TRAIL ROUTE, AND FOR OTHER PURPOSES

DECEMBER 3, 2018.—Committed to the Committee of the Whole House on the State
of the Union and ordered to be printed

Mr. BISHOP of Utah, from the Committee on Natural Resources,
submitted the following

R E P O R T

[To accompany H.R. 6602]

[Including cost estimate of the Congressional Budget Office]

The Committee on Natural Resources, to whom was referred the bill (H.R. 6602) to reauthorize the New Jersey Coastal Heritage Trail Route, and for other purposes, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of H.R. 6602 is to reauthorize the New Jersey Coastal Heritage Trail Route.

BACKGROUND AND NEED FOR LEGISLATION

The New Jersey Coastal Heritage Trail Route was authorized by Congress in 1988 and runs along the entire coast of New Jersey.¹ The Route was established for public appreciation, education, understanding, and enjoyment of significant natural and cultural sites associated with the coastal area of New Jersey.² Five themes define different aspects of coastal life along the Route: Maritime History, Coastal Habitats, Wildlife Migration, Historic Settlements, and Relaxation and Inspiration.³

¹Public Law 100-515. 100th Congress. “An Act to Provide for the Establishment of the Coastal Heritage Trail Route in the State of New Jersey, and for other purposes.” October 20, 1988.

The National Park Service (NPS), the State of New Jersey, the Pinelands Commission, and other local organizations partnered to promote recreation and appreciation of New Jersey's coastal areas.⁴ The partners developed a strategic plan which called for an initial implementation period with the NPS and New Jersey cooperatively managing the Route for five years, followed by a diminished role by NPS and an expanded role by New Jersey.⁵ The Secretary of the Interior was given authority to enter into cooperative agreements and provide technical assistance in the establishment and development of the Route. The Route was eligible to receive federal funds for certain projects provided those funds did not exceed 50% of total project costs and were matched with non-federal dollars.⁶

A sunset provision for the Secretary's authority, and thus the NPS's participation in managing the Trail, was enacted in 1994.⁷ Subsequent laws extended this timeframe and authorized increased appropriations in 1999, 2006, and 2008.⁸ The Secretary's authorities related to the Route expired on September 30, 2011.

H.R. 6602 will reauthorize the Secretary of the Interior's authority and the NPS's ability to co-manage the New Jersey Coastal Heritage Trail Route through 2025. The bill removes the unlimited authorization of appropriations for the Route that was enacted in 2006. It also requires the Secretary of the Interior to complete a strategic plan for the Trail.

Senator Robert Menendez (D-NJ) has introduced a companion bill (S. 3291) in the Senate.

COMMITTEE ACTION

H.R. 6602 was introduced on July 26, 2018, by Congressman Frank A. LoBiondo (R-NJ). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Federal Lands. On November 15, 2018, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. No amendments were offered, and the bill was ordered favorably reported to the House of Representatives by unanimous consent.

Hon. ROB BISHOP,
*Chairman, Committee on Natural Resources,

Enclosure.

H.R. 6602—A bill to reauthorize the New Jersey Coastal Heritage Trail Route, and for other purposes

H.R. 6602 would authorize the National Park Service (NPS) to co-manage the New Jersey Coastal Heritage Trail Route and provide technical assistance to state and local partners through 2025.

The NPS's previous authority to co-manage the route and provide assistance expired in 2011. Based on the previous costs for those activities, CBO estimates that the agency would spend about \$400,000 annually under the bill for two full-time employees, one part-time employee, and materials and signage. H.R. 6602 also would direct the NPS to develop a strategic plan for the route. Based on the costs of similar tasks, CBO estimates completing that plan would cost less than \$500,000. In total, CBO estimates that implementing the bill would cost about \$2 million over the 2019–2023 period; such spending would be subject to the availability of appropriated funds.

Enacting H.R. 6602 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 6602 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 6602 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Janani Shankaran. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to reauthorize the New Jersey Coastal Heritage Trail Route.
