JULY 7 (legislative day, JULY 6), 2016.—Referred to the House Calendar and ordered to be printed

Mr. BYRNE, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 809]

The Committee on Rules, having had under consideration House Resolution 809, by a record vote of 8 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of the conference report to accompany S. 524, the Comprehensive Addiction and Recovery Act of 2016. The resolution waives all points of order against the conference report and against its consideration. The resolution provides that the conference report shall be considered as read. The resolution provides that the previous question shall be considered as ordered without intervention of any motion except one hour of debate and one motion to recommit if applicable. Debate on the conference report is divided pursuant to clause 8(d) of rule XXII.

Section 2 of the resolution provides that the House has taken S. 2943, the National Defense Authorization Act for Fiscal Year 2017, from the Speaker's table, adopts an amendment in the nature of a substitute consisting of the text of H.R. 4909 as passed by the House, and adopts S. 2943, as amended. The resolution provides that the chair of the Committee on Armed Services or his designee is authorized to move that the House insist on its amendment to S. 2943 and request a conference with the Senate thereon.

EXPLANATION OF WAIVERS

The waiver of all points of order against the conference report to accompany S. 524 and its consideration includes a waiver of the following:

- Clause 9 of rule XXII, which prohibits the inclusion of matter in a conference report not committed to the conference by either House;
- Clause 10 of rule XXI, which prohibits the consideration of a bill if it has the net effect of increasing mandatory spending over the five-year or ten-year period. Based on the preliminary estimate provided by the Congressional Budget Office the conference report violates the rule over the five-year period and reduces direct spending by \$72 million over the ten-year period; and
- Section 311 of the Congressional Budget Act of 1974, prohibiting consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided. The violation is based on a preliminary estimate provided by the Congressional Budget Office.
