PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 2578) TO AMEND THE
WILD AND SCENIC RIVERS ACT RELATED TO A SEGMENT OF THE
LOWER MERCED RIVER IN CALIFORNIA, AND FOR OTHER PURPOSES

JUNE 18, 2012.—Referred to the House Calendar and ordered to be printed

Mr. BISHOP of Utah, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 688]

The Committee on Rules, having had under consideration House Resolution 688, by a record vote of 7–3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2578, to amend the Wild and Scenic Rivers Act related to a segment of the Lower Merced River in California, and for other purposes, under a structured rule. The resolution provides 90 minutes of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for purpose of amendment the amendment in the nature of a substitute consisting of the text of Rules Committee Print 112-25 and provides that it shall be considered as read. The resolution waives all points of order against the amendment in the nature of a substitute. The resolution makes in order only those amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. Finally, the resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of the bill, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against the amendment in the nature of a substitute made in order as original text includes a waiver of clause 7 of rule XVI, prohibiting the consideration of non-germane amendments, because the amendment in the nature of a substitute contains provisions not germane to the bill.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
