1st Session 115–410

PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 1) TO PROVIDE FOR RECONCILIATION PURSUANT TO TITLE II OF THE CONCURRENT RESOLUTION ON THE BUDGET FOR FISCAL YEAR 2018, AND PROVIDING FOR PROCEEDINGS DURING THE PERIOD FROM NOVEMBER 17, 2017, THROUGH NOVEMBER 27, 2017

NOVEMBER 15 (legislative day of NOVEMBER 14), 2017.—Referred to the House Calendar and ordered to be printed

Mr. SESSIONS, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 619]

The Committee on Rules, having had under consideration House Resolution 619, by a record vote of 8 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1, the Tax Cuts and Jobs Act, under a closed rule. The resolution provides four hours of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means.

The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment in the nature of a substitute consisting of the text of Rules Committee Print 115–39 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions. The resolution provides that clause 5(b) of rule XXI shall not apply to the bill or amendments thereto.

Section 2 of the resolution provides that upon passage of H.R. 1, the amendment to the title of such bill recommended by the Committee on Ways and Means now printed in the bill shall be considered as adopted.

Section 3 of the resolution provides that on any legislative day during the period from November 17, 2017, through November 27, 2017; the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the

House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment.

Section 4 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 3 of the resolution as though under clause 8(a) of rule I.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of the following:

- Clause 3(e)(1) of rule XIII (Ramseyer), which requires a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected;
- Clause 10 of rule XXI, which prohibits the consideration of a bill if it has the net effect of increasing mandatory spending over the five or ten year period. It is important to note that while the bill increases direct spending over five years, it reduces direct spending over ten years;
- Section 303(a) of the Congressional Budget Act, which prohibits consideration of legislation, as reported, providing new budget authority for a fiscal year until the budget resolution for that year has been agreed to; and
- Section 311(a) of the Congressional Budget Act of 1974, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution waives all points of order against provisions in the bill, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

Although the resolution provides that clause 5b of rule XXI does not apply to this bill, the rule isolates only specified provisions and does not look at the essential interactions of all the tax provisions. While the bill as a whole provides broad tax relief, the provision is necessary because of the narrow focus of the rule.
