EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 5771 includes a waivers of the following:

- Section 302(f) of the Congressional Budget Act of 1974, which prohibits consideration of legislation providing new budget authority in excess of a committee's 302(a) allocation;
- Section 311 of the Congressional Budget Act of 1974, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided; and
- Clause 10 of rule XXI, which prohibits the consideration of legislation if it has the net effect of increasing mandatory spending over the five or ten-year period. The waiver is necessary because the bill increases direct spending over the five and ten-year periods.

Although the resolution waives all points of order against provisions in H.R. 647, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
