

PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 471)
TO REAUTHORIZE THE DC OPPORTUNITY SCHOLARSHIP
PROGRAM, AND FOR OTHER PURPOSES

MARCH 29, 2011.—Referred to the House Calendar and ordered to be printed

Mr. BISHOP of Utah, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 186]

The Committee on Rules, having had under consideration House Resolution 186, by a record vote of 7 to 2, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 471, the Scholarships for Opportunity and Results Act, under a structured rule. The resolution provides for one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Oversight and Government Reform. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment recommended by the Committee on Oversight and Government Reform now printed in the bill shall be considered as adopted. The resolution provides that the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution makes in order the amendment printed in this report, if offered by Delegate Norton of the District of Columbia or her designee, which shall be considered as read, and shall be debatable for 40 minutes equally divided and controlled by the proponent and an opponent. The resolution waives all points of order against the amendment printed in this report. Finally, the resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of the bill, the Committee is not aware of any points of

order against consideration. The waiver of all points of order against consideration is prophylactic.

The resolution waives of all points of order against provisions in the bill, as amended. The waiver of all points of order includes a waiver of clause 5(a) of rule XXI, which prohibits a bill carrying a tax provision from being reported by a committee that does not have jurisdiction to report tax measures. A provision in H.R. 471, as amended, states, “The amount of any scholarship (or other form of support provided to parents of an eligible student) under this Act shall not be treated as income of the parents for purposes of Federal tax laws or for determining eligibility for any other Federal program.” This is a tax provision and the Committee on Oversight and Government Reform does not have jurisdiction to report tax measures, thus a waiver of clause 5(a) of rule XXI is necessary.

Although the resolution waives all points of order against the amendment printed in this report, the Committee is not aware of any points of order against the amendment and therefore it is prophylactic in nature.
