PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 6237) TO AUTHORIZE APPROPRIATIONS FOR FISCAL YEARS 2018 AND 2019 FOR INTELLIGENCE AND INTELLIGENCE-RELATED ACTIVITIES OF THE UNITED STATES GOVERNMENT, THE COMMUNITY MANAGEMENT ACCOUNT, AND THE CENTRAL INTELLIGENCE AGENCY RETIREMENT AND DISABILITY SYSTEM, AND FOR OTHER PURPOSES

JULY 11, 2018.—Referred to the House Calendar and ordered to be printed

Mr. COLLINS of Georgia, from the Committee on Rules, submitted the following

R E P O R T

[To accompany H. Res. 989]

The Committee on Rules, having had under consideration House Resolution 989, by a record vote of 6 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 6237, the Matthew Young Pollard Intelligence Authorization Act for Fiscal Years 2018 and 2019, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Permanent Select Committee on Intelligence. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for purpose of amendment an amendment in the nature of a substitute consisting of the text of Rules Committee Print 115–80 and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.
EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of the bill, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

It is important to note that the estimate provided by the Congressional Budget Office (CBO) to the Permanent Select Committee on Intelligence and the Committee on the Budget is incomplete due to the fact that CBO is only permitted to score the unclassified portions of the bill. Because the estimate is incomplete, the Chair of the Committee on the Budget is unable to accurately advise the Chair on budget related points of order.

The waiver of all points of order against the amendment in the nature of a substitute made in order as original text includes a waiver of clause 5(a) of rule XXI, which prohibits a bill or joint resolution carrying a tax or tariff measure from being reported by a committee not having jurisdiction to report tax or tariff measures.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
