

PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 427) TO AMEND CHAPTER 8 OF TITLE 5, UNITED STATES CODE, TO PROVIDE THAT MAJOR RULES OF THE EXECUTIVE BRANCH SHALL HAVE NO FORCE OR EFFECT UNLESS A JOINT RESOLUTION OF APPROVAL IS ENACTED INTO LAW; PROVIDING FOR PROCEEDINGS DURING THE PERIOD FROM JULY 30, 2015, THROUGH SEPTEMBER 7, 2015; AND FOR OTHER PURPOSES

JULY 27, 2015.—Referred to the House Calendar and ordered to be printed

Mr. COLLINS, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 380]

The Committee on Rules, having had under consideration House Resolution 380, by a record vote of 8 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 427, the Regulations From the Executive in Need of Scrutiny Act of 2015, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill modified by the amendment printed in part A of this report, and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in part B of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or the Committee of the Whole. The resolution waives all points of order against the amendments print-

ed in part B of this report. The resolution provides one motion to recommit with or without instructions.

Section 2 of the resolution provides that on any legislative day during the period from July 30, 2015 through September 7, 2015: the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment.

Section 3 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 2 of the resolution as though under clause 8(a) of rule I.

Section 4 of the resolution provides that each day during the period addressed by section 2 of the resolution shall not constitute a calendar day for purposes of section 7 of the War Powers Resolution (50 U.S.C. 1546).

Section 5 of the resolution provides that each day during the period addressed by section 2 of the resolution shall not constitute a legislative day for purposes of clause 7 of rule XIII (resolutions of inquiry).

Section 6 of the resolution provides that it shall be in order at any time on the legislative day of July 30, 2015, for the Speaker to entertain motions that the House suspend the rules as though under clause 1 of rule XV, and that the Speaker or his designee shall consult with the Minority Leader or her designee on the designation of any matter for consideration pursuant to this section.

Section 7 of the resolution waives the requirement of clause 6(a) of rule XIII for a two-thirds vote to consider a report from the Committee on Rules on the same day it is presented to the House with respect to any resolution reported through the legislative day of July 30, 2015.

Section 8 of the resolution addresses access to the House Chamber for the joint meeting to be held on September 24, 2015. Traditionally, those persons who are granted floor privileges under rule IV of the rules of the House have been allowed to attend joint meetings in the House chamber. This section is necessary because there are concerns that attendance at the joint meeting for Pope Francis on September 24, 2015 will exceed the capacity of the chamber to hold a safe and dignified event.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 3(e)(1) of rule XIII (“Ramseyer”), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on the Judiciary was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against the amendment in the nature of a substitute made in order as original text, the Committee is not aware of any points of order. The waiver is phylogenetic in nature.

Although the resolution waives all points of order against the amendments printed in part B of this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
