## R E P O R T

[To accompany H. Res. 134]

The Committee on Rules, having had under consideration House Resolution 134, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 749, the Passenger Rail Reform and Investment Act of 2015, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Transportation and Infrastructure. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114-9 and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.

Section 2 of the resolution provides that on any legislative day during the period from March 6, 2015, through March 13, 2015: the

Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment.

Section 3 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 2.

Section 4 of the resolution provides that at any time through the legislative day of March 13, 2015, the Chair may postpone further consideration of a measure in the House to such time as may be designated by the Speaker.

#### EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 3(e)(1) of rule XIII (Ramseyer), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected.

This waiver is necessary because the submission provided by the committees was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

Although the resolution waives all points of order against the amendment in the nature of a substitute made in order as original text, the committee is not aware of any points of order. The waiver of all points of order is prophylactic in nature.

Although the resolution waives all points of order against the amendments printed in this report, the committee is not aware of any points of order. The waiver of all points of order is prophylactic in nature.
