PURPOSE AND SUMMARY

The purpose of H.R. 1615 is to direct the Chief FOIA Officer of the Department of Homeland Security to make certain improvements in the implementation of section 552 of title 5, United States Code (commonly known as the Freedom of Information Act), and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

The Department of Homeland Security (DHS) receives and processes the most Freedom of Information Act (FOIA) requests out of any federal department. As reported by the Government Accountability Office in November 2014, DHS also faces the largest backlog of unprocessed FOIA requests of any federal agency—roughly half of the total number for all federal agencies (GAO-15-82). This legislation requires a more streamlined approach to the processing of FOIA requests, which should aid in backlog reduction. This legislation also provides greater transparency by requiring clearer accounting of costs associated with the FOIA process.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

Hon. MICHAEL MCCAUL,
Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 1615, the DHS FOIA Efficiency Act of 2015.
If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Mark Grabowicz.
Sincerely,

KEITH HALL

Enclosure.

H.R. 1615—DHS FOIA Efficiency Act of 2015

H.R. 1615 would require the Department of Homeland Security (DHS) to update regulations that implement the Freedom of Information Act (FOIA), identify the costs of complying with that act, streamline the process for implementing certain FOIA provisions, and attempt to reduce the backlog in processing FOIA requests. Because there are ongoing efforts within DHS to carry out the actions required by the bill, CBO estimates that implementing H.R. 1615 would not significantly affect DHS spending. Enacting the legislation would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 1615 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Mark Grabowicz. The estimate was approved by Theresa Gullo, Assistant Director for Budget Analysis.

STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

H.R. 1615 requires the Chief FOIA Officer of the Department of Homeland Security to do the following:
1. Not later than 90 days after the enactment of this Act, finalize and issue updated FOIA regulations;
2. Not later than 90 days after the enactment of this Act, identify the total annual cost to the Department of Homeland Security for implementing FOIA;
3. Develop guidance on reporting standards related to direct and indirect costs associated with the processing of FOIA requests;

6. Include in the Semiannual Privacy Report information regarding costs associated with processing FOIA requests, an assessment of the progress made toward meeting the backlog goal, an assessment of whether the Department has adequate staffing and resources to address the backlog.
goal, and an assessment of the progress made towards automating the processing of FOIA requests;

7. Include in the second Semiannual Privacy Report for fiscal year 2016 the developed plan and any identified cost savings associated with automating the processing of FOIA requests.

**DUPLICATIVE FEDERAL PROGRAMS**

Pursuant to clause 3(c) of rule XIII, the Committee finds that H.R. 1615 does not contain any provision that establishes or reauthorizes a program known to be duplicative of another Federal program.

**CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS**

In compliance with rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of the rule XXI.

**FEDERAL MANDATES STATEMENT**

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

**PREEMPTION CLARIFICATION**

In compliance with section 423 of the Congressional Budget Act of 1974, requiring the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt State, local, or Tribal law, the Committee finds that H.R. 1615 does not preempt any State, local, or Tribal law.

**DISCLOSURE OF DIRECTED RULE MAKINGS**

The Committee estimates that H.R. 1615 would require no directed rule makings.

**ADVISORY COMMITTEE STATEMENT**

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.
