PURPOSE AND SUMMARY

H.R. 3634, the Securing Electronic Records for Veterans' Ease Act of 2017, was introduced by Representative James A. Himes of Connecticut on August 1, 2017. H.R. 3634 would require the Department of Veterans Affairs (VA) to provide documentation of living stipend payments that would be paid to eligible veterans and dependents through the Post 9/11 GI Bill.

BACKGROUND AND NEED FOR LEGISLATION

Section 3313 of title 38, United States Code (U.S.C.), authorizes the payment of a housing allowance at the E-5 with dependents rate for eligible individuals based on the zip code where the student is taking the majority of their classes. This stipend is calculated based on the student's rate of pursuit and is meant to help defray the living costs the student incurs while attending school. Some veterans believe that VA does not provide sufficient information about the amount of monthly housing stipend GI Bill beneficiaries will receive to prove income when trying to obtain housing. Many veterans rely on their GI Bill housing stipend to pay for housing while they are using their benefits and attending school, therefore, it is necessary that they are able to show proof of sufficient income to qualify for rental and other housing. This point was emphasized at the October 11, 2017 Subcommittee on Economic Opportunity legislative hearing on the bill where Mr. William Hubbard, Vice President of Government Affairs for Student Veterans of America, testified:

For student veterans entering higher education after service, life can be quite different when compared to the traditional 18–22-year-old students. More than 40% of student veterans are between the ages of 25–34, and living in the dorms is not the preferred housing arrangement.¹ For those who choose to live outside of campus housing, demonstrating proof of income is a standard requirement to meet for most rental options. Unfortunately, many landlords do not recognize the housing stipend (BAH) as a form of income to be applied to rental worthiness.

This legislation proposes requiring the Department of Veterans Affairs (VA) to furnish students a statement of income for housing purposes based on their anticipated BAH payments. This is a common-sense solution that could easily solve a minor policy oversight that disproportionately affects student veterans with a tremendous burden.

The Committee agrees that additional documentation of living stipend payments would assist student veterans and other eligible dependents find housing. This section, therefore, would require the Secretary to electronically provide documentation that verifies the amount of the monthly housing stipend an individual receives under the GI Bill. This would allow beneficiaries to use this documentation as proof of income when applying for housing.

H.R. 3634—Securing Electronic Records for Veterans' Ease Act of 2017

Under the Post-9/11 GI Bill, the Department of Veterans Affairs (VA) pays some of the educational expenses at institutions of higher learning for eligible veterans and for military personnel who served on active duty for at least 90 days after September 11, 2001. Those people also can transfer their benefits to their spouses and children under certain conditions. VA pays an amount equal to the actual tuition and fees charged to in-state residents for students attending public institutions or, for students at private institutions,

an amount up to a maximum (\$22,805 for the 2017–2018 academic year). The program also provides a monthly housing allowance to some beneficiaries while they attend school.

H.R. 3634 would require VA to use an Internet website to inform beneficiaries of the amount of the monthly housing allowance to which they are entitled. The department currently provides that information for beneficiaries who are veterans. Because the department reports that it is in the process of making the same information available to other beneficiaries, CBO estimates that implementing H.R. 3634 would have no budgetary effect.

Enacting H.R. 3634 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 3634 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 3634 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is David Newman. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

FEDERAL MANDATES STATEMENT

With respect to the requirements of Section 423 of the Congressional Budget and Impoundment Control Act (as amended by Section 101(a)(2) of the Unfunded Mandate Reform Act, P.L. 104–4), the Committee adopts as its own the estimate of Federal mandates regarding H.R. 3634 prepared by the Director of the Congressional Budget Office.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act would be created by H.R. 3634.

CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to Article I, section 8 of the United States Constitution, H.R. 3634 is authorized by Congress' power to "provide for the common Defense and general Welfare of the United States."

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that H.R. 3634 does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

STATEMENT ON DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 3634 establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULEMAKING

Pursuant to section 3(i) of H. Res. 5, 115th Cong. (2017), H.R. 3634 would not require the Secretary to publish new regulations for carrying out this bill.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Sec. 1. Short title

This section that the short title of the bill is, “Securing Electronic Records for Veterans’ Ease Act of 2017.”

Sec. 2. Provision of monthly housing stipend information under Post-9/11 Educational Assistance Program of the Department of Veterans Affairs

This section would amend section 3313 of title 38, U.S.C., to create a new subsection (j). This new subsection would require that the Secretary provide documentation that verifies the amount of monthly housing stipend to eligible individuals receiving educational assistance through section 3313 of title 38, U.S.C. The section would also require that the Secretary provide this documentation to eligible individuals through the Department’s website.
