**BRIEF EXPLANATION**

The Clarification of Treatment of Electronic Sales of Livestock Act of 2016, H.R. 5883, clarifies the duties of the Secretary of Agriculture relating to services furnished in connection with the buying and selling of livestock in commerce through online, video, or other electronic methods and updates the acceptable payment methods.

**PURPOSE AND NEED FOR LEGISLATION**

The Packers and Stockyards Act (P&S Act or the Act) was originally enacted in 1921 to protect buyers and sellers of livestock from unfair, deceptive, and discriminatory practices. However, the law has not been thoroughly revised in decades, resulting in a few outdated provisions. H.R. 5883 updates certain provisions of the P&S Act to account for advances in technology and the avenues businesses and producers use to buy and sell livestock.

While the P&S Act currently gives the Secretary the authority to regulate any person engaged in buying or selling livestock “in commerce,” it is unclear to what extent online livestock auctions are regulated. H.R. 5883, amends the Act to clarify that the protections of the P&S Act apply to persons buying or selling livestock online or through other electronic means.

Many businesses currently selling livestock online are already voluntarily registered with the Department of Agriculture. However, to ensure that H.R. 5833 does not unintentionally burden small scale producers who rely on the internet to market their livestock, the language includes a *de minimis* provision so that only those individuals with average online sales over \$250,000 are subject the requirements of the Act.

The P&S Act currently references only two forms of payment methods acceptable under the Act’s prompt payment requirements for sales transactions: checks and wire transfers. To address this outdated requirement, H.R. 5883 updates the acceptable payment methods to include the electronic transfer of funds and gives the Secretary the flexibility to approve other new methods of payment as deemed appropriate.

## SECTION-BY-SECTION ANALYSIS OF LEGISLATION

*Section 1. Short title*

Section 1 of the bill designates the title of the bill as the “Clarification of Treatment of Electronic Sales of Livestock Act of 2016.”

*Section 2. Definition of market agency*

Subsection (a) of section 2 amends the current definition of “market agency” in the P&S Act to clarify that a person who buys or sells livestock on a commission or other fee basis online, or through video or other electronic methods, is considered to be a market agency for the purposes of the P&S Act. However, subsection (a) makes clear that the term does not include a person whose annual average online, video, or other electronic sales of livestock on a commission or other fee basis is less than \$250,000.

Subsection (b) is a technical amendment.

*Section 3. Methods to transfer funds*

Section 3 amends section 409 of the P&S Act and updates it to allow for electronic funds transfer and other expeditious payment methods, as determined appropriate by the Secretary, as options for individuals covered by the P&S Act to meet prompt payment requirements.

*H.R. 5883—Clarification of Treatment of Electronic Sales of Livestock Act of 2016*

H.R. 5883 would amend the Packers and Stockyards Act of 1921 to include livestock sales conducted through electronic communications. Specifically, the legislation updates the definition of a market agency to include persons who buy or sell livestock through electronic methods if such person's average annual livestock sales exceed \$250,000. The legislation also would permit the use of elec-

tronic funds transfers or any other exchange methods the Secretary of Agriculture determines appropriate to complete livestock sales.

Based on information from the Department of Agriculture, CBO estimates that the cost to implement the provisions of the bill would be insignificant; such spending would be subject to the availability of appropriated funds. Enacting H.R. 5883 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting the legislation would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

H.R. 5883 contains no intergovernmental mandates as defined in the Unfunded Mandates Reform Act (UMRA) and would impose no costs on state, local, or tribal governments.

The bill would impose private-sector mandates, as defined in UMRA, on some operators of online and video livestock auctions. Under the bill, those operators would need to comply with provisions of the Packers and Stockyards Act such as requirements for bonding and for prompt payment to sellers. However, information from industry sources about current business practices indicates that most operators of online and video auctions already comply with those provisions. Consequently, CBO estimates that the incremental cost to comply with the mandates would be minimal and fall well below the annual threshold established in UMRA for private-sector mandates (\$154 million in 2016, adjusted annually for inflation).

The CBO staff contacts for this estimate are Tiffany Arthur (for federal costs) and Amy Petz (for private-sector mandates). The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

#### PERFORMANCE GOALS AND OBJECTIVES

H.R. 5883 does not authorize funding, therefore, clause 3(c)(4) of rule XIII of the Rules of the House of Representatives is inapplicable.

#### COMMITTEE COST ESTIMATE

Pursuant to clause 3(d)(2) of rule XIII of the Rules of the House of Representatives, the Committee report incorporates the cost estimate prepared by the Director of the Congressional Budget Office pursuant to sections 402 and 423 of the Congressional Budget Act of 1974.

#### ADVISORY COMMITTEE STATEMENT

No advisory committee within the meaning of section 5(b) of the Federal Advisory Committee Act was created by this legislation.

#### APPLICABILITY TO THE LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act (Public Law 104–1).

## FEDERAL MANDATES STATEMENT

The Committee adopted as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act (Public Law 104–4).

## EARMARK STATEMENT REQUIRED BY CLAUSE 9 OF RULE XXI OF THE RULES OF HOUSE OF REPRESENTATIVES

H.R. 5883 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of rule XXI of the Rules of the House Representatives.

## DUPLICATION OF FEDERAL PROGRAMS

This bill does not establish or reauthorize a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

## DISCLOSURE OF DIRECTED RULE MAKINGS

The Committee does not believe that the legislation directs an executive branch official to conduct any specific rule making proceedings within the meaning of 5 U.S.C. 551.
