APRIL 1, 2014.—Referred to the House Calendar and ordered to be printed.

Mr. BURGESS, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 530]

The Committee on Rules, having had under consideration House Resolution 530, by a record vote of 8 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2575, the Save American Workers Act of 2014, under a closed rule. The resolution provides three hours of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment in the nature of a substitute recommended by the Committee on Ways and Means now printed in the bill shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes waivers of the following:

- Clause 10 of rule XXI, prohibiting the consideration of a bill if it has the net effect of increasing mandatory spending over the five-year or ten-year period.
- Section 302(f) of the Congressional Budget Act, prohibiting consideration of legislation providing new budget authority in excess of a 302(a) or 302(b) allocation of such authority.

- Section 303 of the Congressional Budget Act, prohibiting consideration of legislation, as reported, providing new budget authority, change in revenues, change in public debt, new entitlement authority or new credit authority for a fiscal year until the budget resolution for that year has been agreed to.

- Section 311 of the Congressional Budget Act, prohibiting consideration of legislation that would cause the level of total new budget authority for the first fiscal year to be exceeded, or would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

- Section 604 of H. Con. Res. 25, prohibiting the consideration of legislation reported by a committee (other than the Committee on Appropriations) if the provisions of such measure have the net effect of increasing direct spending in excess of \$5 billion for any of the four consecutive ten fiscal-year periods beginning with fiscal year 2024.

Although the resolution waives all points of order against provisions in the bill, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
