REPORT

[To accompany H. Res. 257]

The Committee on Rules, having had under consideration House Resolution 257, by a record vote of 7 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1231, to amend the Outer Continental Shelf Lands Act to require that each 5-year offshore oil and gas leasing program offer leasing in the areas with the most prospective oil and gas resources, to establish a domestic oil and natural gas production goal, and for other purposes, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment recommended by the Committee on Natural Resources now printed in the bill shall be considered as adopted and that the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution makes in order only those amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments...
printed in this report are waived. Finally, the resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The resolution waives all points of order against consideration of the bill. This includes a waiver of clause 3(c)(4) of rule XIII, which requires the inclusion of general performance goals and objectives in a committee report.

Although the rule waives all points of order against provisions in the bill, as amended, the Committee is not aware of any points of order against its provisions. The waiver is prophylactic in nature.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order against the amendments and therefore the waiver is prophylactic in nature.
