NOVEMBER 18, 2013.—Referred to the House Calendar and ordered to be printed

Mr. BISHOP of Utah, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 419]

The Committee on Rules, having had under consideration House Resolution 419, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1965, the Federal Lands Jobs and Energy Security Act, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-26 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution makes in order only those further amendments printed in part A of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amend-

ments printed in part A of this report. The rule provides one motion to recommit with or without instructions.

Section 2 of the resolution provides for consideration of H.R. 2728, the Protecting States' Rights to Promote American Energy Security Act, under a structured rule. The resolution provides one hour of general debate, with 40 minutes equally divided and controlled by the chair and ranking minority member of the Natural Resources and 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Science, Space, and Technology. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113-27 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution makes in order only those amendments printed in part B of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in part B of this report. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of H.R. 1965, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution waives all points of order against provisions in H.R. 1965, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

COMMITTEE VOTES

The results of each record vote on an amendment or motion to report, together with the names of those voting for and against, are printed below:

Rules Committee record vote No. 89

Motion by Mr. Polis to make in order and provide the appropriate waivers for amendment #11 to H.R. 1965, offered by Rep. Polis (CO) and Rep. Napolitano (CA), which requires the Director of the United States Geological Survey to study and prepare a report regarding the potential impacts of oil shale leasing on the quantity and quality of water available for agricultural and municipal use in Colorado, Utah, and Wyoming and amendment #6 to H.R. 2728, offered by Rep. Polis (CO), which eliminates a loophole in the Clean Air Act under which oil and gas exploration and production activities are exempt from complying with the Clean Air Act's aggregation requirement and adds hydrogen sulfide to the federal list of hazardous air pollutants. Defeated: 3-9.
