

AMERICAN BATTLEFIELD PROTECTION PROGRAM
AMENDMENTS ACT OF 2013

APRIL 9, 2013.—Committed to the Committee of the Whole House on the State of
the Union and ordered to be printed

Mr. HASTINGS of Washington, from the Committee on Natural
Resources, submitted the following

R E P O R T

[To accompany H.R. 1033]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 1033) to authorize the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812 under the American Battlefield Protection Program, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of H.R. 1033 is to authorize the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812 under the American Battlefield Protection Program.

BACKGROUND AND NEED FOR LEGISLATION

The American Battlefield Protection Act of 1996 was enacted to preserve and protect historically significant battlefields associated with the Civil War. The law directs the Secretary of the Interior, acting through the American Battlefield Protection Program, to encourage, support, and assist in identifying, researching, evaluating, interpreting, and protecting historic Civil War battlefields and associated sites on a national, State, and local level.

The American Battlefield Protection Act of 1996 primarily addressed the preservation and protection of Civil War battlefields through conservation easements, or through the purchase of land from willing sellers. It placed an emphasis on creating partnerships

among State and local governments, regional entities, and the private sector to preserve, conserve, and enhance these nationally significant battlefields. The authorization of appropriations for this Act expired in 2008, but was reauthorized through 2013 as part of the Omnibus Public Land Management Act of 2009.

In September 2007, the National Park Service completed a “Report to Congress on the Historic Preservation of Revolutionary War and War of 1812 Sites in the United States.” The report examined 243 battlefields and 434 historic properties in 31 States, the District of Columbia, and the Virgin Islands. Like a similar Civil War report, it inventoried and identified nationally significant conflict sites and noted areas that could be impacted by development. H.R. 1033 amends section 7301 of the Omnibus Public Land Management Act of 2009, which reauthorized the American Battlefield Protection Act, to authorize a similar funding program for Revolutionary War and War of 1812 battlefields, to assist in purchasing these sites through the American Battlefield Protection Program.

The legislation includes language adopted in the 112th Congress to limit the authorization of appropriations to five years and limit the total annual appropriations to its current authorized level of \$10 million a year that would be divided between Civil War and Revolutionary War sites. The fiscal year 2012 appropriation for the program was \$9 million. The bill also includes a provision to prohibit funds from being used or distributed to organizations which participate in lobbying.

COMMITTEE ACTION

H.R. 1033 was introduced on March 7, 2013, by Congressman Rush Holt (D–NJ). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Public Lands and Environmental Regulation. On March 20, 2013, the Full Natural Resources Committee met to consider the bill. The Subcommittee on Public Lands and Environmental Regulation was discharged by unanimous consent. No amendments were offered to the bill, and the bill was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources’ oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that Rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Com-

mittee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 1033—American Battlefield Protection Program Amendments Act of 2013

Summary: H.R. 1033 would expand the American Battlefield Protection Program to include battlefields from the Revolutionary War and the War of 1812 and would authorize the appropriation of \$10 million a year over the 2014–2018 period for this program. For 2013, about \$9 million was appropriated for this program. The amounts authorized for each year would be used to provide financial assistance to state or local governments to purchase land that has been identified by the National Park Service as eligible for protection through the program but is not contained within the boundaries of a unit of the National Park System.

Assuming appropriation of the newly authorized amounts, CBO estimates that implementing H.R. 1033 would cost \$46 million over the 2014–2018 period and about \$4 million after 2018. Enacting H.R. 1033 would not affect revenues or direct spending; therefore, pay-as-you-go procedures do not apply.

H.R. 1033 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA) and would impose no costs on state, local, or tribal governments.

Estimated cost to the Federal Government: The estimated budgetary impact of H.R. 1033 is shown in the following table. The costs of this legislation fall within budget function 300 (natural resources and environment).

	By fiscal year, in millions of dollars—					
	2014	2015	2016	2017	2018	2014–2018
CHANGES IN SPENDING SUBJECT TO APPROPRIATION						
Authorization Level	10	10	10	10	10	50
Estimated Outlays	6	10	10	10	10	46

Basis of estimate: For this estimate, CBO assumes that H.R. 1033 will be enacted during fiscal year 2013 and that the amounts authorized by the bill will be appropriated in each year. Estimated outlays are based on historical spending patterns.

Pay-As-You-Go considerations: None.

Intergovernmental and private-sector impact: H.R. 1033 contains no intergovernmental or private-sector mandates as defined in UMRA and would impose no costs on state, local, or tribal governments. The bill would modify an existing grant for the preservation of battlefield sites and would benefit state and local governments. Any costs to those governments would be incurred voluntarily as a condition of federal assistance.

Estimate prepared by: Federal Costs: Martin von Gnechten; Impact on State, Local, and Tribal Governments: Melissa Merrell; Impact on the Private Sector: Amy Petz.

Estimate approved by: Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new credit authority, or an increase

or decrease in revenues or tax expenditures. Assuming appropriation of newly authorized amounts, CBO estimates that implementing H.R. 1033 would cost \$46 million over the 2014–2018 period and about \$4 million after 2018.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to authorize the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812 under the American Battlefield Protection Program.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169) as relating to other programs.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, existing law in which no change is proposed is shown in roman):
