## PURPOSE OF LEGISLATION

H.R. 3288, the Northern Border Regional Commission Reauthorization Act, amends title 40, United States Code, to promote regional economic and infrastructure development, and for other purposes.

## BACKGROUND AND NEED FOR LEGISLATION

H.R. 3288, as amended, reauthorizes the Northern Border Regional Commission (NBRC), the Southwest Border Regional Commission, and the Southeast Crescent Regional Commission through 2023 and makes other necessary changes to the commissions.

The commissions are Federal-State partnerships for economic and community development and provide federal funds for critical economic and community development projects in distressed communities throughout their respective region.

The Northern Border Regional Commission covers portions of Maine, New Hampshire, Vermont, and New York. The Southwest Border Regional Commission covers portions of Arizona, California, New Mexico, and Texas. The Southeast Crescent Regional Commission covers Virginia, North Carolina, South Carolina, Georgia, Alabama, Mississippi, and Florida not already covered by the Appalachian Regional Commission or the Delta Regional Authority.

H.R. 3288, as amended, makes several changes to improve administration of the commissions. First, the bill changes the “unanimous vote” requirement needed to determine the State share of administrative expenses to “majority vote”. Under current law, a unanimous vote of the State members of each Commission is required to determine the State share of the Commissions’ adminis-

trative expenses. Unfortunately, this requirement has prevented the States in the NBRC region from reaching an agreement on the State share of administrative expenses.

Second, the bill, as amended, authorizes the Commissions to include promoting the development of renewable and alternative energy sources to meet the minimum percentage of grants the law requires be allocated for certain activities. Currently, the NBRC makes grants for various purposes, including promoting the development of renewable and alternative energy sources. The Commissions, however, must allocate at least forty percent of grant funds to: (1) develop the transportation infrastructure of the region; (2) to develop the basic public infrastructure of the region; and (3) to develop the telecommunications infrastructure of the region. Due to the limited resources available to the NBRC and the energy resources and needs of the area, the NBRC has had difficulty meeting the forty percent requirement while also trying to meet the needs of the region.

Third, the bill, as amended, reauthorizes the Commissions through 2023. Currently, the authorization of appropriations for the three Commissions expires at the end of Fiscal Year 2018.

Finally, H.R. 3288, as amended, authorizes the Federal Co-chairperson to appoint a Federal employee of the Commission to fulfill the duties of the Office of the Federal Co-chairperson in a temporary capacity in the event that the positions of Federal Co-chairperson and Alternate Federal Co-chairperson are both vacant. Without someone fulfilling the duties of the Office of the Federal Co-chairperson, the ability of the commissions to function is threatened.

#### HEARINGS

On September 13, 2017, the Subcommittee on Economic Development, Public Buildings and Emergency Management held a hearing titled “*Building a 21st Century Infrastructure for America: Economic Development Stakeholders’ Perspectives*” and received testimony on the important role economic development organizations play in creating resilient infrastructure.

#### LEGISLATIVE HISTORY AND CONSIDERATION

On July 18, 2017, Representative Ann M. Kuster (D–NH) introduced H.R. 3288, amending title 40, United States Code, to promote regional economic and infrastructure development, and for other purposes. The bill was referred primarily to the Committee on Transportation and Infrastructure, and in addition to the Committee on Financial Services.

On April 12, 2018, the Committee on Transportation and Infrastructure met in open session. An amendment was offered by Representative Dina Titus (D–NV) and adopted by the Committee by voice vote. The Committee ordered the bill, as amended, reported favorably to the House by voice vote with a quorum present.

#### COMMITTEE VOTES

Clause 3(b) of rule XIII of the Rules of the House of Representatives requires each committee report to include the total number of votes cast for and against on each record vote on a motion to report

and on any amendment offered to the measure or matter, and the names of those members voting for and against. There were no recorded votes taken in connection with consideration of H.R. 3288 as amended.

#### COMMITTEE OVERSIGHT FINDINGS

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee's oversight findings and recommendations are reflected in this report.

#### NEW BUDGET AUTHORITY AND TAX EXPENDITURES

Clause 3(c)(2) of rule XIII of the Rules of the House of Representatives does not apply where a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and is included in the report. Such a cost estimate is included in this report.

#### CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the enclosed cost estimate for H.R. 3288 as amended from the Director of the Congressional Budget Office:

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, April 18, 2018.*

Hon. BILL SHUSTER,  
*Chairman, Committee on Transportation and Infrastructure,  
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 3288, the Northern Border Regional Commission Reauthorization Act of 2017.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Robert Reese.

Sincerely,

KEITH HALL,  
*Director.*

Enclosure.

*H.R. 3288—Northern Border Regional Commission Reauthorization Act of 2017*

Summary: H.R. 3288 would authorize the annual appropriation of \$30 million over the 2019–2023 period for the Northern Border Regional Commission (NBRC). Under current law, \$30 million is authorized to be appropriated each year for the NBRC through 2018.

Assuming appropriation of the authorized amounts, CBO estimates that implementing H.R. 3288 would cost \$92 million over the 2019–2023 period. Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 3288 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 3288 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA).

Estimated cost to the Federal Government: The estimated budgetary effect of H.R. 3288 is shown in the following table. The costs of the legislation fall within budget function 450 (community and rural development).

	By fiscal year, in millions of dollars—						
	2018	2019	2020	2021	2022	2023	2019–2023
INCREASES IN SPENDING SUBJECT TO APPROPRIATION							
Authorization Level .....	0	30	30	30	30	30	150
Estimated Outlays .....	0	6	12	20	25	29	92

Basis of estimate: For this estimate, CBO assumes that H.R. 3288 will be enacted near the end of 2018 and that the authorized amounts will be appropriated for each year. Estimated outlays are based on historical spending patterns.

The NBRC is a federal-state partnership for economic and community development in Maine, New Hampshire, New York, and Vermont. Under current law, \$30 million is authorized to be appropriated annually through 2018 to the NBRC; in 2018 its appropriation was \$15 million. H.R. 3288 would extend the \$30 million annual authorization of appropriations through 2023. CBO estimates that implementing H.R. 3288 would cost \$92 million over the 2019–2023 period and \$58 million in years after 2023.

Pay-As-You-Go considerations: None.

Increase in long-term direct spending and deficits: None.

Mandates: H.R. 3288 contains no intergovernmental or private-sector mandates as defined in UMRA.

Estimate prepared by: Federal costs: Robert Reese; Mandates: Andrew Laughlin.

Estimate reviewed by: Kim P. Cawley, Chief, Natural and Physical Resources Cost Estimates Unit; H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

#### PERFORMANCE GOALS AND OBJECTIVES

With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goal and objective of this legislation is to amend title 40, United States Code, to promote regional economic and infrastructure development, and for other purposes.

#### ADVISORY OF EARMARKS

Pursuant to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee is required to include a list of congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives. No provision in the bill includes an earmark, limited tax benefit, or limited tariff benefit under clause 9(e), 9(f), or 9(g) of rule XXI.

#### DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 3288 as amended establishes or reauthorizes a program of the federal government known to be duplicative of another federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

#### DISCLOSURE OF DIRECTED RULE MAKINGS

Pursuant to section 3(i) of H. Res. 5, 115th Cong. (2017), the Committee finds that enacting H.R. 3288, as amended, does not direct the completion of a specific rulemaking within the meaning of section 551 of title 5, United States Code.

#### FEDERAL MANDATE STATEMENT

The Committee adopts as its own the estimate of federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act (Public Law 104–4).

#### PREEMPTION CLARIFICATION

Section 423 of the Congressional Budget Act of 1974 requires the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt state, local, or tribal law. The Committee states that H.R. 3288, as amended, does not preempt any state, local, or tribal law.

#### ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act are created by this legislation.

#### APPLICABILITY OF LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act (Public Law 104–1).
