R E P O R T

[To accompany H. Res. 260]

The Committee on Rules, having had under consideration House
Resolution 260, by a record vote of 8 to 3, report the same to the
House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for further consideration of H.R. 1735,
the National Defense Authorization Act for Fiscal Year 2016, under
a structured rule. The resolution provides that no further general
debate shall be in order.

Section 2 of the resolution makes in order as original text for
purpose of amendment an amendment in the nature of a substitute
consisting of the text of Rules Committee Print 114-14 and pro-
vides that it shall be considered as read. The resolution waives all
points of order against that amendment in the nature of a sub-
stitute. The resolution makes in order only those further amend-
ments printed in this report and amendments en bloc described in
section 3 of the resolution. Each such amendment printed in this
report may be offered only in the order printed, may be offered only
by a Member designated in this report, shall be considered as read,
shall be debatable for the time specified in this report equally di-
vided and controlled by the proponent and an opponent, shall not
be subject to amendment, and shall not be subject to a demand for
division of the question in the House or in the Committee of the
Whole. The resolution waives all points of order against the amend-
ments printed in this report or against amendments en bloc de-
scribed in section 3 of the resolution.

Section 3 of the resolution provides that it shall be in order at
any time for the chair of the Committee on Armed Services or his

designee to offer amendments en bloc consisting of amendments printed in this report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Section 4 of the resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the amendment in the nature of a substitute includes waivers of the following:

- Clause 7 of rule XVI, which requires that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. It is important to note that while the waiver is necessary, Rules Committee Print 114–14 contains the text of H.R. 1735 as reported.
- Section 306 of the Congressional Budget Act, prohibiting consideration of a bill dealing with any matter within the jurisdiction of the Committee on the Budget unless it is a bill or resolution which has been reported by the Committee on the Budget.
- Section 311 of the Congressional Budget Act of 1974, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

23. AN AMENDMENT TO BE OFFERED BY REPRESENTATIVE ROHR-ABACHER OF CALIFORNIA OR HIS DESIGNEE, DEBATABLE FOR 10 MINUTES

At the end of subtitle B of title XII, add the following:

SEC. 12xx. SENSE OF CONGRESS RELATING TO DR. SHAKIL AFRIDI.

- (a) **FINDINGS.**—Congress finds the following:
- (1) The attacks of September 11, 2001, killed approximately 3,000 people, most of whom were Americans, but also included hundreds of individuals with foreign citizenships, nearly 350 New York Fire Department personnel, and about 50 law enforcement officers.
 - (2) Downed United Airlines flight 93 was reportedly intended, under the control of the al-Qaeda high-jackers, to crash into the White House or the Capitol in an attempt to kill the

President of the United States or Members of the United States Congress.

(3) The September 11, 2001, attacks were largely planned and carried out by the al-Qaeda terrorist network led by Osama bin Laden and his deputy Ayman al Zawahiri, after which Osama bin Laden enjoyed safe haven in Pakistan from where he continued to plot deadly attacks against the United States and the world.

(4) The United States has obligated nearly \$30 billion between 2002 and 2014 in United States taxpayer money for security and economic aid to Pakistan.

(5) The United States very generously and swiftly responded to the 2005 Kashmir Earthquake in Pakistan with more than \$200 million in emergency aid and the support of several United States military aircraft, approximately 1,000 United States military personnel, including medical specialists, thousands of tents, blankets, water containers and a variety of other emergency equipment.

(6) The United States again generously and swiftly contributed approximately \$150 million in emergency aid to Pakistan following the 2010 Pakistan flood, in addition to the service of nearly twenty United States military helicopters, their flight crews, and other resources to assist the Pakistan Army's relief efforts.

(7) The United States continues to work tirelessly to support Pakistan's economic development, including millions of dollars allocated towards the development of Pakistan's energy infrastructure, health services and education system.

(8) The United States and Pakistan continue to have many critical shared interests, both economic and security related, which could be the foundation for a positive and mutually beneficial partnership.

(9) Dr. Shakil Afridi, a Pakistani physician, is a hero to whom the people of the United States, Pakistan and the world owe a debt of gratitude for his help in finally locating Osama bin Laden before more innocent American, Pakistani and other lives were lost to this terrorist leader.

(10) Pakistan, the United States and the international community had failed for nearly 10 years following attacks of September 11, 2001, to locate and bring Osama bin Laden, who continued to kill innocent civilians in the Middle East, Asia, Europe, Africa and the United States, to justice without the help of Dr. Afridi.

(11) The Government of Pakistan's imprisonment of Dr. Afridi presents a serious and growing impediment to the United States' bilateral relations with Pakistan.

(12) The Government of Pakistan has leveled and allowed baseless charges against Dr. Afridi in a politically motivated, spurious legal process.

(13) Dr. Afridi is currently imprisoned by the Government of Pakistan, a deplorable and unconscionable situation which calls into question Pakistan's actual commitment to countering terrorism and undermines the notion that Pakistan is a true ally in the struggle against terrorism.

(b) SENSE OF CONGRESS.—It is the sense of Congress that Dr. Shakil Afridi is an international hero and that the Government of Pakistan should release him immediately from prison.

(1) by redesignating section 47 (15 U.S.C. 631 note) as section 48; and

“(D) disputes between the third party agent and an offeror may not be used to justify a determination that an offeror is not a responsible source (as defined in section 113 of title 41, United States Code) or to otherwise restrict the ability of an offeror to compete for the award of such a contract or task or delivery order.

“(c) DEFINITIONS.—In this section:

SEC. 844. SENSE OF CONGRESS ON PROCUREMENT OF FIRE HOSES.

(a) FINDINGS.—

(1) The General Services Administration has historically procured specialized fire hoses designed for combating wildfires used by the Forest Service.

(2) A memorandum of agreement was signed on February 5, 2014, by the Administrator of General Services and the Director of the Defense Logistics Agency designating the Defense Logistics Agency as the integrated material manager and source of supply for such fire hoses.

(3) While the intent of this agreement was to secure efficiencies in procurement and cost savings for the Government, the transfer of procurement authority to the Department of Defense had the unintentional effect of requiring all suppliers of such fire hoses to comply with the domestic sourcing requirements of section 2533a of title 10, United States Code, also known as the Berry Amendment.

(4) There is currently only one known provider of such fire hoses and that provider is not fully compliant with the domestic sourcing requirements of the Berry Amendment.

(5) As a result of the designation of the Defense Logistic Agency as the integrated material manager for the procurement of such fire hoses and the new requirement for compliance with the Berry Amendment, the Forest Service does not anticipate the ability to procure the necessary number of fire hoses before the fire season begins in early June and is currently facing a shortfall of 56,000 hoses out of the 93,000 required. According to the Chief of the Forest Service, this shortfall represents a critical risk to a number of States that are likely to experience a season of above average wildfire activity.

(6) During the period of May 1, 2014, through May 5, 2015, less than 9 percent of quantities of such hoses purchased by the Defense Logistics Agency were procured for the purposes of the Department of Defense.

(b) SENSE OF CONGRESS.—Based on the findings in subsection (a), it is the sense of Congress that procurement authority for specialized fire hoses for the United States Forest Service should be reestablished as an activity of the General Services Administration.
