PURPOSE AND SUMMARY

H.R. 3245 was introduced on July 14, 2017, by Rep. Gus Bilirakis (R-FL). H.R. 3245 would update both civil and criminal penalties in the Medicare program. Many of these penalties were last updated 20 years ago.

BACKGROUND AND NEED FOR LEGISLATION

The U.S. Government Accountability Office has for decades rated the Medicare program as a high-risk program for fraud due to its size, complexity, and susceptibility to improper payments. The Medicare Civil and Criminal Penalties Update Act addresses the ability of the Office of the Inspector General and the U.S. Department of Justice to address fraud and abuse by increasing civil and criminal fines. Some of these penalties have not been updated in over twenty years. These penalties include bribing or providing kickbacks, submitting false information, and making false statements in applications or claims for payments.

The Chief Counsel of HHS' Inspector General testified in 2011 stating:

The perpetrators of these [health care fraud] schemes range from street criminals, who believe it is safer and more profitable to steal more funds from Medicare than to traffic in illegal drugs, to Fortune 500 companies that pay kickbacks to physicians in return for referrals. . . . We are concerned that providers that engage in health care fraud may consider civil penalties and criminal fines a cost of doing business.

Increasing penalties creates a deterrent to criminals trying to defraud federal health care programs. These policies will also allow the government to recover more funds from those who target the system and return it to the Medicare trust funds, which strengthens the solvency of the Medicare program.

COMMITTEE ACTION

On July 20, 2017, the Subcommittee on Health held a hearing on H.R. 3263. The hearing was entitled "Examining Bipartisan Legislation to Improve the Medicare Program." The Subcommittee received testimony from:

- Lisa Bardach, Speech-Language Pathologist, ALS of Michigan;
- K. Eric De Jonge, President-Elect, American Academy of Home Care Medicine (AAHCM);
- Cletis Earle, Chairman-Elect, CHIME Board of Trustees;
- Mary Grealy, President, Healthcare Leadership Council;

On September 13, 2017, the Subcommittee on Health met in open markup session and forwarded H.R. 3245, without amendment, to the full Committee by a voice vote. On October 4, 2017, the full Committee on Energy and Commerce met in open markup session and ordered H.R. 3245, without amendment, favorably reported to the House by a voice vote.

COMMITTEE VOTES

Clause 3(b) of rule XIII requires the Committee to list the record votes on the motion to report legislation and amendments thereto. There were no record votes taken in connection with ordering H.R. 3245 reported.

OVERSIGHT FINDINGS AND RECOMMENDATIONS

Pursuant to clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII, the Committee held a hearing and made findings that are reflected in this report.

NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

Pursuant to clause 3(c)(2) of rule XIII, the Committee finds that H.R. 3245 would result in no new or increased budget authority, entitlement authority, or tax expenditures or revenues.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

Pursuant to clause 3(c)(3) of rule XIII, the following is the cost estimate provided by the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974:

H.R. 3245—Medicare Civil and Criminal Penalties Update Act

Summary: H.R. 3245 would modify certain monetary penalties (both civil and criminal) for violations of federal law related to health care programs. CBO estimates that H.R. 3245 would not have a significant budgetary impact. Enacting H.R. 3245 could affect direct spending and revenues; therefore, pay-as-you-go procedures apply.

CBO estimates that enacting H.R. 3245 would not have a significant effect on net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 3245 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA).

Basis of estimate: Under current law, the government may impose financial sanctions for violations of federal health care stat-

utes.¹ For example, it is illegal to bill federal health care programs for services that were not provided or that were provided by unlicensed professionals.

Those financial sanctions generally involve restitution—often between 150 percent and 300 percent of the amount that the federal government paid for illegally billed health care goods and services—and may involve an additional monetary penalty that may be assessed on a per-violation basis. The government may also exclude the perpetrator from participating in federal health care programs. Under current law, sections 1128A and 1128B of the Social Security Act establish penalties for each violation of “not more than” a specified amount—for example, not more than \$10,000 for violations related to false claims or claims provided by providers not eligible for payment. H.R. 3245 would increase that specified amount, either doubling or quadrupling it.

Based on discussions with staff of the Office of the Inspector General for the Department of Health and Human Services, CBO has concluded that the existing caps on the amount of the civil or criminal penalties for each violation almost never impose a constraint on the amount that may be collected through the combination of restitution and monetary penalties.

That conclusion is based on two considerations. First, restitution is the prosecutors’ main tool; they set the amount—for example, 200 percent of the amount of illegal billings—based on the egregiousness of the violation and the ability of the perpetrator to pay. Second, nearly all cases involve numerous illegal claims, so imposing the current maximum penalty on each claim would risk violating the prohibition on excessive fines under the Eighth Amendment to the U.S. Constitution.

Based on those considerations, CBO estimates that enacting H.R. 3245 would not have a significant effect on direct spending or revenues over the 2018–2027 period.

Pay-As-You-Go considerations: The bill would increase the cap on the amount of monetary penalties that may be assessed for each violation of federal health care statutes. Such a change in limits on penalties could affect direct spending and revenues; therefore pay-as-you-go applies to the bill. However, based on the small number of cases that would be affected, CBO estimates that any such effects would be insignificant.

Increase in long-term direct spending and deficits: CBO estimates that enacting the legislation would not increase budget deficits in any of the four consecutive 10-year periods beginning in 2028.

Mandates: H.R. 3245 contains no intergovernmental or private-sector mandates as defined in UMRA.

Estimate prepared by: Federal Costs: Lara Robillard; Mandates: Amy Petz.

Estimate approved by: Theresa Gullo, Assistant Director for Budget Analysis.

¹All penalties collected, both civil and criminal, are revenues and some result in new direct spending. Some penalties collected for violations that occurred in a state Medicaid program or in programs funded by the Maternal and Child Health Block Grant are returned to the states. Amounts paid to states or to other federal programs with the authority to spend them without further appropriations action would be direct spending.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of rule XIII, the general performance goal or objective of this legislation is to update both civil and criminal penalties in the Medicare program.

DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII, no provision of H.R. 3245 is known to be duplicative of another Federal program, including any program that was included in a report to Congress pursuant to section 21 of Public Law 111-139 or the most recent Catalog of Federal Domestic Assistance.

COMMITTEE COST ESTIMATE

Pursuant to clause 3(d)(1) of rule XIII, the Committee adopts as its own the cost estimate prepared by the Director of the Congressional Budget Office pursuant to section 402 of the Congressional Budget Act of 1974.

EARMARK, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

Pursuant to clause 9(e), 9(f), and 9(g) of rule XXI, the Committee finds that H.R. 3245 contains no earmarks, limited tax benefits, or limited tariff benefits.

DISCLOSURE OF DIRECTED RULE MAKINGS

Pursuant to section 3(i) of H. Res. 5, the Committee finds that H.R. 3245 contains no directed rule makings.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Section 1. Short title

Section 1 provides that the Act may be cited as the “Medicare Civil and Criminal Penalties Update Act.”

Section 2. Increased civil and criminal penalties and increased sentences for federal health care program fraud and abuse

(ii) three times the amount of the payments under title XVIII for home health services which are made pursuant to such certification.

(B) A document described in this subparagraph is any document that certifies, for purposes of title XVIII, that an individual meets the requirements of section 1814(a)(2)(C) or 1835(a)(2)(A) in the case of home health services furnished to the individual.

(c)(1) The Secretary may initiate a proceeding to determine whether to impose a civil money penalty, assessment, or exclusion under subsection (a) or (b) only as authorized by the Attorney General pursuant to procedures agreed upon by them. The Secretary may not initiate an action under this section with respect to any claim, request for payment, or other occurrence described in this section later than six years after the date the claim was presented, the request for payment was made, or the occurrence took place. The Secretary may initiate an action under this section by serving notice of the action in any manner authorized by Rule 4 of the Federal Rules of Civil Procedure.

(2) The Secretary shall not make a determination adverse to any person under subsection (a) or (b) until the person has been given written notice and an opportunity for the determination to be made on the record after a hearing at which the person is entitled to be represented by counsel, to present witnesses, and to cross-examine witnesses against the person.

(3) In a proceeding under subsection (a) or (b) which—

(A) is against a person who has been convicted (whether upon a verdict after trial or upon a plea of guilty or nolo contendere) of a Federal crime charging fraud or false statements, and

(B) involves the same transaction as in the criminal action, the person is estopped from denying the essential elements of the criminal offense.

(4) The official conducting a hearing under this section may sanction a person, including any party or attorney, for failing to comply with an order or procedure, failing to defend an action, or other misconduct as would interfere with the speedy, orderly, or fair con-

duct of the hearing. Such sanction shall reasonably relate to the severity and nature of the failure or misconduct. Such sanction may include—

(A) in the case of refusal to provide or permit discovery, drawing negative factual inferences or treating such refusal as an admission by deeming the matter, or certain facts, to be established,

(B) prohibiting a party from introducing certain evidence or otherwise supporting a particular claim or defense,

(C) striking pleadings, in whole or in part,

(D) staying the proceedings,

(E) dismissal of the action,

(F) entering a default judgment,

(G) ordering the party or attorney to pay attorneys' fees and other costs caused by the failure or misconduct, and

(H) refusing to consider any motion or other action which is not filed in a timely manner.

(d) In determining the amount or scope of any penalty, assessment, or exclusion imposed pursuant to subsection (a) or (b), the Secretary shall take into account—

(1) the nature of claims and the circumstances under which they were presented,

(2) the degree of culpability, history of prior offenses, and financial condition of the person presenting the claims, and

(3) such other matters as justice may require.

(e) Any person adversely affected by a determination of the Secretary under this section may obtain a review of such determination in the United States Court of Appeals for the circuit in which the person resides, or in which the claim or specified claim was presented, by filing in such court (within sixty days following the date the person is notified of the Secretary's determination) a written petition requesting that the determination be modified or set aside. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary, and thereupon the Secretary shall file in the Court the record in the proceeding as provided in section 2112 of title 28, United States Code. Upon such filing, the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have the power to make and enter upon the pleadings, testimony, and proceedings set forth in such record a decree affirming, modifying, remanding for further consideration, or setting aside, in whole or in part, the determination of the Secretary and enforcing the same to the extent that such order is affirmed or modified. No objection that has not been urged before the Secretary shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. The findings of the Secretary with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Secretary, the court may order such additional evidence to be taken before the Secretary and to be made a part of the record. The Secretary may modify his findings as to the facts, or make new findings, by reason

of additional evidence so taken and filed, and he shall file with the court such modified or new findings, which findings with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive, and his recommendations, if any, for the modification or setting aside of his original order. Upon the filing of the record with it, the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Supreme Court of the United States, as provided in section 1254 of title 28, United States Code.

(f) Civil money penalties and assessments imposed under this section may be compromised by the Secretary and may be recovered in a civil action in the name of the United States brought in United States district court for the district where the claim or specified claim (as defined in subsection (r)) was presented, or where the claimant (or, with respect to a person described in subsection (o), the person) resides, as determined by the Secretary. Amounts recovered under this section shall be paid to the Secretary and disposed of as follows:

(1)(A) In the case of amounts recovered arising out of a claim under title XIX, there shall be paid to the State agency an amount bearing the same proportion to the total amount recovered as the State's share of the amount paid by the State agency for such claim bears to the total amount paid for such claim.

(B) In the case of amounts recovered arising out of a claim under an allotment to a State under title V, there shall be paid to the State agency an amount equal to three-sevenths of the amount recovered.

(2) Such portion of the amounts recovered as is determined to have been paid out of the trust funds under sections 1817 and 1841 shall be repaid to such trust funds.

(3) With respect to amounts recovered arising out of a claim under a Federal health care program (as defined in section 1128B(f)), the portion of such amounts as is determined to have been paid by the program shall be repaid to the program, and the portion of such amounts attributable to the amounts recovered under this section by reason of the amendments made by the Health Insurance Portability and Accountability Act of 1996 (as estimated by the Secretary) shall be deposited into the Federal Hospital Insurance Trust Fund pursuant to section 1817(k)(2)(C).

(4) The remainder of the amounts recovered shall be deposited as miscellaneous receipts of the Treasury of the United States.

The amount of such penalty or assessment, when finally determined, or the amount agreed upon in compromise, may be deducted from any sum then or later owing by the United States or a State agency (or, in the case of a penalty or assessment under subsection (o), by a specified State agency (as defined in subsection (q)(6)), to the person against whom the penalty or assessment has been assessed.

(g) A determination by the Secretary to impose a penalty, assessment, or exclusion under subsection (a) or (b) shall be final upon the expiration of the sixty-day period referred to in subsection (e). Matters that were raised or that could have been raised in a hear-

ing before the Secretary or in an appeal pursuant to subsection (e) may not be raised as a defense to a civil action by the United States to collect a penalty, assessment, or exclusion assessed under this section.

(h) Whenever the Secretary's determination to impose a penalty, assessment, or exclusion under subsection (a) or (b) becomes final, he shall notify the appropriate State or local medical or professional organization, the appropriate State agency or agencies administering or supervising the administration of State health care programs (as defined in section 1128(h)), and the appropriate utilization and quality control peer review organization, and the appropriate State or local licensing agency or organization (including the agency specified in section 1864(a) and 1902(a)(33)) that such a penalty, assessment, or exclusion has become final and the reasons therefor.
