R E P O R T

[To accompany H. Res. 266]

The Committee on Rules, having had under consideration House Resolution 266, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1947, the Federal Agriculture Reform and Risk Management Act of 2013. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Agriculture. The resolution waives all points of order against consideration of the bill. The resolution provides that after general debate, the Committee of the Whole shall rise without motion and no further consideration of the bill may be in order except pursuant to a subsequent order of the House.

Section 2 of the resolution provides for the consideration of H.R. 1797, the District of Columbia Pain-Capable Unborn Child Protection Act, under a closed rule. The resolution provides one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-15 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 1947 includes a waiver of section 302(f) of the Congressional Budget Act of 1974, which prohibits consideration of legislation providing new budget authority in excess of a committee's 302(a) allocation for the first fiscal year or the total of fiscal years.

The waiver of all points of order against consideration of H.R. 1797 includes a waiver of clause 3(d) of rule XIII, which requires the inclusion of a committee cost estimate.

Although the resolution waives all points of order against provisions in H.R. 1797, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
