Mr. SESSIONS, from the Committee on Rules,  
submitted the following

R E P O R T

[To accompany H. Res. 295]

The Committee on Rules, having had under consideration House Resolution 295, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2642, the Federal Agriculture Reform and Risk Management Act of 2013, under a closed rule. The resolution provides one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Agriculture. The resolution waives all points of order against consideration of the bill. The resolution provides that the bill shall be considered as read. The resolution waives all points of order against provisions in the bill. The resolution provides one motion to recommit.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of section 302(f) of the Congressional Budget Act of 1974, which prohibits consideration of legislation providing new budget authority in excess of a committee's 302(a) allocation for the first fiscal year. The waiver of all points of order against consideration of the bill may include a waiver of clause 11 of rule XXI, prohibiting the consideration of a bill or joint resolution which has not been reported by a committee until the third calendar day (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day) on which such measure has been available to Members, Delegates, and the Resident Commissioner. If the bill is considered before July 12, 2013, then the waiver of clause 11 of rule XXI would be applicable.

Although the rule waives all points of order against provisions in the bill, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
