(1) homeless veterans (including veterans who were homeless but found housing during the 60-day period preceding the date on which the veteran begins to participate in a program under this section);
(2) veterans participating in the Department of Veterans Affairs supported housing program for which rental assistance is provided pursuant to section 8(o)(19) of the United States Housing Act of 1937 (42 U.S.C. 1437f(o)(19)) or the Tribal HUD–VA Supportive Housing (Tribal HUD–VASH) program;
(3) Indians who are veterans and receiving assistance under the Native American Housing Assistance and Self Determination Act of 1996 (25 U.S.C. 4101 et seq.);
(4) veterans described in section 2023(e) of this title or any other veterans who are transitioning from being incarcerated; and
(5) veterans participating in the Department of Veterans Affairs rapid rehousing and prevention program authorized in section 2044 of this title.

PURPOSE AND SUMMARY
H.R. 4451, as amended, the "Homeless Veterans' Reintegration Programs Reauthorization Act of 2017," would reauthorize the Homeless Veterans' Reintegration Program (HVRP) and Homeless Women Veterans and Homeless Veterans with Children Reintegration Grant Program (HVRP–W) through fiscal year 2022. In addition, the bill would expand the definition of homeless veterans thereby making more veterans eligible for training under these programs. Representative Brad Wenstrup of Ohio introduced H.R. 4451 on November 16, 2017.

BACKGROUND AND NEED FOR LEGISLATION
Sections 2021 and 2021A of title 38, United States Code (U.S.C.) authorizes HVRP and HVRP–W. These are grant programs managed by the U.S. Department of Labor's (DOL) Veterans Employment and Training Service (VETS). Grants are made generally to non-profit, community-based organizations to fund efforts to train and place homeless veterans in jobs. According to testimony provided by Mr. Matt Miller, the Deputy Assistant Secretary for VETS at DOL, the performance of this program has been positive:

In FY 2017, the HVRP program received an appropriation of $45 million with which the Department awarded 74 new HVRP grants, 81 option year HVRP grants. These grantees will provide services to over 16,230 homeless vet-
erans, with a placement rate of 67 percent, who earned an average hourly wage at placement of $12.88 an hour.¹

The Committee believes the program’s success justifies its continuation as a part of the overall effort to reduce homelessness among veterans of all ages. At the legislative hearing on this bill held on March 20, 2018, the Subcommittee on Economic Opportunity received unanimous support for the extension of this program as it continues to provide homeless veterans with the job training necessary to break the cycle of homelessness.

Therefore, this bill would extend the annual authorization of $50 million in appropriations for HVRP until September 30, 2022, and would also reauthorize the HVRP–W until September 30, 2022. HVRP–W provides specific funding to grantees that help homeless women veterans and homeless veterans with children. Finally, this bill would also clarify and expand the definition of homeless veterans who are eligible for assistance under HVRP and HVRP–W. This change would ensure that all recently homeless veterans and participants in other Department of Veterans Affairs (VA) and Department of Housing and Urban Development (HUD) homeless prevention and grant programs would be eligible for HVRP and HVRP–W. These programs would include: the U.S. Department of Housing and Urban Development–VA Supportive Housing (HUD–VASH); Supportive Services for Veteran Families (SSVF); the HUD–VASH program for Native American veterans; veterans who are transitioning from incarceration; and other recently homeless veterans. This change in eligibility was a specific recommendation from the written testimony of Ms. Angela Williamson, the Chief Executive Officer of Easter Seals, which is also an HVRP grantee, at an oversight hearing the Subcommittee on Economic Opportunity and Subcommittee on Health held on January 18, 2018.²

The Committee believes that expanding eligibility for HVRP and HVRP–W will provide participants in these programs better access to job training programs that can help homeless veterans on their path to sustainable employment and positive outcomes. This expansion would also occur without impacting current authorization levels for this program.

H.R. 4451—Homeless Veterans’ Reintegration Programs Reauthorization Act of 2017

Summary: H.R. 4451 would authorize appropriations for two grant programs for homeless veterans through 2022. CBO estimates that implementing the bill would cost $188 million over the 2019–2023 period, assuming appropriation of the specified amounts.

Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.
CBO estimates that enacting H.R. 4451 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 4451 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA).

Estimated cost to the Federal Government: The estimated budgetary effect of H.R. 4451 is shown in the following table. The costs of the legislation fall within budget function 700 (veterans benefits and services).

Basis of estimate: For this estimate, CBO assumes that H.R. 4451 will be enacted near the beginning of fiscal year 2019 and that the specified amounts will be appropriated each year. Estimated outlays are based on historical spending patterns for the affected programs.

The bill would authorize appropriations of $50 million each year over the 2019–2022 period for the homeless veterans reintegration program (HVRP). The bill also would authorize appropriations of $1 million a year over that same period for the reintegration grant program for homeless women veterans and homeless veterans with children. HVRP provides grants to agencies and organizations that provide job placement, training, and vocational counseling to homeless veterans. In addition to those services offered under HVRP, the reintegration program for homeless women veterans and homeless veterans with children also provides child care services. In 2018, approximately $50 million was appropriated for those reintegration programs. Assuming appropriation of the authorized amounts, CBO estimates that implementing this bill would cost $188 million over the 2019–2023 period.

Pay-As-You-Go considerations: None.

Increase in long-term direct spending and deficits: CBO estimates that enacting H.R. 4451 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

Mandates: H.R. 4451 contains no intergovernmental or private-sector mandates as defined in UMRA.

Estimate reviewed by: Sarah Jennings, Chief, Defense and International Affairs Cost Estimates Unit; Leo Lex, Deputy Assistant Director for Budget Analysis.

The Committee has requested but not received from the Director of the Congressional Budget Office a statement as to whether this bill contains any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.
FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates regarding H.R. 4451, as amended, prepared by the Director of the Congressional Budget Office. Pursuant to section 423 of the Unfunded Mandated Reform Act:

With respect to the requirements of Section 423 of the Congressional Budget and Impoundment Control Act (as amended by Section 101(a)(2) of the Unfunded Mandate Reform Act, P.L. 104–4), the Committee has requested but not received from the Director of the Congressional Budget Office a statement as to whether the provisions of the reported bill include unfunded mandates.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act would be created by H.R. 4451, as amended.

CONSTITUTIONAL AUTHORITY STATEMENT

Pursuant to Article I, section 8 of the United States Constitution, H.R. 4451, as amended, is authorized by Congress’ power to “provide for the common Defense and general Welfare of the United States.”

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that H.R. 4451, as amended, does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

STATEMENT ON DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee finds that no provision of H.R. 4451, as amended, establishes or reauthorizes a program of the Federal Government known to be duplicative of another Federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

DISCLOSURE OF DIRECTED RULEMAKING

Pursuant to section 3(i) of H. Res. 5, 115th Cong. (2017), H.R. 4451, as amended, would not require the Secretary to publish new regulations for carrying out this bill.
