule XVI, prohibiting non-germane amendments. When the Committee on the Budget ordered the bill reported, it included provisions not germane to the bill as introduced. This waiver is necessary because Rules Committee Print 112–10 consists of the text of the bill as reported by the Committee on the Budget.
