PURPOSE AND SUMMARY

H.R. 3286, the “Honoring Investments in Recruiting and Employing American Military Veterans Act of 2015,” was introduced by Representative Paul Cook of California on July 29, 2015. H.R. 3286, as amended, would require the Department of Labor to establish an Honoring Investments in Recruiting and Employing American Military Veterans (HIRE) Vets Medallion Program to solicit voluntary information from employers for purposes of recognizing, by the award of a HIRE Vets Medallion, verified efforts by these employers to: (1) recruit, employ, and retain veterans; and (2)
provide community and charitable services supporting the veteran community.

BACKGROUND AND NEED FOR LEGISLATION

Employment of veterans has been a central focus of the Committee. This was especially demonstrated in 2011 with the passage of the VOW to Hire Heroes Act (title II of P.L. 112–56, 125 Stat. 711, 712), which created training opportunities and education programs for 100,000 veterans who were out of work; improved licensing and credentialing opportunities for veterans; improved tax credits for businesses hiring veterans; and implemented many other provisions to help veterans gain meaningful employment.

The Committee understands that no government-funded program can single-handedly improve veterans’ employment prospects by itself. Rather, it takes commitment and action from the private sector to value the benefits of hiring veterans. On September 13, 2011, the Committee hosted a veterans’ employment summit where business leaders from across the country came together to share their best practices and strategies for recruiting and retaining veterans. During this summit, each participant signed a veterans’ employment pledge, solidifying their collective efforts to reduce the national unemployment rate for veterans to less than 5 percent. Since the 2011 summit, the Subcommittee on Economic Opportunity has continued to highlight companies and sectors of the economy that are hiring veterans and are actively engaged in their commitment to reduce the veteran unemployment rate.

Thanks to the combined efforts of this Committee, the Department of Labor, states, and the private sector, the veteran unemployment rate has dramatically decreased since 2011. According to the U.S. Bureau of Labor Statistics, the unemployment rate for veterans as of May 2016 was 3.4 percent. The Committee believes this low percentage is not only the result of an improving economy, but also from a measurable effort by American companies, both large and small, to hire veterans. These companies have made a concerted effort to hire, retain, and promote veterans because they understand the value that a veteran employee brings to their organization and their work product.

Therefore, it is important to highlight the work that these companies have done and publicly recognize their commitment to hiring veterans. With this idea in mind, H.R. 3286, as amended, would authorize the Secretary of Labor to create the HIRE Vets Medallion program, which would recognize employers who hire and retain veterans. Employers could apply for this program and publicly display the award to show the public that they prioritize veteran hiring.

Employers would earn either platinum or gold status based on requirements related to the number of veterans hired each year; providing pay equity for Guardsmen and Reserve employees who were called up to active military service; and other requirements. While the bill would require a small discretionary offset to initially set up the program, paid for by a monetary cap on Department of Labor funding.
Veterans Affairs (VA) Senior Executive Service (SES) employee bonuses for fiscal year (FY) 2016, the rest of the funding needed to administer this program would derive from the fees that employers would pay during their application for the award. H.R. 3286, as amended, would require the President of the United States to award the medallions to eligible businesses each year on the day that coincides with Veterans Day.

The Committee believes that the creation of this program is a constructive way for the Federal government to recognize companies that have made significant efforts to hire and retain veterans. The Committee is also encouraged that the award will remain meaningful and relevant due to the strict qualifications that companies must fulfill to be eligible for the HIRE Vets Medallion.

Enclosure.

H.R. 3286—Honoring Investments in Recruiting and Employing American Military Veterans Act of 2016

HR. 3286 would require the Department of Labor (DOL) to establish the HIRE Vets Medallion Program, within one year of enactment, to annually recognize businesses for their efforts to employ veterans. CBO expects that establishing and implementing the program would require DOL staff to develop award criteria, solicit applications for the program, review nominations, and select winners. Award recipients would be recognized with gold or platinum medals based on the number of veterans they employ and their efforts to hire and train veterans.

Beginning in the year after the program is established (2019), the bill would require DOL to assess fees on employers that apply to the program to cover the complete costs of the program. Those fees would be available without further appropriation to operate the program. CBO expects that those mandatory fees would cover the total costs of the program beginning in 2019. Based on the costs of administering similar programs and the expected number of participating companies (about 4,000 each year), CBO estimates that DOL would collect and spend about $1 million a year. Pay-as-you-go procedures apply because enacting the legislation would affect direct spending. However, because the fees would be spent on the program, there would be no net effect on direct spending. Enacting the bill would not affect revenues.

The costs of establishing the program in 2018 would not be covered by the fees. CBO estimates those costs would total $1 million,
for personnel costs, medallions, and administrative supplies and would be subject to the availability of appropriated funds.

The bill also would limit the amount of bonuses payable to VA employees who are in the senior executive service to $2 million for 2016. Because CBO assumes enactment of the bill near the beginning of fiscal year 2017, we estimate this provision would have no budgetary effect.

CBO estimates that enacting H.R. 3286 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

H.R. 3286 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Ann E. Futrell. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

Pursuant to section 3(g) of H. Res. 5, 114th Cong. (2015), the Committee finds that no provision of H.R. 3286, as amended, establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

**DISCLOSURE OF DIRECTED RULEMAKING**

Pursuant to section 3(i) of H. Res. 5, 114th Cong. (2015), H.R. 3286, as amended, requires the Secretary of Labor to prescribe reg-
ulations to establish a process for employers to voluntarily submit information to qualify for the HIRE Vets Medallion and allows the Secretary of Labor, by rule, to establish additional qualifications for employers to qualify for the HIRE Vets Medallion.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Section 1. Short title

Section 1 cites the short title of H.R. 3286, as amended, to be the "Honoring Investments in Recruiting and Employing American Military Veterans Act of 2016."

Section 2. HIRE Vets Medallion Program

Section 2(a) would require that, no later than one year after enactment of this bill, the Secretary of Labor shall establish a HIRE Vets Medallion Program that would allow employers to voluntarily submit information to qualify for the HIRE Vets Medallion. The medallion would be given to employers based on their efforts to recruit, employ, and retain veterans, and employers' work to provide community and charitable services supporting the veteran community.

Section 2(b) would require the Secretary to establish a process for employers to voluntarily submit information to receive the HIRE Vets Medallion. The Secretary of Labor would review the applications annually and would notify the President of the United States of the companies that meet the eligibility for this award. The President would be required to present the HIRE Vets Medallion and corresponding certificate to award recipients at a date that coincides with Veterans Day.

Section 2(c) would require the application period for the program to be open from January 31—April 30 each calendar year. The Secretary would be required to finish review of the applications no later than August 31st of each year and would be required to make recommendations to the President no later than September 30th. The President would be required to notify the applicants no later than October 11th of each year.

Section 3(a) would require that the employer's application for the HIRE Vets Medallion contains information needed to make decisions about which award tier the employer merits and that the Secretary shall verify this information.

Section 3(b) would require that, for large businesses, the Secretary shall establish "gold" and "platinum" levels of the HIRE Vets Medallions. In order to be eligible for the "gold" level, an employer must: (1) have not less than 7% of their new hires in the previous calendar year be veterans; (2) establish a veteran employee association or resource group; and (3) establish a program to enhance leadership skills of veteran employees. In order to be eligible for the "platinum" level, an employer must: (1) have at least 10% of their new hires in the previous calendar year be veterans; (2) retain 85% of veteran employees in the previous calendar year; (3) employ a dedicated human resources professional to support the hiring and retention of veterans; (4) provide the monetary difference between a veteran employee's normal salary paid by the
employer and the salary that an employee serving on active duty in the National Guard or Reserves receives; and (5) have a tuition assistance program to assist veteran employees' attendance in post-secondary education. This Section would allow for small businesses to be exempt from the salary requirement for employees who are Guardsmen and Reservists if the business employs 5,000 or fewer employees and employs at least one human resources professional whose regular work duties include supporting the hiring and retention of veterans. This Section would also require the Secretary to establish similar awards for small (50 employers or less) and medium (between 51 to 499 employees) sized companies.

Section 3(c) would require the Secretary to establish the shape, form, and metallic content of each HIRE Vets Medallion.

Section 4. Display of award

Section 4(a) would authorize award recipients to publicly display the medallion and award certificate through the end of the calendar year following the recipient's receipt of the award.

Section 4(b) would make it unlawful for employers to publicly display the award as part of any advertisement that would imply they received the award for any calendar year that they did not.

Section 5. Application fee and funding

This Section would authorize the creation of a fund in the Department of Treasury to pay for the program. The Secretary would be authorized to assess a reasonable fee for applicants of this program in order to cover the costs associated with the program's operations.

Section 6. Report to Congress

This Section would require that, no later than two years after enactment, the Secretary shall submit a report to relevant Congressional Committees about the results of the program including how many businesses have applied for and received the award, the amount of fees collected to cover the costs of the program, and the cost to run the program.

Section 7. Definitions

This Section lays out definitions for the bill and defines “Employer” as the same definition in section 4303 of title 38, U.S.C., with the exception of Federal, state, local, and foreign governments. Additionally, it would define “Secretary” as the Secretary of Labor and “Veteran” as the definition provided by section 101 of title 38, U.S.C.

Section 8. Limitation on awards and bonuses paid to senior executive employees of Department of Veterans Affairs

This Section would amend section 705 of the Veterans Access Choice, and Accountability Act of 2014 (P.L. 113–146) to limit bonuses paid to VA SES Employees to $2 million in fiscal year 2016.
