PURPOSE AND SUMMARY

The purpose of H.R. 1640 is to direct the Secretary of Homeland Security to submit to Congress a report on the Department of Homeland Security headquarters consolidation project in the National Capital Region, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

The Department of Homeland Security’s (DHS) headquarters consolidation project at the St. Elizabeths Campus has experienced schedule delays and cost overruns, funding shortfalls, and will cost more, be narrower in scope, and take longer to complete than DHS originally estimated. This bill codifies recommendations made by the Government Accountability Office (GAO) to ensure the Department uses best practices for capital decision-making as they continue with the consolidation project. This legislation is important because comprehensive plans, project costs, and schedule estimates inform Congress’s funding decisions and affect the agencies’ abilities to effectively allocate resources.

COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires the Committee to list the recorded votes on the motion to report legislation and amendments thereto.

No recorded voted were requested during consideration of H.R. 1460.

COMMITTEE OVERSIGHT FINDINGS

Pursuant to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee has held oversight hearings and made findings that are reflected in this report.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee finds that H.R. 1640, the Department of Homeland Security Headquarters Consolidation Accountability Act of 2015, would result in no new or increased budget authority, entitlement authority, or tax expenditures or revenues.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

The Committee adopts as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 3, 2015.

Hon. Michael McCaul,
Chairman, Committee on Homeland Security,
House of Representatives, Washington, DC.

Dear Mr. Chairman: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 1640, the Department of

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Mark Grabowicz.

Sincerely,

KEITH HALL,
Director.

Enclosure.

H.R. 1640 would require the Department of Homeland Security (DHS) to prepare a report to the Congress on the DHS headquarters consolidation project within the national capital region, including updated timelines and cost estimates. The bill also would require the Government Accountability Office (GAO) to review the DHS estimates of project costs and schedules and report its findings to the Congress.

Based on the cost of similar activities, CBO estimates that implementing H.R. 1640 would cost less than $500,000, assuming the availability of appropriated funds. Much of the information needed for the DHS and GAO reports has already been compiled. Because enacting the legislation would not affect direct spending or revenues, pay-as-you-go procedures do not apply.

H.R. 1640 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Mark Grabowicz. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, H.R. 1640 contains the following general performance goals and objectives, including outcome related goals and objectives authorized.

This bill directs the Secretary of Homeland Security to submit to Congress a report on the Department of Homeland Security headquarters consolidation project in the National Capital Region, to include:

1. Proposed occupancy plan to be included in project;
2. Assessment of current and future real property needed by the Department in the National Capital Region;
3. Current plan for construction of the consolidation project;
4. Estimates for costs and schedule for the project;
5. Estimated cost savings of re-scoping the project;
6. Assessment of the current and future real estate property of the Department remaining in the leased portfolio in the National Capital Region; and
7. List of alternatives considered by the Department during the development of the current consolidation plan.

This bill requires the Comptroller General of the United States to review the updated cost and schedule estimates to evaluate quality and reliability.
DUPLICATIVE FEDERAL PROGRAMS

Pursuant to clause 3(c) of rule XIII, the Committee finds that H.R. 1640 does not contain any provision that establishes or reauthorizes a program known to be duplicative of another Federal program.

CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

In compliance with rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of the rule XXI.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

PREEMPTION CLARIFICATION

In compliance with section 423 of the Congressional Budget Act of 1974, requiring the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt State, local, or Tribal law, the Committee finds that H.R. 1640 does not preempt any State, local, or Tribal law.

DISCLOSURE OF DIRECTED RULE MAKINGS

The Committee estimates that H.R. 1640 would require no directed rule makings.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Section 2(a). Report on Department of Homeland Security Headquarters Consolidation Project

Section 2(a) requires the Secretary of Homeland Security, in coordination with the Administrator of General Services, to submit to
Congress a report on DHS’s headquarters consolidation project. Specifically, this report should include the following items associated with consolidation at the St. Elizabeth’s campus:

1. A current list of components/offices to be included at the Headquarters;
2. A comprehensive assessment of the current and future real property being considered for consolidation;
3. An analysis of the difference between current and needed capital assets and facilities;
4. A current plan for construction of the St. Elizabeth’s campus that includes the estimated:
   a. costs and schedule for the current plan; and
   b. cost savings of reducing the scope of the project.
5. A current plan for the leased portfolio of the Department; and

Section 2(b). Update of cost and schedule estimates

Section 2(b) requires the Secretary of Homeland Security, in coordination with the Administrator of General Services, to update the cost and schedule estimates for the parts of the project that are not yet complete. The legislation provides 180 days for reporting to enable the DHS and GSA Secretary and the Administrator adequate time to collaborate on a complete submission. The General Service Administration manages and executes development activities on behalf of the Department of Homeland Security; however, the Department of Homeland Security is responsible for budgeting tenant transition costs as appropriate, and for overseeing tenant funds.

Section 2(c). GAO review

Section 2(c) requires the Comptroller General of the United States to review the Department’s updated cost and schedule estimates to evaluate their reliability and quality.

Section 2(d). Definitions

Section 2(d) defines “National Capital Region” and “appropriate committees of Congress.”
