Purpose and Summary

S. 125, the “Bulletproof Vest Partnership Grant Act of 2015,” (the “Act”) amends the Omnibus Crime Control and Safe Streets

Act of 1968 to extend through FY2020 the grant program for armored vests for law enforcement officers. The Act was previously authorized but the authorization lapsed in 2012, though it has received annual appropriations since 2012.

Background and Need for the Legislation

Since 1999, the Bulletproof Vest Partnership Grant (BVP) program has awarded more than 13,000 jurisdictions a total of \$393 million in Federal funds for the purchase of over one million vests (1,197,348 as of December, 2014). BVP is a critical resource for state and local jurisdictions that saves lives. Based on data collected and recorded by the Department of Justice (DOJ), in FY 2012, protective vests were directly attributable to saving the lives of at least 33 law enforcement and corrections officers in 20 different states, an increase of 13.7% over FY 2011. At least 14 of those life-saving vests had been purchased, in part, with BVP funds. Awarded funds may only be used for the latest National Institute of Justice (NIJ)-compliant armored vests.

Many agencies from throughout the country have received this money. The BVP program was previously authorized at \$50 million per year. Despite its authorization expiring at the end of FY 2012, the program has continued to be appropriated at \$22.5 million per year. This bill authorizes the fund at \$25 million per year and extends the authorization through 2020.

Hearings

The Committee on the Judiciary held no hearings on S. 125.

Committee Consideration

On April 20, 2016, the Committee met in open session and ordered the bill S. 125 favorably reported, without amendment, by voice vote, a quorum being present.

Committee Votes

In compliance with clause 3(b) of rule XIII of the Rules of the House of Representatives, the Committee advises that there were no recorded votes during the Committee's consideration of S. 125.

Committee Oversight Findings

In compliance with clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee advises that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated in the descriptive portions of this report.

New Budget Authority and Tax Expenditures

Clause 3(c)(2) of rule XIII of the Rules of the House of Representatives is inapplicable because this legislation does not provide new budgetary authority or increased tax expenditures.

Congressional Budget Office Cost Estimate

In compliance with clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, the Committee sets forth, with respect to the bill, S. 125, the following estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, May 6, 2016.

**S. 125—Bulletproof Vest Partnership Grant Program
Reauthorization Act of 2015.**

As ordered reported by the House Committee on the Judiciary
on April 20, 2016.

SUMMARY

S. 125 would authorize the appropriation of \$25 million annually over the 2016–2020 period for the Bulletproof Vest Partnership Grant program. Under this program, the Department of Justice makes grants to State, local, and tribal law enforcement agencies to purchase bulletproof vests.

Assuming appropriation of the authorized amounts, CBO estimates that implementing S. 125 would cost \$80 million over the 2016–2021 period. Pay-as-you-go procedures do not apply to this legislation because enacting it would not affect direct spending or revenues.

CBO estimates that enacting S. 125 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

S. 125 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA).

ESTIMATED COST TO THE FEDERAL GOVERNMENT

The estimated budgetary impact of S. 125 is shown in the following table. The costs of this legislation fall within budget function 750 (administration of justice).

By Fiscal Year, in Millions of Dollars

	2016	2017	2018	2019	2020	2021	2016– 2021
INCREASES IN SPENDING SUBJECT TO APPROPRIATION							
Authorization Level ¹	3	25	25	25	25	0	103
Estimated Outlays	0	6	14	18	22	20	80

1. The act would authorize the appropriation of \$25 million for 2016 for the Bulletproof Vest Partnership Grant program. The Congress has already appropriated \$22.5 million for that program for 2016.

BASIS OF ESTIMATE

For this estimate, CBO assumes that S. 125 will be enacted in 2016, that the specified amounts will be appropriated each year (except for 2016), and that outlays will follow the historical rate of spending for the authorized program. The Congress appropriated \$22.5 million for the Bulletproof Vest Partnership Grant program for fiscal year 2016; thus, we estimate that the act would authorize additional funding of \$2.5 million for that year.

PAY-AS-YOU-GO CONSIDERATIONS

None.

INTERGOVERNMENTAL AND PRIVATE-SECTOR IMPACT

S. 125 contains no intergovernmental or private-sector mandates as defined in UMRA. Assuming appropriation of the authorized amounts, State, local, and tribal governments would receive \$103 million to purchase bulletproof vests. Any costs to those governments would be incurred voluntarily as a condition of receiving Federal assistance.

PREVIOUS CBO ESTIMATE

On April 6, 2015, CBO transmitted a cost estimate for S. 125 as reported by the Senate Committee on the Judiciary on March 26, 2015. That version of the legislation would provide \$30 million annually over the 2016–2020 period for the Bulletproof Vest Partnership Grant program. Differences in the budgetary effects of the two versions of the legislation reflect the fact that since the last estimate was prepared, \$22.5 million was appropriated for the program for 2016.

Duplication of Federal Programs

No provision of S. 125 establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

Disclosure of Directed Rule Makings

The Committee estimates that S. 125 specifically directs to be completed no specific rule makings within the meaning of 5 U.S.C. § 551.

Performance Goals and Objectives

The Committee states that pursuant to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, S. 125 will protect police officers' lives throughout the country by providing a grant program for bulletproof vests.

Advisory on Earmarks

In accordance with clause 9 of rule XXI of the Rules of the House of Representatives, S. 125 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of Rule XXI.

Section-by-Section Analysis

Section 1—Bill Title. This section sets forth the short title of the bill as the “Bulletproof Vest Partnership Grant Program Reauthorization Act of 2015.”

Section 2—Authorization. This section reauthorizes the Bulletproof Vest Partnership Grant Program for fiscal years 2016 through 2020 at \$25,000,000 each year. The Program’s previous authorization expired in fiscal year 2012.

Section 3—Expiration of Previously Appropriated Funds. A 2012 GAO Report identified a \$30 million unobligated, undisbursed balance in the account at DOJ’s Office of Justice Programs. Since then, all BVP balances older than two fiscal years (approximately \$17 million) were de-obligated and applied to the FY13 rescission. This section provides a mechanism to prevent a future backlog. It requires that any funds not obligated by December 31, 2022, be transferred to the General Fund of the Treasury not later than January 31, 2023. The roughly 2 year buffer between authorization expiring and funds being returned to Treasury conforms to the 2 year use period provided to grantees under DOJ regulations.

Section 4—Sense of Congress on Two-Year Limitation on Funds. This section is a Sense of Congress that funds appropriated for this program should be used within 2 years of the appropriation. This section is to encourage DOJ to use BVP funds within 2 years. DOJ

has already implemented GAO's recommendations to prevent future undisbursed balances.

Section 5—Matching Funds Limitation. This section prohibits grantees from using other Federal funds as their matching funds. This codifies DOJ practice which disallows grant recipients from using Federal money to pay for the matching funds requirement.

Section 6—Requirements for Vests or Body Armor Purchased with Federal Funds. This section requires that vests purchased through this program comply with requirements set forth by the partnership, and that law enforcement agencies have written mandatory wear policies and use funds to purchase vests that meet any performance standards established by the Director of the Bureau of Justice Assistance.

Section 7—Uniquely Fitted Vests. This section adds to the list of existing grant priorities vests that are uniquely fitted for officers, including vests uniquely fitted to individual female officers.
