

BLACK HILLS CEMETERY ACT

APRIL 9, 2013.—Committed to the Committee of the Whole House on the State of the Union and ordered to be printed

Mr. HASTINGS of Washington, from the Committee on Natural Resources, submitted the following

R E P O R T

[To accompany H.R. 291]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 291) to provide for the conveyance of certain cemeteries that are located on National Forest System land in Black Hills National Forest, South Dakota, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of H.R. 291 is to provide for the conveyance of certain cemeteries that are located on National Forest System land in Black Hills National Forest, South Dakota.

BACKGROUND AND NEED FOR LEGISLATION

The Black Hills Cemetery Act (H.R. 291) authorizes the Secretary of Agriculture to convey all right, title, and interest to a number of cemeteries currently located on National Forest System land in the Black Hills of South Dakota to the communities that currently manage and maintain the cemeteries. The legislation directs the Secretary to convey an additional two acres adjoining each cemetery parcel to ensure that the land includes unmarked graves and allow for future expansion. Total acreage conveyed under the legislation would be minimal. The communities would assume ownership of the property as-is.

COMMITTEE ACTION

H.R. 291 was introduced on January 15, 2013, by Congressman Kristi Noem (R–SD). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Public Lands and Environmental Regulation. On March 20, 2013, the Full Natural Resources Committee met to consider the bill. The Subcommittee on Public Lands and Environmental Regulation was discharged by unanimous consent. No amendments were offered to the bill, and the bill was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 291—Black Hills Cemetery Act

H.R. 291 would direct the Secretary of Agriculture to convey nine cemeteries and associated public lands in western South Dakota to local organizations for no consideration. CBO estimates that implementing H.R. 291 would have no significant impact on the federal budget. Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

Based on information from the Forest Service, CBO expects that the recipients of the affected lands would be required to pay for any surveying costs associated with the land conveyances. In addition, most of the lands to be conveyed under H.R. 291 are already used as cemeteries, and none of the affected lands are expected to generate receipts over the next 10 years.

H.R. 291 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending au-

thority, credit authority, or an increase or decrease in revenues or tax expenditures. CBO estimates that implementing H.R. 291 would have no significant impact on the federal budget.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to provide for the conveyance of certain cemeteries that are located on National Forest System land in Black Hills National Forest, South Dakota.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104-4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

1. Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

2. Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95-220, as amended by Public Law 98-169) as relating to other programs.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW

If enacted, this bill would make no changes in existing law.
