Congress finds the following:

(1) The United States Government has a treaty obligation to provide health care to American Indians and Alaska Natives.

(2) The Indian Health Service is the Federal agency that is entrusted to carry out this obligation.

(3) Access to high quality health care is critical for strong and vibrant tribal communities in the Great Plains Area and throughout the United States.

(4) In 2010, the Senate Committee on Indian Affairs published a report titled “In Critical Condition: The Urgent Need to Reform the Indian Health Service’s Aberdeen Area”, which detailed deficiencies, abuses, and malfeasance within the Aberdeen Area of the Indian Health Service, now called the Great Plains Area.

(5) In 2015 and 2016, the Centers for Medicare & Medicaid Services conducted surveys of Indian Health Service hospitals in the Great Plains Area and found serious structural deficiencies that put patients’ health and safety in immediate jeopardy.

(6) The Indian Health Service’s failures in the Great Plains Area have resulted in a severe reduction in access to emergency care, needlessly long wait times, patient suffering, low quality of life, and several tragic deaths.

(7) The Indian Health Service is in need of comprehensive reform that will hold its management and employees accountable, foster strong and capable agency leadership, and restore tribal members’ trust in the care it delivers.

(II) the amount is otherwise in the best interest of the I/T/U, as determined by the I/T/U.

(B) **MEDICARE RATES.**—The method described in this subparagraph is that, in the case that an amount for an item or service has not been negotiated in accordance with subparagraph (A), the I/T/U will pay the lowest of the following amounts for the item or service:

(i) The amount that is the applicable payment amount under the Medicare program under title XVIII of the Social Security Act for such item or service, including payment according to a fee schedule, a prospective payment system or based on reasonable cost for the period in which the service was provided, or in the event of a Medicare waiver, the payment amount will be calculated in accordance with such waiver. For purposes of this paragraph, the amount described in this clause shall be referred to as the “Medicare rate”.

(ii) An amount negotiated by a repricing agent if the provider or supplier is participating within the repricing agent’s network and the I/T/U has a pricing arrangement or contract with that repricing agent.

(iii) An amount not to exceed the provider or supplier’s most favored customer rate described in subparagraph (A)(ii) for such item or service, as evidenced by commercial price lists or paid invoices and other related pricing and discount data to ensure that the I/T/U is receiving a fair and reasonable price, but only to the extent such evidence is reasonably accessible and available to the I/T/U.

(C) **OTHER.**—The method described in this subparagraph is that, in the case that a Medicare rate does not exist for an item or service, and no other method described in a previous subparagraph is accessible or available, the amount shall be deemed to be 65 percent of authorized charges for such item or service.

(2) **COORDINATION OF BENEFITS AND LIMITATION ON RECOVERY.**—If an I/T/U has authorized payment for items and services provided to an individual who is eligible for benefits under title XVIII of the Social Security Act, title XIX of such Act, or another third-party payer, the following shall apply:

(A) The I/T/U shall be the payer of last resort under section 2901(b) of the Patient Protection and Affordable Care Act (25 U.S.C. 1623(b)).

(B) If there are any third-party payers, the I/T/U shall pay the amount for which the patient is being held responsible after the provider or supplier of services has coordinated benefits and all other alternate resources have been considered and paid, including applicable copayments, deductibles, and coinsurance that are owed by the patient.

(C) The maximum payment by the I/T/U shall be only the portion of the payment amount determined under this section not covered by any other payer.

(D) The I/T/U payment may not exceed the rate calculated in accordance with paragraph (1) of this section (plus applicable cost sharing).

(E) In the case payment is made under such title XIX for an item or service such payment shall be considered payment in full and there shall be no additional payment made by the I/T/U for such item or service.

(3) **AUTHORIZED SERVICES.**—Payment shall be made only for those items and services authorized by an I/T/U consistent with this section or section 503(a) of the Indian Health Care Improvement Act (25 U.S.C. 1653(a)).

(4) **NO ADDITIONAL CHARGES.**—

(A) If an amount has not been negotiated under paragraph (1)(A) for an item or service, the provider or supplier shall be deemed to have accepted the applicable payment amount under paragraph (1)(B) for such item or service as payment in full if—

- (i) the item or service was provided based on a referral;
- (ii) the provider or supplier submits a notification of a claim for payment to the I/T/U; or
- (iii) the provider or supplier accepts payment for the provision of such item or service from the I/T/U.

(B) A payment made and accepted in accordance with this section shall constitute payment in full and the provider or its agent, or supplier or its agent, may not impose any additional charge—

- (i) on the individual for I/T/U authorized items and services; or

(ii) for information requested by the I/T/U or its agent or fiscal intermediary for the purposes of payment determinations or quality assurance.

(5) **NOTIFICATION OF CLAIM.**—The Indian Health Service shall not adjudicate a notification of a claim that does not contain the information described in subsection (b)(1) with an approval or denial, except that the Service may request further information from the individual, or as applicable, the provider or supplier, necessary to make a decision. A notification of a claim meeting the requirements specified herein does not guarantee payment.

(6) **RATE AUTHORIZED.**—No service shall be authorized and no payment shall be issued under this section in excess of the rate authorized by this section.

(d) **AUTHORIZATION BY AN URBAN INDIAN ORGANIZATION.**—An urban Indian organization may authorize for purchase items and services for an eligible urban Indian as those terms are defined in section 4 of the Indian Health Care Improvement Act (25 U.S.C. 1603) according to section 503 of such Act (25 U.S.C. 1653) and applicable regulations. Services and items furnished by physicians and other health care professionals and non-hospital-based entities shall be subject to the payment methodology set forth in this section.

(e) **EXCEPTION.**—In the case of a payment described in subsection (c) that is with respect to a rare specialty service, as specified by the Secretary of Health and Human Services, or a service furnished in highly rural and medically underserved areas, as specified by the Secretary, the Indian Health Service or tribe or tribal organization involved may negotiate an amount for such payment for such service that is greater than the payment amount that would be recognized under title XVIII of the Social Security for such service.

(f) **REPORT.**—Not later than two years after the date of the enactment of this Act, the Secretary of Health and Human Services, acting through the Director of the Indian Health Service, shall submit to Congress a report on the impact of this section on access to care under the Purchased/Referred Care program, including recommendations for such legislative actions as the Secretary determines appropriate.

SEC. 302. ALLOCATION OF PURCHASED/REFERRED CARE PROGRAM FUNDS.

“SEC. 227. PURCHASED/REFERRED CARE PROGRAM DISBURSEMENT FORMULA.

“(a) **IN GENERAL.**—The Secretary shall, with respect to the Purchased/Referred Care program (formerly referred to as the ‘contract health services program’) funded by the Indian Health Service and operated by the Indian Health Service, an Indian tribe, or tribal organization, review the distribution of funds pursuant to the program and initiate procedures under subchapter III of chapter 5 of title 5, United States Code, to negotiate or promulgate regulations to develop and implement a revised distribution formula in accordance with the subsequent subsections of this section.

“(b) **CONSIDERATIONS.**—In developing the revised distribution formula under subsection (a), the Secretary shall consider—

“(2) population growth and the potential for population growth;

“(3) the socioeconomic makeup of the population of each contract health service delivery area;

“(4) the geographic makeup of each contract health service delivery area;

“(5) the size of the hospital or facility;

“(B) In the case that during such period the amount of funds made available to the Service for such distribution under such program is in excess of the total amounts of base allotments for distribution under such program for 2016, the Secretary shall distribute such excess amount, in accordance with a methodology specified by the Secretary, to Service areas which for an applicable portion of such period of excess funding have been designated as a low IHS level area under paragraph (2)(A).

“(2) AREA DESIGNATIONS.—For purposes of paragraph (1), the Secretary shall, with respect to each contract health service delivery area—

“(A) review the services provided in the area to determine the IHS medical priority level pursuant to section 136.23(e) of title 42, Code of Federal Regulations, of such services; and

“(i) such a priority level of a I or II, designate such area as a low IHS level area; and

“(ii) any other priority level, designate such area as a high IHS level area.

“(e) APPLICATION OF REDUCTION CLAUSE.—In the case of a facility that, as of the date of the enactment of this section, is under contract with the Secretary with respect to the Purchased/Referred Care program and such contract applies to a period to which subsection (d) or the revised distribution formula under subsection (a) applies, if application of subsection (d) or the revised distribution formula results in the distribution of an amount of funds to such facility during such period that is less than the amount of funds that would be provided during such period to such facility under such contract with respect to the Purchased/Referred Care program before application of such subsection (d) or such revised distribution formula, respectively, the Secretary may under section 106(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450j–1(b)) reduce such amount accordingly to be consistent with such subsection (d) or revised distribution formula, respectively.

“(f) CLARIFICATION.—Nothing in this section shall be construed to supersede a Tribe’s self-governance contract under the Indian Self-Determination and Education Assistance Act.

“(g) UPDATE.—The Secretary shall periodically, but not more frequently than once every 3 years and not less frequently than once every five years, review and, as necessary, update the formula implemented under subsection (a).

I. SUMMARY AND BACKGROUND

A. PURPOSE AND SUMMARY

Section 201 of the bill, H.R. 5406, as reported by the Committee on Ways and Means, excludes from gross income certain amounts received under the Indian Health Service loan repayment program and related to health professions or specialties for which an individual would be eligible for participation in the National Health Service loan repayment program (as in effect on January 1, 2016).

B. BACKGROUND AND NEED FOR LEGISLATION

While the Committee continues to work on comprehensive tax reform as a critical means of promoting economic growth and job creation, the Committee believes it is important to provide immediate relief from unfair taxes. The Committee believes that this exclusion from gross income for certain student loan repayments under the Indian Health Service loan repayment program will eliminate an unfair tax burden.

C. LEGISLATIVE HISTORY

Background

H.R. 5406 was introduced on June 8, 2016, and was referred to the Committee on Ways and Means, the Committee on Natural Resources, and the Committee on Energy and Commerce.

Committee action

The Committee on Ways and Means marked up section 201 of H.R. 5406, the Helping Ensure Accountability, Leadership, and Trust in Tribal Healthcare Act, on September 21, 2016, and ordered the bill, as amended, favorably reported (with a quorum being present).

Committee hearings

Reforms to the tax treatment of student debt were discussed at a Subcommittee on Tax Policy Member Day Hearing on Tax Legislation on May 12, 2016.

II. EXPLANATION OF THE BILL

A. EXCLUSION FROM GROSS INCOME FOR CERTAIN PAYMENTS MADE UNDER INDIAN HEALTH SERVICE LOAN REPAYMENT PROGRAM

(SEC. 201 OF THE BILL AND SEC. 108(F)(4) OF THE CODE)

PRESENT LAW

Gross income generally includes the discharge of indebtedness of the taxpayer. Under an exception to this general rule, gross income does not include any amount from the forgiveness (in whole or in part) of certain student loans, provided that the forgiveness is contingent on the student's working for a certain period of time in certain professions for any of a broad class of employers.¹

Student loans eligible for this special rule must be made to an individual to assist the individual in attending an educational institution that normally maintains a regular faculty and curriculum and normally has a regularly enrolled body of students in attendance at the place where its education activities are regularly carried on. Loan proceeds may be used not only for tuition and required fees, but also to cover room and board expenses. The loan must be made by (1) the United States (or an instrumentality or agency thereof), (2) a State (or any political subdivision thereof), (3) certain tax-exempt public benefit corporations that control a State, county, or municipal hospital and whose employees have been deemed to be public employees under State law, or (4) an educational organization that originally received the funds from which the loan was made from the United States, a State, or a tax-exempt public benefit corporation.

An individual's gross income does not include amounts from the forgiveness of loans made by educational organizations (and certain tax-exempt organizations in the case of refinancing loans) out of private, nongovernmental funds if the proceeds of such loans are used to pay costs of attendance at an educational institution or to refinance any outstanding student loans (not just loans made by educational organizations) and the student is not employed by the lender organization. In the case of such loans made or refinanced by educational organizations (or refinancing loans made by certain tax-exempt organizations), cancellation of the student loan must be contingent upon the student working in an occupation or area with unmet needs and such work must be performed for, or under the

¹ Sec. 108(f).

direction of, a tax-exempt charitable organization or a governmental entity.

In addition, an individual's gross income does not include any loan repayment amount received under the National Health Service Corps loan repayment program, certain State loan repayment programs, or any amount received by an individual under any State loan repayment or loan forgiveness program that is intended to provide for the increased availability of health care services in underserved or health professional shortage areas (as determined by the State).

REASONS FOR CHANGE

The Committee believes it is important to provide an incentive for individuals to pursue certain health professions on Indian reservations and in service to Native Americans, and to ensure that there is a sufficient supply of such trained health professionals. Recognizing that the National Health Service Corps offers a similar program that qualifies for certain tax benefits, the Committee believes it is appropriate to align the treatment of Indian Health Service student loan repayments with the treatment of those made by the National Health Service Corps.

EXPLANATION OF PROVISION

The provision modifies the gross income exclusion for amounts received under the National Health Service Corps loan repayment program or certain State loan repayment programs to apply to amounts received by individuals under the Indian Health Service loan repayment program.² The exclusion as modified applies only with respect to those individuals whose type of health profession or specialty would have qualified an individual to participate in the National Health Service Corps loan repayment program as of January 1, 2016.

EFFECTIVE DATE

The provision is effective for amounts received in taxable years beginning after December 31, 2016.

III. VOTES OF THE COMMITTEE

In compliance with clause 3(b) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the vote of the Committee on Ways and Means in its consideration of section 201 of H.R. 5406, the "Helping Ensure Accountability, Leadership, and Trust in Tribal Healthcare Act," on September 21, 2016.

The bill, H.R. 5406, as amended, was ordered favorably reported to the House of Representatives by a voice vote (with a quorum being present).

²Section 108 of the Indian Health Care Improvement Act established the Indian Health Service loan repayment program to assure a sufficient supply of trained health professionals needed to provide health care services to Indians. Pub. L. No. 94-437, as amended by Pub. L. No. 100-713, sec. 108, and Pub. L. No. 102-573, sec. 106, and as amended, and permanently reauthorized by Pub. L. No. 111-148, sec. 10221.

IV. BUDGET EFFECTS OF THE BILL

A. COMMITTEE ESTIMATE OF BUDGETARY EFFECTS

In compliance with clause 3(d) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the effects on the budget of the bill, section 201 of H.R. 5406, as reported.

The bill, as reported, is estimated to have the following effect on Federal fiscal year budget receipts for the period 2017–2026:

FISCAL YEARS											
[millions of dollars]											
2017	2018	2019	2020	2021	2022	2023	2024	2025	2026	2017–21	2017–26
–3	–3	–3	–3	–3	–3	–3	–3	–3	–3	–16	–32

NOTE: Details do not add to totals due to rounding.

Pursuant to clause 8 of rule XIII of the Rules of the House of Representatives, the following statement is made by the Joint Committee on Taxation with respect to the provisions of the bill amending the Internal Revenue Code of 1986: The gross budgetary effect (before incorporating macroeconomic effects) in any fiscal year is less than 0.25 percent of the current projected gross domestic product of the United States for that fiscal year; therefore, the bill is not “major legislation” for purposes of requiring that the estimate include the budgetary effects of changes in economic output, employment, capital stock and other macroeconomic variables.

B. STATEMENT REGARDING NEW BUDGET AUTHORITY AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee states that section 201 of the bill involves no new or increased budget authority. The Committee further states that the revenue-reducing provisions of section 201 of the bill involve increased tax expenditures. See amounts shown in the table in Part IV.A above.

C. COST ESTIMATE PREPARED BY THE CONGRESSIONAL BUDGET OFFICE

With regard to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, an estimate prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 was not submitted to the Committee before the filing of the report.

V. OTHER MATTERS TO BE DISCUSSED UNDER THE RULES OF THE HOUSE

A. COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

With respect to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives (relating to oversight findings), the Committee advises that it was as a result of the Committee’s review of section 201 of H.R. 5406 that the Committee concluded that it is

appropriate to report the bill, as amended, favorably to the House of Representatives with the recommendation that the bill do pass.

B. STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

With respect to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee advises that section 201 of the bill contains no measure that authorizes funding, so no statement of general performance goals and objectives for which any measure authorizes funding is required.

C. INFORMATION RELATING TO UNFUNDED MANDATES

This information is provided in accordance with section 423 of the Unfunded Mandates Reform Act of 1995 (Pub. L. No. 104-4).

The Committee has determined that section 201 of the bill does not contain Federal mandates on the private sector. The Committee has determined that section 201 of the bill does not impose a Federal intergovernmental mandate on State, local, or tribal governments.

D. APPLICABILITY OF HOUSE RULE XXI 5(b)

Rule XXI 5(b) of the Rules of the House of Representatives provides, in part, that “A bill or joint resolution, amendment, or conference report carrying a Federal income tax rate increase may not be considered as passed or agreed to unless so determined by a vote of not less than three-fifths of the Members voting, a quorum being present.” The Committee has carefully reviewed section 201 of the bill and states that section 201 of the bill does not involve any Federal income tax rate increases within the meaning of the rule.

E. TAX COMPLEXITY ANALYSIS

Section 4022(b) of the Internal Revenue Service Restructuring and Reform Act of 1998 (“IRS Reform Act”) requires the staff of the Joint Committee on Taxation (in consultation with the Internal Revenue Service and the Treasury Department) to provide a tax complexity analysis. The complexity analysis is required for all legislation reported by the Senate Committee on Finance, the House Committee on Ways and Means, or any committee of conference if the legislation includes a provision that directly or indirectly amends the Internal Revenue Code of 1986 and has widespread applicability to individuals or small businesses.

Pursuant to clause 3(h)(1) of rule XIII of the Rules of the House of Representatives, the staff of the Joint Committee on Taxation has determined that a complexity analysis is not required under section 4022(b) of the IRS Reform Act because section 201 of the bill contains no provisions that amend the Internal Revenue Code of 1986 and that have “widespread applicability” to individuals or small businesses, within the meaning of the rule.

F. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee has carefully reviewed section

201 of the bill and states that section 201 of the bill does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits within the meaning of the rule.

G. DUPLICATION OF FEDERAL PROGRAMS

In compliance with Sec. 3(g)(2) of H. Res. 5 (114th Congress), the Committee states that section 201 of the bill does not establish or reauthorize: (1) a program of the Federal Government known to be duplicative of another Federal program, (2) a program included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or (3) a program related to a program identified in the most recent Catalog of Federal Domestic Assistance, published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169).

H. DISCLOSURE OF DIRECTED RULE MAKINGS

In compliance with Sec. 3(i) of H. Res. 5 (114th Congress), the following statement is made concerning directed rule makings: The Committee estimates that section 201 of the bill requires no directed rule makings within the meaning of such section.

VI. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

A. TEXT OF EXISTING LAW AMENDED OR REPEALED BY THE BILL, AS REPORTED

In compliance with clause 3(e)(1)(A) of rule XIII of the Rules of the House of Representatives, the text of each section proposed to be amended or repealed by the bill, as reported, is shown below:

TEXT OF EXISTING LAW AMENDED OR REPEALED BY THE BILL, AS REPORTED

The Secretary shall provide such individuals with sufficient information regarding the advantages and disadvantages of service as a commissioned officer in the Regular or Reserve Corps of the Public Health Service or a civilian employee of the Indian Health Service to enable the individual to make a decision on an informed basis.

(2) The application form, contract form, and all other information furnished by the Secretary under this section shall be written in a manner calculated to be understood by the average individual applying to participate in the Loan Repayment Program.

(3) The Secretary shall make such application forms, contract forms, and other information available to individuals desiring to participate in the Loan Repayment Program on a date sufficiently early to ensure that such individuals have adequate time to carefully review and evaluate such forms and information.

(d)(1) Consistent with paragraph (3), the Secretary, acting through the Service and in accordance with subsection (k), shall annually—

(2) The Secretary shall provide written notice to an individual promptly on—

(A) the Secretary's approving, under paragraph (1), of the individual's participation in the Loan Repayment Program, including extensions resulting in an aggregate period of obligated service in excess of 4 years; or

(4) Any obligation of an individual under the Loan Repayment Program for payment of damages may be released by a discharge in bankruptcy under title 11 of the United States Code only if such discharge is granted after the expiration of the 5-year period beginning on the first date that payment of such damages is required, and only if the bankruptcy court finds that nondischarge of the obligation would be unconscionable.

(n) The Secretary shall submit to the President, for inclusion in each report required to be submitted to the Congress under section 801, a report concerning the previous fiscal year which sets forth—

(C) but for this paragraph, such reduction would be treated as income to the purchaser from the discharge of indebtedness,

then such reduction shall be treated as a purchase price adjustment.

(6) INDEBTEDNESS CONTRIBUTED TO CAPITAL.—Except as provided in regulations, for purposes of determining income of the debtor from discharge of indebtedness, if a debtor corporation acquires its indebtedness from a shareholder as a contribution to capital—

(A) section 118 shall not apply, but

(B) such corporation shall be treated as having satisfied the indebtedness with an amount of money equal to the shareholder's adjusted basis in the indebtedness.

(7) RECAPTURE OF GAIN ON SUBSEQUENT SALE OF STOCK.—

(A) IN GENERAL.—If a creditor acquires stock of a debtor corporation in satisfaction of such corporation's indebtedness, for purposes of section 1245—

(1) IN GENERAL.—In the case of an individual, gross income does not include any amount which (but for this subsection) would be includible in gross income by reason of the discharge (in whole or in part) of any student loan if such discharge was pursuant to a provision of such loan under which all or part of the indebtedness of the individual would be discharged if the individual worked for a certain period of time in certain professions for any of a broad class of employers.

(2) STUDENT LOAN.—For purposes of this subsection, the term “student loan” means any loan to an individual to assist the individual in attending an educational organization described in section 170(b)(1)(A)(ii) made by—

(i) except as provided in clause (ii), no deduction otherwise allowable under this chapter shall be allowed to the issuer of such debt instrument with respect to the portion of such original issue discount which—

(I) accrues before the 1st taxable year in the 5-taxable-year period in which income from the discharge of indebtedness attributable to the reacquisition of the debt instrument is includible under paragraph (1), and

(II) does not exceed the income from the discharge of indebtedness with respect to the debt instrument being reacquired, and

(ii) the aggregate amount of deductions disallowed under clause (i) shall be allowed as a deduction ratably over the 5-taxable-year period described in clause (i)(I).

(B) DEEMED DEBT FOR DEBT EXCHANGES.—For purposes of subparagraph (A), if any debt instrument is issued by an issuer and the proceeds of such debt instrument are used directly or indirectly by the issuer to reacquire an applicable debt instrument of the issuer, the debt instrument so issued shall be treated as issued for the debt instrument being reacquired. If only a portion of the proceeds from a debt instrument are so used, the rules of subparagraph (A) shall apply to the portion of any original issue discount on the newly issued debt instrument which is equal to the portion of the proceeds from such instrument used to reacquire the outstanding instrument.

Such term shall also include the complete forgiveness of the indebtedness by the holder of the debt instrument.

(5) OTHER DEFINITIONS AND RULES.—For purposes of this subsection—

(A) RELATED PERSON.—The determination of whether a person is related to another person shall be made in the same manner as under subsection (e)(4).

(B) ELECTION.—

(i) IN GENERAL.—An election under this subsection with respect to any applicable debt instrument shall be made by including with the return of tax imposed by chapter 1 for the taxable year in which the reacquisition of the debt instrument occurs a statement which—

- (II) includes the amount of income to which paragraph (1) applies and such other information as the Secretary may prescribe.

(ii) ELECTION IRREVOCABLE.—Such election, once made, is irrevocable.

(iii) PASS-THRU ENTITIES.—In the case of a partnership, S corporation, or other pass-thru entity, the election under this subsection shall be made by the partnership, the S corporation, or other entity involved.

(D) ACCELERATION OF DEFERRED ITEMS.—

(i) IN GENERAL.—In the case of the death of the taxpayer, the liquidation or sale of substantially all the assets of the taxpayer (including in a title 11 or similar case), the cessation of business by the taxpayer, or similar circumstances, any item of income or deduction which is deferred under this subsection (and has not previously been taken into account) shall be taken

into account in the taxable year in which such event occurs (or in the case of a title 11 or similar case, the day before the petition is filed).

(ii) SPECIAL RULE FOR PASS-THRU ENTITIES.—The rule of clause (i) shall also apply in the case of the sale or exchange or redemption of an interest in a partnership, S corporation, or other pass-thru entity by a partner, shareholder, or other person holding an ownership interest in such entity.

(6) SPECIAL RULE FOR PARTNERSHIPS.—In the case of a partnership, any income deferred under this subsection shall be allocated to the partners in the partnership immediately before the discharge in the manner such amounts would have been included in the distributive shares of such partners under section 704 if such income were recognized at such time. Any decrease in a partner's share of partnership liabilities as a result of such discharge shall not be taken into account for purposes of section 752 at the time of the discharge to the extent it would cause the partner to recognize gain under section 731. Any decrease in partnership liabilities deferred under the preceding sentence shall be taken into account by such partner at the same time, and to the extent remaining in the same amount, as income deferred under this subsection is recognized.

(7) SECRETARIAL AUTHORITY.—The Secretary may prescribe such regulations, rules, or other guidance as may be necessary or appropriate for purposes of applying this subsection, including—

The Secretary shall provide such individuals with sufficient information regarding the advantages and disadvantages of service as a commissioned officer in the Regular or Reserve Corps of the Public Health Service or a civilian employee of the Indian Health Service to enable the individual to make a decision on an informed basis.

(2) The application form, contract form, and all other information furnished by the Secretary under this section shall be written in a manner calculated to be understood by the average individual applying to participate in the Loan Repayment Program.

(3) The Secretary shall make such application forms, contract forms, and other information available to individuals desiring to participate in the Loan Repayment Program on a date sufficiently early to ensure that such individuals have adequate time to carefully review and evaluate such forms and information.

(ii) not less than 10 percent be provided to applicants who are mental health professionals (other than applicants described in clause (i)).

(B) The requirements specified in clause (i) or clause (ii) of subparagraph (A) shall not apply if the Secretary does not receive the number of applications from the individuals described

in clause (i) or clause (ii), respectively, necessary to meet such requirements.

(e)(1) An individual becomes a participant in the Loan Repayment Program only upon the Secretary and the individual entering into a written contract described in subsection (f).

(2) The Secretary shall provide written notice to an individual promptly on—

(A) the Secretary's approving, under paragraph (1), of the individual's participation in the Loan Repayment Program, including extensions resulting in an aggregate period of obligated service in excess of 4 years; or

(B) the Secretary's disapproving an individual's participation in such Program.

(f) The written contract referred to in this section between the Secretary and an individual shall contain—

(1) an agreement under which—

(A) subject to paragraph (3), the Secretary agrees—

(i) to pay loans on behalf of the individual in accordance with the provisions of this section, and

(iii) to serve for a time period (hereinafter in this section referred to as the "period of obligated service") equal to **2 years or such longer period as the individual may agree to serve in the full-time clinical practice of such individual's profession** *2 years or such longer period as the individual may agree to serve in the full-time practice of such individual's profession (or 4 years or such longer period as the individual may agree to serve in the half-time practice of such individual's profession)* in an Indian health program to which the individual may be assigned by the Secretary;

(2) a provision permitting the Secretary to extend for such longer additional periods, as the individual may agree to, the period of obligated service agreed to by the individual under paragraph (1)(B)(iii);

(3) a provision that any financial obligation of the United States arising out of a contract entered into under this section

and any obligation of the individual which is conditioned thereon is contingent upon funds being appropriated for loan repayments under this section;

(4) a statement of the damages to which the United States is entitled under subsection (1) for the individual's breach of the contract; and

(5) such other statements of the rights and liabilities of the Secretary and of the individual, not inconsistent with this section.

(g)(1) A loan repayment provided for an individual under a written contract under the Loan Repayment Program shall consist of payment, in accordance with paragraph (2), on behalf of the individual of the principal, interest, and related expenses on government and commercial loans received by the individual regarding the undergraduate or graduate education of the individual (or both), which loans were made for—

(A) tuition expenses;

(B) all other reasonable educational expenses, including fees, books, and laboratory expenses, incurred by the individual; and

In making a determination of the amount to pay for a year of such service by an individual, the Secretary shall consider the extent to which each such determination—

(i) affects the ability of the Secretary to maximize the number of contracts that can be provided under the Loan Repayment Program from the amounts appropriated for such contracts;

(ii) provides an incentive to serve in Indian health programs with the greatest shortages of health professionals; and

(iii) provides an incentive with respect to the health professional involved remaining in an Indian health program with such a health professional shortage, and continuing to provide primary health services, after the completion of the period of obligated service under the Loan Repayment Program.

(B) Any arrangement made by the Secretary for the making of loan repayments in accordance with this subsection shall provide that any repayments for a year of obligated service shall be made no later than the end of the fiscal year in which the individual completes such year of service.

(3) For the purpose of providing reimbursements for tax liability resulting from payments under paragraph (2) on behalf of an individual, the Secretary—

(A) in addition to such payments, may make payments to the individual in an amount not less than 20 percent and not more than 39 percent of the total amount of loan repayments made for the taxable year involved; and

(B) may make such additional payments as the Secretary determines to be appropriate with respect to such purpose.

(4) The Secretary may enter into an agreement with the holder of any loan for which payments are made under the Loan Repayment Program to establish a schedule for the making of such payments.

(h) Notwithstanding any other provision of law, individuals who have entered into written contracts with the Secretary under this section, while undergoing academic training, shall not be counted against any employment ceiling affecting the Department of Health and Human Services.

(i) The Secretary shall conduct recruiting programs for the Loan Repayment Program and other health professional programs of the Service at educational institutions training health professionals or specialists identified in subsection (a).

(j) Section 214 of the Public Health Service Act (42 U.S.C. 215) shall not apply to individuals during their period of obligated service under the Loan Repayment Program.

(k) The Secretary, in assigning individuals to serve in Indian health programs pursuant to contracts entered into under this section, shall—

(1) ensure that the staffing needs of Indian health programs administered by an Indian tribe or tribal or health organization receive consideration on an equal basis with programs that are administered directly by the Service; and

(2) give priority to assigning individuals to Indian health programs that have a need for health professionals to provide health care services as a result of individuals having breached contracts entered into under this section.

(1)(1) An individual who has entered into a written contract with the Secretary under this section and who—

(A) is enrolled in the final year of a course of study and who—

(i) fails to maintain an acceptable level of academic standing in the educational institution in which he is enrolled (such level determined by the educational institution under regulations of the Secretary);

(ii) voluntarily terminates such enrollment; or

(iii) is dismissed from such educational institution before completion of such course of study; or

(B) is enrolled in a graduate training program, fails to complete such training program, and does not receive a waiver from the Secretary under subsection (b)(1)(B)(ii),

shall be liable, in lieu of any service obligation arising under such contract, to the United States for the amount which has been paid on such individual's behalf under the contract.

(2) If, for any reason not specified in paragraph (1), an individual breaches his written contract under this section by failing either to begin, or complete, such individual's period of obligated service in accordance with subsection (f), the United States shall be entitled to recover from such individual an amount to be determined in accordance with the following formula:

$$A=3Z(t-s/t)$$

in which—

(A) “A” is the amount the United States is entitled to recover;

(B) “Z” is the sum of the amounts paid under this section to, or on behalf of, the individual and the interest on such amounts which would be payable if, at the time the amounts were paid, they were loans bearing interest at the maximum legal prevailing rate, as determined by the Treasurer of the United States;

(C) “t” is the total number of months in the individual’s period of obligated service in accordance with subsection (f); and

(D) “s” is the number of months of such period served by such individual in accordance with this section.

Amounts not paid within such period shall be subject to collection through deductions in Medicare payments pursuant to section 1892 of the Social Security Act.

(3)(A) Any amount of damages which the United States is entitled to recover under this subsection shall be paid to the United States within the 1-year period beginning on the date of the breach or such longer period beginning on such date as shall be specified by the Secretary.

(B) If damages described in subparagraph (A) are delinquent for 3 months, the Secretary shall, for the purpose of recovering such damages—

(i) utilize collection agencies contracted with by the Administrator of the General Services Administration; or

(ii) enter into contracts for the recovery of such damages with collection agencies selected by the Secretary.

(C) Each contract for recovering damages pursuant to this subsection shall provide that the contractor will, not less than once each 6 months, submit to the Secretary a status report on the success of the contractor in collecting such damages. Section 3718 of title 31, United States Code, shall apply to any such contract to the extent not inconsistent with this subsection.

(m)(1) Any obligation of an individual under the Loan Repayment Program for service or payment of damages shall be canceled upon the death of the individual.

(2) The Secretary shall by regulation provide for the partial or total waiver or suspension of any obligation of service or payment by an individual under the Loan Repayment Program whenever compliance by the individual is impossible or would involve extreme hardship to the individual and if enforcement of such obligation with respect to any individual would be unconscionable.

(3) The Secretary may waive, in whole or in part, the rights of the United States to recover amounts under this section in any case of extreme hardship or other good cause shown, as determined by the Secretary.

(ii) ELECTION IRREVOCABLE.—Such election, once made, is irrevocable.

(iii) PASS-THRU ENTITIES.—In the case of a partnership, S corporation, or other pass-thru entity, the election under this subsection shall be made by the partnership, the S corporation, or other entity involved.

(C) COORDINATION WITH OTHER EXCLUSIONS.—If a taxpayer elects to have this subsection apply to an applicable debt instrument, subparagraphs (A), (B), (C), and (D) of subsection (a)(1) shall not apply to the income from the discharge of such indebtedness for the taxable year of the election or any subsequent taxable year.

(D) ACCELERATION OF DEFERRED ITEMS.—

(i) IN GENERAL.—In the case of the death of the taxpayer, the liquidation or sale of substantially all the assets of the taxpayer (including in a title 11 or similar case), the cessation of business by the taxpayer, or similar circumstances, any item of income or deduc-

tion which is deferred under this subsection (and has not previously been taken into account) shall be taken into account in the taxable year in which such event occurs (or in the case of a title 11 or similar case, the day before the petition is filed).

(ii) SPECIAL RULE FOR PASS-THRU ENTITIES.—The rule of clause (i) shall also apply in the case of the sale or exchange or redemption of an interest in a partnership, S corporation, or other pass-thru entity by a partner, shareholder, or other person holding an ownership interest in such entity.

(6) SPECIAL RULE FOR PARTNERSHIPS.—In the case of a partnership, any income deferred under this subsection shall be allocated to the partners in the partnership immediately before the discharge in the manner such amounts would have been included in the distributive shares of such partners under section 704 if such income were recognized at such time. Any decrease in a partner's share of partnership liabilities as a result of such discharge shall not be taken into account for purposes of section 752 at the time of the discharge to the extent it would cause the partner to recognize gain under section 731. Any decrease in partnership liabilities deferred under the preceding sentence shall be taken into account by such partner at the same time, and to the extent remaining in the same amount, as income deferred under this subsection is recognized.

(7) SECRETARIAL AUTHORITY.—The Secretary may prescribe such regulations, rules, or other guidance as may be necessary or appropriate for purposes of applying this subsection, including—

(A) extending the application of the rules of paragraph (5)(D) to other circumstances where appropriate,

(B) requiring reporting of the election (and such other information as the Secretary may require) on returns of tax for subsequent taxable years, and

(C) rules for the application of this subsection to partnerships, S corporations, and other pass-thru entities, including for the allocation of deferred deductions.

VII. ADDITIONAL VIEWS

Setting aside the merits of the legislation that the Committee has recently considered, there remains good reason to object to the path that Republicans have charted with respect to consideration of these tax bills. Over the last two weeks, the Committee has marked up seven Republican revenue bills. While it is true that some of these bills have bipartisan support, it is inexcusable that none of the bills recommended for consideration by the Democrats on the Committee were brought up at either of the Committee's most recent markups.

Republicans on the Committee squandered the opportunity to take up legislation that would provide incentives for other low-carbon energy alternatives, including efforts to correct an unintentional omission from the tax legislation that the Congress considered in December of last year. While the Congress provided a long-term extension of the section 48 investment tax credit for solar facilities, the legislation that was signed into law inadvertently excluded the other technologies included in the section 48 investment tax credit. The omitted extension applies to investments in fuel cell property, microturbine property, geothermal property, small wind property, combined heat and power property, and fiber optic solar property. Committee Members on both sides of the aisle expressed impassioned support for these provisions, yet the Republicans continue to reject legislation to right this wrong. Although the Chairman committed to continuing to listen to supporters of the bill, I would argue that given that it has such broad support, the time to listen has passed, and it is now time to act.

It is my hope that the Republicans on this Committee will abandon their extraordinary partisanship, and move away from this piecemeal consideration of legislation. The need for comprehensive tax reform has never been more pressing, and the Committee should turn its focus from these miscellaneous provisions and towards a reform that makes our nation's tax code fair, addresses the problems of income and wealth inequality, and provides opportunities for all Americans to succeed.
