I. SUMMARY AND BACKGROUND

A. PURPOSE AND SUMMARY

The bill H.R. 6311, as reported by the Committee on Ways and Means, provides an off-ramp from Obamacare’s rising premiums and limited choices by allowing the premium tax credit to be used for qualified plans offered outside of the law’s exchanges and Healthcare.gov. In addition, it expands access to the lowest-premium plans available (“catastrophic” plans) for all individuals purchasing coverage in the individual market and allows the premium tax credit to be used to offset the cost of such plans.

B. BACKGROUND AND NEED FOR LEGISLATION

Obamacare’s flawed policies have increased the cost of coverage in the individual market by 105 percent over 2013–2017 on average. As Republicans continue their efforts to reverse Obamacare’s damage, policies such as those included in this bill will help to lower premiums and increase choices for Americans.

Obamacare’s tax credits are only available to offset the cost of bronze, silver, gold, and platinum health care plans that are sold on the law’s government-run health insurance exchanges. Catastrophic plans are not eligible for the premium tax credit. In addition, catastrophic plans are only available to those under age 30 or those over age 30 that qualify for a hardship exemption.

C. LEGISLATIVE HISTORY

Background

H.R. 6311 was introduced on July 6, 2018 and was referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.

Committee action

The Committee on Ways and Means marked up H.R. 6311, the “Increasing Access to Lower Premium Plans Act of 2018,” on July 12, 2018, and ordered the bill, as amended, favorably reported (with a quorum being present).

Committee hearings

The policy issues associated with tax pertaining to health care and the ACA were discussed at the following Ways and Means hearings during the 114th and 115th Congresses:

• Full Committee Hearing on the Tax Treatment of Health Care (April 14, 2016)
• Subcommittee on Health Member Day Hearing on Tax-Related Proposals to Improve Health Care (May 17, 2016)
• Subcommittee on Health Hearing on Rising Health Insurance Premiums Under the Affordable Care Act (July 12, 2016)
II. EXPLANATION OF THE BILL

A. MODIFICATION OF DEFINITION OF QUALIFIED HEALTH PLAN

PRESENT LAW

In general

A refundable tax credit (the “premium assistance credit”) is provided for eligible individuals and families to subsidize the purchase of health insurance plans through an American Health Benefit Exchange (“Exchange”), referred to as “qualified health plans.”1 The premium assistance credit is generally payable in advance directly to the insurer, as discussed below. However, eligible individuals may choose to pay their total health insurance premiums out-of-pocket and claim the credit at the end of the taxable year.

Qualified health plans generally must meet certain requirements.2 Special rules apply to certain qualified health plans, referred to as “catastrophic-only” qualified health plans, which are available only to individuals who are under age 30 or meet other specified requirements.3 The premium assistance credit is not available with respect to catastrophic-only qualified health plans.4 In addition, in the case of a qualified health plan that provides coverage for abortions for which Federal funds may not be used, no part of the premium assistance credit may be used for the portion of premiums attributable to that coverage.5

The premium assistance credit is generally available for individuals (single or joint filers) with household incomes between 100 and 400 percent of the Federal poverty level (“FPL”) for the family size involved. Household income is defined as the sum of: (1) the individual's modified adjusted gross income, plus (2) the aggregate modified adjusted gross incomes of all other individuals taken into account in determining the individual's family size (but only if the other individuals are required to file a tax return for the taxable year). Modified adjusted gross income is defined as adjusted gross income increased by: (1) any amount excluded from gross income for citizens or residents living abroad,6 (2) any tax-exempt interest received or accrued during the tax year, and (3) the portion of the individual's social security benefits not included in gross income.7 To be eligible for the premium assistance credit, individuals who are married must file a joint return. Individuals who are listed as

1 Sec. 36B. Section 36B was enacted as part of the Patient Protection and Affordable Care Act (“PPACA”), Pub. L. No. 111–148, and modified by the Healthcare and Education Reconciliation Act of 2010 (“HCERA”), Pub. L. No. 111–152. PPACA and HCERA are referred to collectively as the Affordable Care Act (“ACA”).
2 Secs. 1301 and 1302 of PPACA.
3 Sec. 1302(e) of PPACA.
4 Under the Public Health Service Act (“PHSA”) as amended by the ACA, health insurance must meet certain requirements. Section 1251 of PPACA excepts certain health plans sold at the time of enactment of PPACA from some of the PHSA requirements (“grandfathered” plans). The premium assistance credit is not available with respect to a grandfathered plan or plans that receive similar treatment under administrative guidance.
5 Sec. 1303(b)(2) of PPACA.
6 Sec. 911.
7 Under section 86, only a portion of an individual’s social security benefits are included in gross income.
dependents on a return are not eligible for the premium assistance credit.

An individual who is eligible for minimum essential coverage from a source other than the individual insurance market generally is not eligible for the premium assistance credit. However, an individual who is offered minimum essential coverage under an employer-sponsored health plan may be eligible for the premium assistance credit if an employee’s share of the premium for self-only coverage exceeds 9.56 percent (for 2018) of the employee’s household income, or the plan’s share of total allowed costs of benefits provided under the plan is less than 60 percent of such costs (called “minimum value”), and the individual declines the employer-offered coverage. An individual who enrolls in an employer-sponsored health plan generally is ineligible for the premium assistance credit, even if the coverage is considered unaffordable or does not provide minimum value.

As part of the process of enrollment in a qualified health plan through an Exchange, an individual may apply and be approved in advance for a premium assistance credit. The individual must provide information on income, family size, changes in marital or family status or income, and citizenship or lawful presence status. Initial eligibility for the premium assistance credit is generally based on the individual’s income for the tax year ending two years prior to the enrollment period. The Exchange process includes a system through which information provided by the individual is verified with the Internal Revenue Service ("IRS"), the Social Security Administration ("SSA") and the Department of Homeland Security ("DHS"). If an individual is approved for advance premium assistance payments, the Treasury pays the advance amount directly to the issuer of the health plan in which the individual is enrolled. The individual then pays to the issuer of the plan the difference between the advance payment amount and the total premium charged for the plan.

REASONS FOR CHANGE

The Committee believes that tax credits provided to offset the cost of health plans provided on government exchanges should also be available to offset the cost of similar health plans offered outside the government exchanges. This would expand the choices available to individuals and families and empower them to make decisions based on their specific needs and budgets.
Furthermore, the Committee believes that Federal assistance in the form of premium tax credits should not be available for health plans that cover elective abortion. This would allow individuals to avoid directly, unwittingly, and unwillingly subsidizing abortion.

EXPLANATION OF PROVISION

Application of credit to additional coverage

Qualified health plans generally must meet certain requirements. Under the proposal, the premium assistance credit is available with respect to catastrophic plans that meet the requirements relating to qualified health plans. Under the proposal, the premium assistance credit is also available with respect to health plans that meet the requirements relating to qualified health plans except that they are not offered through an Exchange. Thus, an individual who purchases a qualified health plan in the individual market, but not through an Exchange, may be eligible for the premium assistance credit if the requirements for eligibility are otherwise met. However, advance premium assistance payments are not available with respect to a qualified health plan that is not purchased through an Exchange. An individual who purchases such a plan must claim the premium assistance credit on his or her income tax return.

Under present law, any person that provides minimum essential coverage to an individual during a calendar year must report certain information to the IRS. The proposal requires additional information reporting for minimum essential coverage provided to an individual that is not enrolled through an Exchange.

As under present law, the credit is not available with respect to grandfathered plans or plans that receive similar treatment under administrative guidance. In addition, the proposal specifies that the credit is not available with respect to grandmothered plans. Under the proposal, a grandmothered health plan is defined to be health insurance coverage which is offered in the individual health insurance market as of October 1, 2013, and is permitted to be offered in such market after January 1, 2014, as a result of CCIIO guidance.

Ineligibility of qualified health plans covering abortion

Under the proposal, the premium assistance credit is not available with respect to a qualified health plan that provides coverage for abortions for which Federal funds may not be used. However,
nothing in the proposal prohibits an individual from purchasing, or a health insurance issuer from offering separate coverage for abortions, or a health plan that includes abortions, as long as no premium assistance credit is allowed with respect to the premiums for such coverage and premiums are not paid for with any amount attributable to the premium assistance credit (or the amount of any advance payment of the credit).

EFFECTIVE DATE

The modifications to the premium assistance credit are generally effective for taxable years beginning after December 31, 2018. The proposal specifying that advance premium assistance payments are not available with respect to a qualified health plan that is not purchased through an Exchange is effective on January 1, 2019. The proposal amending the present-law reporting requirements under section 6055 is effective for coverage provided for months beginning after December 31, 2018.

1 Estimate provided by the staff of the Joint Committee on Taxation and the Congressional Budget Office.

2 Estimate includes the following outlay effects:
Pursuant to clause 8 of rule XIII of the Rules of the House of Representatives, the following statement is made by the Joint Committee on Taxation with respect to the provisions of the bill amending the Internal Revenue Code of 1986: The gross budgetary effect (before incorporating macroeconomic effects) in any fiscal year is less than 0.25 percent of the current projected gross domestic product of the United States for that fiscal year; therefore, the bill is not “major legislation” for purposes of requiring that the estimate include the budgetary effects of changes in economic output, employment, capital stock and other macroeconomic variables.

B. STATEMENT REGARDING NEW BUDGET AUTHORITY AND TAX EXPENDITURES BUDGET AUTHORITY

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee states that the bill involves no new or increased budget authority. The Committee further states that the revenue-reducing tax provision involves a new tax expenditure. See Part IV.A., above.

C. COST ESTIMATE PREPARED BY THE CONGRESSIONAL BUDGET OFFICE

In compliance with clause 3(d) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the effects on the budget of the bill, H.R. 6138, as reported. As of the filing of this report, the Committee had not received an estimate prepared by the Congressional Budget Office (CBO).

V. OTHER MATTERS TO BE DISCUSSED UNDER THE RULES OF THE HOUSE

A. COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Pursuant to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee advises that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated into the description portions of this report.

B. STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

With respect to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee advises that the bill contains no measure that authorizes funding, so no statement of general performance goals and objectives for which any measure authorizes funding is required.

C. INFORMATION RELATING TO UNFUNDED MANDATES

This information is provided in accordance with section 423 of the Unfunded Mandates Reform Act of 1995 (Pub. L. No. 104–4). The Committee has determined that the bill does not contain Federal mandates on the private sector. The Committee has determined that the bill does not impose a Federal intergovernmental mandate on State, local, or tribal governments.
D. Applicability of House Rule XXI 5(b)

Rule XXI 5(b) of the Rules of the House of Representatives provides, in part, that “A bill or joint resolution, amendment, or conference report carrying a Federal income tax rate increase may not be considered as passed or agreed to unless so determined by a vote of not less than three-fifths of the Members voting, a quorum being present.” The Committee has carefully reviewed the bill and states that the bill does not involve any Federal income tax rate increases within the meaning of the rule.

E. Tax Complexity Analysis

Section 4022(b) of the Internal Revenue Service Restructuring and Reform Act of 1998 (“IRS Reform Act”) requires the staff of the Joint Committee on Taxation (in consultation with the Internal Revenue Service and the Treasury Department) to provide a tax complexity analysis. The complexity analysis is required for all legislation reported by the Senate Committee on Finance, the House Committee on Ways and Means, or any committee of conference if the legislation includes a provision that directly or indirectly amends the Internal Revenue Code of 1986 and has widespread applicability to individuals or small businesses.

Pursuant to clause 3(h)(1) of rule XIII of the Rules of the House of Representatives, the staff of the Joint Committee on Taxation has determined that a complexity analysis is not required under section 4022(b) of the IRS Reform Act because the bill contains no provisions that amend the Internal Revenue Code of 1986 and have “widespread applicability” to individuals or small businesses, within the meaning of the rule.

F. Congressional Earmarks, Limited Tax Benefits, and Limited Tariff Benefits

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee has carefully reviewed the provisions of the bill and states that the provisions of the bill do not contain any congressional earmarks, limited tax benefits, or limited tariff benefits within the meaning of the rule.

G. Duplication of Federal Programs

In compliance with Sec. 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee states that no provision of the bill establishes or reauthorizes: (1) a program of the Federal Government known to be duplicative of another Federal program, (2) a program included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111-139, or (3) a program related to a program identified in the most recent Catalog of Federal Domestic Assistance, published pursuant to section 6104 of title 31, United States Code.

H. Disclosure of Directed Rule Makings

In compliance with Sec. 3(i) of H. Res. 5 (115th Congress), the following statement is made concerning directed rule makings: The Committee advises that the bill requires no directed rule makings within the meaning of such section.

PART IV—CREDITS AGAINST TAX

Subpart C—Refundable Credits

SEC. 36B. REFUNDABLE CREDIT FOR COVERAGE UNDER A QUALIFIED HEALTH PLAN.

(a) In general.—In the case of an applicable taxpayer, there shall be allowed as a credit against the tax imposed by this subtitle for any taxable year an amount equal to the premium assistance credit amount of the taxpayer for the taxable year.

(b) Premium assistance credit amount.—For purposes of this section—

(1) In general.—The term “premium assistance credit amount” means, with respect to any taxable year, the sum of the premium assistance amounts determined under paragraph (2) with respect to all coverage months of the taxpayer occurring during the taxable year.
(2) PREMIUM ASSISTANCE AMOUNT.—The premium assistance amount determined under this subsection with respect to any coverage month is the amount equal to the lesser of—

(A) the monthly premiums for such month for 1 or more qualified health plans offered in the individual market within a State which cover the taxpayer, the taxpayer's spouse, or any dependent (as defined in section 152) of the taxpayer [and which were enrolled in through an Exchange established by the State under 1311 of the Patient Protection and Affordable Care Act, or], or

(ii) an amount equal to $\frac{1}{12}$ of the product of the applicable percentage and the taxpayer's household income for the taxable year.

(3) OTHER TERMS AND RULES RELATING TO PREMIUM ASSISTANCE AMOUNTS.—For purposes of paragraph (2)—

(A) APPLICABLE PERCENTAGE.—

(i) IN GENERAL.—Except as provided in clause (ii), the applicable percentage for any taxable year shall be the percentage such that the applicable percentage for any taxpayer whose household income is within an income tier specified in the following table shall increase, on a sliding scale in a linear manner, from the initial premium percentage to the final premium percentage specified in such table for such income tier:

(ii) INDEXING.—

(I) IN GENERAL.—Subject to subclause (II), in the case of taxable years beginning in any calendar year after 2014, the initial and final applicable percentages under clause (i) (as in effect for the preceding calendar year after application of this clause) shall be adjusted to reflect the excess of the rate of premium growth for the preceding calendar year over the rate of income growth for the preceding calendar year.

(II) ADDITIONAL ADJUSTMENT.—Except as provided in subclause (III), in the case of any calendar year after 2018, the percentages described in subclause (I) shall, in addition to the adjustment under subclause (I), be adjusted to reflect the excess (if any) of the rate of premium growth
estimated under subclause (I) for the preceding calendar year over the rate of growth in the consumer price index for the preceding calendar year.

(III) FAILSAFE.—Subclause (II) shall apply for any calendar year only if the aggregate amount of premium tax credits under this section and cost-sharing reductions under section 1402 of the Patient Protection and Affordable Care Act for the preceding calendar year exceeds an amount equal to 0.504 percent of the gross domestic product for the preceding calendar year.

(B) APPLICABLE SECOND LOWEST COST SILVER PLAN.—The applicable second lowest cost silver plan with respect to any applicable taxpayer is the second lowest cost silver plan of the individual market in the rating area in which the taxpayer resides which—

(i) is offered through [the same Exchange through which the qualified health plans taken into account under paragraph (2)(A) were offered, and] the Exchange through which such taxpayer is permitted to obtain coverage, and

(ii) provides—

(I) self-only coverage in the case of an applicable taxpayer—

(aa) whose tax for the taxable year is determined under section 1(c) (relating to unmarried individuals other than surviving spouses and heads of households) and who is not allowed a deduction under section 151 for the taxable year with respect to a dependent, or

(bb) who is not described in item (aa) but who purchases only self-only coverage, and

(II) family coverage in the case of any other applicable taxpayer.

If a taxpayer files a joint return and no credit is allowed under this section with respect to 1 of the spouses by reason of subsection (e), the taxpayer shall be treated as described in clause (ii)(I) unless a deduction is allowed under section 151 for the taxable year with respect to a dependent other than either spouse and subsection (e) does not apply to the dependent.

(C) ADJUSTED MONTHLY PREMIUM.—The adjusted monthly premium for an applicable second lowest cost silver plan is the monthly premium which would have been charged (for the rating area with respect to which the premiums under paragraph (2)(A) were determined) for the plan if each individual covered under a qualified health plan taken into account under paragraph (2)(A) were covered by such silver plan and the premium was adjusted only for the age of each such individual in the manner allowed under section 2701 of the Public Health Service Act. In the case of a State participating in the wellness discount demonstration project under section 2705(d) of the Public Health Service Act, the adjusted monthly premium shall
be determined without regard to any premium discount or rebate under such project.

(D) ADDITIONAL BENEFITS.—If—

(i) a qualified health plan under section 1302(b)(5) of the Patient Protection and Affordable Care Act offers benefits in addition to the essential health benefits required to be provided by the plan, or

(ii) a State requires a qualified health plan under section 1311(d)(3)(B) of such Act to cover benefits in addition to the essential health benefits required to be provided by the plan,

the portion of the premium for the plan properly allocable (under rules prescribed by the Secretary of Health and Human Services) to such additional benefits shall not be taken into account in determining either the monthly premium or the adjusted monthly premium under paragraph (2).

(E) SPECIAL RULE FOR PEDIATRIC DENTAL COVERAGE.—For purposes of determining the amount of any monthly premium, if an individual enrolls in both a qualified health plan and a plan described in section 1311(d)(2)(B)(i) of the Patient Protection and Affordable Care Act for any plan year, the portion of the premium for the plan described in such section that (under regulations prescribed by the Secretary) is properly allocable to pediatric dental benefits which are included in the essential health benefits required to be provided by a qualified health plan under section 1302(b)(1)(J) of such Act shall be treated as a premium payable for a qualified health plan.

(c) DEFINITION AND RULES RELATING TO APPLICABLE TAXPAYERS, COVERAGE MONTHS, AND QUALIFIED HEALTH PLAN.—For purposes of this section—

(1) APPLICABLE TAXPAYER.—

(A) IN GENERAL.—The term “applicable taxpayer” means, with respect to any taxable year, a taxpayer whose household income for the taxable year equals or exceeds 100 percent but does not exceed 400 percent of an amount equal to the poverty line for a family of the size involved.

This clause shall also apply to an individual who is eligible to enroll in the plan by reason of a relationship the individual bears to the employee.

(ii) COVERAGE MUST PROVIDE MINIMUM VALUE.—Except as provided in clause (iii), an employee shall not be treated as eligible for minimum essential coverage if such coverage consists of an eligible employer-sponsored plan (as defined in section 5000A(f)(2)) and the plan's share of the total allowed costs of benefits pro-
vided under the plan is less than 60 percent of such costs.

(iii) EMPLOYEE OR FAMILY MUST NOT BE COVERED UNDER EMPLOYER PLAN.—Clauses (i) and (ii) shall not apply if the employee (or any individual described in the last sentence of clause (i)) is covered under the eligible employer-sponsored plan or the grandfathered health plan.

(iv) INDEXING.—In the case of plan years beginning in any calendar year after 2014, the Secretary shall adjust the 9.5 percent under clause (i)(II) in the same manner as the percentages are adjusted under subsection (b)(3)(A)(ii).

(3) DEFINITIONS AND OTHER RULES.—

(A) QUALIFIED HEALTH PLAN.—The term “qualified health plan” has the meaning given such term by section 1301(a) of the Patient Protection and Affordable Care Act (determined without regard to subparagraphs (A), (C)(ii), and (C)(iv) of paragraph (1) thereof and without regard to whether the plan is offered on an Exchange), except that such term shall not include a qualified health plan which is a catastrophic plan described in section 1302(e) of such Act.

(iii) INDIVIDUAL HEALTH INSURANCE MARKET.—The term “individual health insurance market” means the market for health insurance coverage (as defined in
section 9832(b) offered to individuals other than in connection with a group health plan (within the meaning of section 5000(b)(1)).

(D) CERTAIN RULES RELATED TO ABORTION.—

(i) OPTION TO PURCHASE SEPARATE COVERAGE OR PLAN.—Nothing in subparagraph (A) shall be construed as prohibiting any individual from purchasing separate coverage for abortions described in such subparagraph, or a health plan that includes such abortions, so long as no credit is allowed under this section with respect to the premiums for such coverage or plan.

(ii) OPTION TO OFFER COVERAGE OR PLAN.—Nothing in subparagraph (A) shall restrict any health insurance issuer offering a health plan from offering separate coverage for abortions described in such subparagraph, or a plan that includes such abortions, so long as premiums for such separate coverage or plan are not paid for with any amount attributable to the credit allowed under this section (or the amount of any advance payment of the credit under section 1412 of the Patient Protection and Affordable Care Act).

(iii) OTHER TREATMENTS.—The treatment of any infection, injury, disease, or disorder that has been caused by or exacerbated by the performance of an abortion shall not be treated as an abortion for purposes of subparagraph (A).

(4) SPECIAL RULES FOR QUALIFIED SMALL EMPLOYER HEALTH REIMBURSEMENT ARRANGEMENTS.—

(e) RULES FOR INDIVIDUALS NOT LAWFULLY PRESENT.—
(1) IN GENERAL.—If 1 or more individuals for whom a tax-
payer is allowed a deduction under section 151 (relating to al-
lowance of deduction for personal exemptions) for the taxable
year (including the taxpayer or his spouse) are individuals who
are not lawfully present—

(A) the aggregate amount of premiums otherwise taken
into account under clauses (i) and (ii) of subsection
(b)(2)(A) shall be reduced by the portion (if any) of such

(3) SECRETARIAL AUTHORITY.—The Secretary of Health and
Human Services, in consultation with the Secretary, shall pre-
scribe rules setting forth the methods by which calculations of

subsection. Such rules shall be designed to ensure that the
least burden is placed on individuals enrolling in qualified
health plans through an Exchange and taxpayers eligible for
the credit allowable under this section.

(f) RECONCILIATION OF CREDIT AND ADVANCE CREDIT.—
(1) IN GENERAL.—The amount of the credit allowed under
this section for any taxable year shall be reduced (but not
below zero) by the amount of any advance payment of such

(2) EXCESS ADVANCE PAYMENTS.—
(A) IN GENERAL.—If the advance payments to a taxpayer under section 1412 of the Patient Protection and Affordable Care Act for a taxable year exceed the credit allowed by this section (determined without regard to paragraph (1)), the tax imposed by this chapter for the taxable year shall be increased by the amount of such excess.

(B) LIMITATION ON INCREASE.—

<table>
<thead>

<th>The applicable dollar amount is:</th>
</tr>

<td>Less than 200%</td>
<td>$600</td>
</tr>
<tr>
<td>At least 200% but less than 300%</td>
<td>$1,500</td>
</tr>
<tr>
<td>At least 300% but less than 400%</td>
<td>$2,500</td>
</tr>
</tbody>
</table>

(ii) INDEXING OF AMOUNT.—In the case of any calendar year beginning after 2014, each of the dollar amounts in the table contained under clause (i) shall be increased by an amount equal to—

(I) such dollar amount, multiplied by

(II) the cost-of-living adjustment determined under section 1(f)(3) for the calendar year, determined by substituting "calendar year 2013" for "calendar year 2016" in subparagraph (A)(ii) thereof.

If the amount of any increase under clause (i) is not a multiple of $50, such increase shall be rounded to the next lowest multiple of $50.

PATIENT PROTECTION AND AFFORDABLE CARE ACT

TITLE I—QUALITY, AFFORDABLE HEALTH CARE FOR ALL AMERICANS

Subtitle D—Available Coverage Choices for All Americans

PART 1—ESTABLISHMENT OF QUALIFIED HEALTH PLANS

SEC. 1302. ESSENTIAL HEALTH BENEFITS REQUIREMENTS.

(a) ESSENTIAL HEALTH BENEFITS PACKAGE.—In this title, the term “essential health benefits package” means, with respect to any health plan, coverage that—

(1) provides for the essential health benefits defined by the Secretary under subsection (b);

(2) limits cost-sharing for such coverage in accordance with subsection (c); and

(3) subject to subsection (e), provides either the bronze, silver, gold, or platinum level of coverage described in subsection (d).

(b) ESSENTIAL HEALTH BENEFITS.—

(1) IN GENERAL.—Subject to paragraph (2), the Secretary shall define the essential health benefits, except that such ben-
benefits shall include at least the following general categories and the items and services covered within the categories:

(A) Ambulatory patient services.
(B) Emergency services.
(C) Hospitalization.
(D) Maternity and newborn care.
(E) Mental health and substance use disorder services, including behavioral health treatment.
(F) Prescription drugs.
(G) Rehabilitative and habilitative services and devices.
(H) Laboratory services.
(I) Preventive and wellness services and chronic disease management.
(J) Pediatric services, including oral and vision care.

(2) LIMITATION.—
   (A) IN GENERAL.—The Secretary shall ensure that the scope of the essential health benefits under paragraph (1) is equal to the scope of benefits provided under a typical employer plan, as determined by the Secretary. To inform this determination, the Secretary of Labor shall conduct a survey of employer-sponsored coverage to determine the benefits typically covered by employers, including multiemployer plans, and provide a report on such survey to the Secretary.

   (B) CERTIFICATION.—In defining the essential health benefits described in paragraph (1), and in revising the benefits under paragraph (4)(H), the Secretary shall submit a report to the appropriate committees of Congress containing a certification from the Chief Actuary of the Centers for Medicare & Medicaid Services that such essential health benefits meet the limitation described in paragraph (2).

(3) NOTICE AND HEARING.—In defining the essential health benefits described in paragraph (1), and in revising the benefits under paragraph (4)(H), the Secretary shall provide notice and an opportunity for public comment.

(4) REQUIRED ELEMENTS FOR CONSIDERATION.—In defining the essential health benefits under paragraph (1), the Secretary shall—

   (A) ensure that such essential health benefits reflect an appropriate balance among the categories described in such subsection, so that benefits are not unduly weighted toward any category;

   (B) not make coverage decisions, determine reimbursement rates, establish incentive programs, or design benefits in ways that discriminate against individuals because of their age, disability, or expected length of life;

   (C) take into account the health care needs of diverse segments of the population, including women, children, persons with disabilities, and other groups;

   (D) ensure that health benefits established as essential not be subject to denial to individuals against their wishes on the basis of the individuals’ age or expected length of life or of the individuals’ present or predicted disability, degree of medical dependency, or quality of life;
(E) provide that a qualified health plan shall not be treated as providing coverage for the essential health benefits described in paragraph (1) unless the plan provides that—

(i) coverage for emergency department services will be provided without imposing any requirement under the plan for prior authorization of services or any limitation on coverage where the provider of services does not have a contractual relationship with the plan for the providing of services that is more restrictive than the requirements or limitations that apply to emergency department services received from providers who do have such a contractual relationship with the plan; and

(ii) if such services are provided out-of-network, the cost-sharing requirement (expressed as a copayment amount or coinsurance rate) is the same requirement that would apply if such services were provided in-network;

(F) provide that if a plan described in section 1311(b)(2)(B)(ii) (relating to stand-alone dental benefits plans) is offered through an Exchange, another health plan offered through such Exchange shall not fail to be treated as a qualified health plan solely because the plan does not offer coverage of benefits offered through the stand-alone plan that are otherwise required under paragraph (1)(J); and

(G) periodically review the essential health benefits under paragraph (1), and provide a report to Congress and the public that contains—

(i) an assessment of whether enrollees are facing any difficulty accessing needed services for reasons of coverage or cost;

(ii) an assessment of whether the essential health benefits needs to be modified or updated to account for changes in medical evidence or scientific advancement;

(iii) information on how the essential health benefits will be modified to address any such gaps in access or changes in the evidence base;

(iv) an assessment of the potential of additional or expanded benefits to increase costs and the interactions between the addition or expansion of benefits and reductions in existing benefits to meet actuarial limitations described in paragraph (2); and

(H) periodically update the essential health benefits under paragraph (1) to address any gaps in access to coverage or changes in the evidence base the Secretary identifies in the review conducted under subparagraph (G).

(5) RULE OF CONSTRUCTION.—Nothing in this title shall be construed to prohibit a health plan from providing benefits in excess of the essential health benefits described in this subsection.

(c) REQUIREMENTS RELATING TO COST-SHARING.—

(1) ANNUAL LIMITATION ON COST-SHARING.—
(A) 2014.—The cost-sharing incurred under a health plan with respect to self-only coverage or coverage other than self-only coverage for a plan year beginning in 2014 shall not exceed the dollar amounts in effect under section 223(c)(2)(A)(ii) of the Internal Revenue Code of 1986 for self-only and family coverage, respectively, for taxable years beginning in 2014.

(B) 2015 AND LATER.—In the case of any plan year beginning in a calendar year after 2014, the limitation under this paragraph shall—

(i) in the case of self-only coverage, be equal to the dollar amount under subparagraph (A) for self-only coverage for plan years beginning in 2014, increased by an amount equal to the product of that amount and the premium adjustment percentage under paragraph (4) for the calendar year; and

(ii) in the case of other coverage, twice the amount in effect under clause (i).

If the amount of any increase under clause (i) is not a multiple of $50, such increase shall be rounded to the next lowest multiple of $50.

(3) COST-SHARING.—In this title—

(A) IN GENERAL.—The term “cost-sharing” includes—

(i) deductibles, coinsurance, copayments, or similar charges; and

(ii) any other expenditure required of an insured individual which is a qualified medical expense (within the meaning of section 223(d)(2) of the Internal Revenue Code of 1986) with respect to essential health benefits covered under the plan.

(B) EXCEPTIONS.—Such term does not include premiums, balance billing amounts for non-network providers, or spending for non-covered services.

(4) PREMIUM ADJUSTMENT PERCENTAGE.—For purposes of paragraph (1)(B)(i), the premium adjustment percentage for any calendar year is the percentage (if any) by which the average per capita premium for health insurance coverage in the United States for the preceding calendar year (as estimated by the Secretary no later than October 1 of such preceding calendar year) exceeds such average per capita premium for 2013 (as determined by the Secretary).

(d) LEVELS OF COVERAGE.—

(1) LEVELS OF COVERAGE DEFINED.—The levels of coverage described in this subsection are as follows:

(A) BRONZE LEVEL.—A plan in the bronze level shall provide a level of coverage that is designed to provide benefits that are actuarially equivalent to 60 percent of the full actuarial value of the benefits provided under the plan.

(B) SILVER LEVEL.—A plan in the silver level shall provide a level of coverage that is designed to provide benefits that are actuarially equivalent to 70 percent of the full actuarial value of the benefits provided under the plan.

(C) GOLD LEVEL.—A plan in the gold level shall provide a level of coverage that is designed to provide benefits that
are actuarially equivalent to 80 percent of the full actuarial value of the benefits provided under the plan.

(D) PLATINUM LEVEL.—A plan in the platinum level shall provide a level of coverage that is designed to provide benefits that are actuarially equivalent to 90 percent of the full actuarial value of the benefits provided under the plan.

(2) ACTUARIAL VALUE.—

(A) IN GENERAL.—Under regulations issued by the Secretary, the level of coverage of a plan shall be determined on the basis that the essential health benefits described in subsection (b) shall be provided to a standard population (and without regard to the population the plan may actually provide benefits to).

(B) EMPLOYER CONTRIBUTIONS.—The Secretary shall issue regulations under which employer contributions to a health savings account (within the meaning of section 223 of the Internal Revenue Code of 1986) may be taken into account in determining the level of coverage for a plan of the employer.

(C) APPLICATION.—In determining under this title, the Public Health Service Act, or the Internal Revenue Code of 1986 the percentage of the total allowed costs of benefits provided under a group health plan or health insurance coverage that are provided by such plan or coverage, the rules contained in the regulations under this paragraph shall apply.

(3) ALLOWABLE VARIANCE.—The Secretary shall develop guidelines to provide for a de minimis variation in the actuarial valuations used in determining the level of coverage of a plan to account for differences in actuarial estimates.

(4) PLAN REFERENCE.—In this title, any reference to a bronze, silver, gold, or platinum plan shall be treated as a reference to a qualified health plan providing a bronze, silver, gold, or platinum level of coverage, as the case may be.

(e) CATASTROPHIC PLAN.—

(1) IN GENERAL.—A health plan not providing a bronze, silver, gold, or platinum level of coverage shall be treated as meeting the requirements of subsection (d) with respect to any plan year if—

(A) the only individuals who are eligible to enroll in the plan are individuals described in paragraph (2); and

(B) the plan provides—

(i) except as provided in clause (ii) subparagraph (B), the essential health benefits determined under subsection (b), except that the plan provides no benefits for any plan year until the individual has incurred cost-sharing expenses in an amount equal to the annual limitation in effect under subsection (c)(1) for the plan year (except as provided for in section 2713); and

(ii) (B) coverage for at least three primary care visits.

(2) INDIVIDUALS ELIGIBLE FOR ENROLLMENT.—An individual is described in this paragraph for any plan year if the individual—
(A) has not attained the age of 30 before the beginning of the plan year; or
(B) has a certification in effect for any plan year under this title that the individual is exempt from the requirement under section 5000A of the Internal Revenue Code of 1986 by reason of—
(i) section 5000A(e)(1) of such Code (relating to individuals without affordable coverage); or
(ii) section 5000A(e)(5) of such Code (relating to individuals with hardships).

[(3)] (2) RESTRICTION TO INDIVIDUAL MARKET.—If a health insurance issuer offers a health plan described in this subsection, the issuer may only offer the plan in the individual market.

(f) CHILD-ONLY PLANS.—If a qualified health plan is offered through the Exchange in any level of coverage specified under subsection (d), the issuer shall also offer that plan through the Exchange in that level as a plan in which the only enrollees are individuals who, as of the beginning of a plan year, have not attained the age of 21, and such plan shall be treated as a qualified health plan.

(g) PAYMENTS TO FEDERALLY-QUALIFIED HEALTH CENTERS.—If any item or service covered by a qualified health plan is provided by a Federally-qualified health center (as defined in section 1905(l)(2)(B) of the Social Security Act (42 U.S.C. 1396d(l)(2)(B)) to an enrollee of the plan, the offeror of the plan shall pay to the center for the item or service an amount that is not less than the amount of payment that would have been paid to the center under section 1902(bb) of such Act (42 U.S.C. 1396a(bb)) for such item or service.

(2) SMALL GROUP MARKET.—A health insurance issuer shall consider all enrollees in all health plans (other than grandfathered health plans) offered by such issuer in the small group market, including those enrollees who do not enroll in such plans through the Exchange, to be members of a single risk pool.

* * * * * * *

SEC. 1412. ADVANCE DETERMINATION AND PAYMENT OF PREMIUM TAX CREDITS AND COST-SHARING REDUCTIONS.

(a) IN GENERAL.—The Secretary, in consultation with the Secretary of the Treasury, shall establish a program under which—

(1) upon request of an Exchange, advance determinations are made under section 1411 with respect to the income eligibility of individuals enrolling in a qualified health plan in the individual market through the Exchange for the premium tax credit allowable under section 36B of the Internal Revenue Code of 1986 and the cost-sharing reductions under section 1402;

(2) the Secretary notifies—

to whom 1 or more employee of the employer were determined to be eligible for the premium tax credit under section 36B of the Internal Revenue Code of 1986 and the cost-sharing reductions under section 1402 because—

(i) the employer did not provide minimum essential coverage; or

(ii) the employer provided such minimum essential coverage but it was determined under section 36B(c)(2)(C) of such Code to either be unaffordable to the employee or not provide the required minimum actuarial value; and

(3) the Secretary of the Treasury makes advance payments of such credit or reductions to the issuers of the qualified health plans in order to reduce the premiums payable by individuals eligible for such credit.

(b) ADVANCE DETERMINATIONS.—

(1) IN GENERAL.—The Secretary shall provide under the program established under subsection (a) that advance determination of eligibility with respect to any individual shall be made—

(A) during the annual open enrollment period applicable to the individual (or such other enrollment period as may be specified by the Secretary); and

(B) on the basis of the individual’s household income for the most recent taxable year for which the Secretary, after consultation with the Secretary of the Treasury, determines information is available.

(2) CHANGES IN CIRCUMSTANCES.—The Secretary shall provide procedures for making advance determinations on the basis of information other than that described in paragraph (1)(B) in cases where information included with an application form demonstrates substantial changes in income, changes in family size or other household circumstances, change in filing status, the filing of an application for unemployment benefits, or other significant changes affecting eligibility, including—

(A) allowing an individual claiming a decrease of 20 percent or more in income, or filing an application for unemployment benefits, to have eligibility for the credit determined on the basis of household income for a later period or on the basis of the individual’s estimate of such income for the taxable year; and

(B) the determination of household income in cases where the taxpayer was not required to file a return of tax imposed by this chapter for the second preceding taxable year.

(c) PAYMENT OF PREMIUM TAX CREDITS AND COST-SHARING REDUCTIONS.—

(1) IN GENERAL.—The Secretary shall notify the Secretary of the Treasury and the Exchange through which the individual is enrolling of the advance determination under section 1411.

(2) PREMIUM TAX CREDIT.—

(A) IN GENERAL.—The Secretary of the Treasury shall make the advance payment under this section of any premium tax credit allowed under section 36B of the Internal Revenue Code of 1986 to the issuer of a qualified health
plan on a monthly basis (or such other periodic basis as the Secretary may provide).

(B) ISSUER RESPONSIBILITIES.—An issuer of a qualified health plan receiving an advance payment with respect to an individual enrolled in the plan shall—

(i) reduce the premium charged the insured for any period by the amount of the advance payment for the period;

(ii) notify the Exchange and the Secretary of such reduction;

(iii) include with each billing statement the amount by which the premium for the plan has been reduced by reason of the advance payment; and

(iv) in the case of any nonpayment of premiums by the insured—

(II) allow a 3-month grace period for non-payment of premiums before discontinuing coverage.

(3) COST-SHARING REDUCTIONS.—The Secretary shall also notify the Secretary of the Treasury and the Exchange under paragraph (1) if an advance payment of the cost-sharing reductions under section 1402 is to be made to the issuer of any qualified health plan with respect to any individual enrolled in the plan. The Secretary of the Treasury shall make such advance payment at such time and in such amount as the Secretary specifies in the notice.

(d) NO FEDERAL PAYMENTS FOR INDIVIDUALS NOT LAWFULLY PRESENT.—Nothing in this subtitle or the amendments made by this subtitle allows Federal payments, credits, or cost-sharing reductions for individuals who are not lawfully present in the United States.

(e) STATE FLEXIBILITY.—Nothing in this subtitle or the amendments made by this subtitle shall be construed to prohibit a State from making payments to or on behalf of an individual for coverage under a qualified health plan offered through an Exchange that are in addition to any credits or cost-sharing reductions allowable to the individual under this subtitle and such amendments.

(f) EXCLUSION OF OFF-EXCHANGE COVERAGE.—Advance payments under this section, and advance determinations under section 1411, with respect to any credit allowed under section 36B shall not be made with respect to any health plan which is not enrolled in through an Exchange.

DISSENTING VIEWS

H.R. 6311 Increasing Access To Lower Premium Plans Act of 2018

H.R. 6311 (Roskam, R–IL) allows anyone to purchase catastrophic coverage (currently catastrophic plans can only be purchased by those under 30 and people with hardship exemptions), puts all catastrophic plans into the overall risk pool, allows use of Advance Premium Tax Credits (APTCs) to be used for catastrophic plans in the exchange, and allows premium tax credits (but not APTCs) to be used to purchase plans off exchange. The bill explicitly prohibits tax credits for plans that offer comprehensive women’s health care.

H.R. 6311 continues Republican efforts to undermine and destabilize the health insurance market increases costs for consumers, and undermines women’s health care, while at the same time growing our deficit.

H.R. 6311 would likely reduce choice and competition in the Affordable Care Act (ACA) marketplaces. While the bill would allow people buying individual-market plans outside the ACA marketplaces to receive ACA tax credits, the credits are only be available when individuals file their tax returns the following year (not upfront to help them pay premiums); this disadvantages more moderate-income families that do not have extra disposable income to pay premium costs up front. It also would eliminate the requirement that insurers selling plans eligible for the ACA tax credit must offer at least one “silver” and one “gold” plan through the marketplace—reducing plan choice for patients. If this bill were enacted, an insurer could offer coverage only outside the marketplace (destabilizing the marketplace and undermining marketplace choice) while still giving consumers access to premium tax credits.

H.R. 6311 would likely lead to increased premiums for individuals with preexisting conditions. Reducing the incentives for insurers to offer marketplace coverage could make it easier for insurers to engage in strategies to attract only healthier enrollees, such as offering only bronze or catastrophic plans, which have higher deductibles and other cost-sharing expenses for consumers than silver and gold plans. It also could reduce plan choices for consumers within the marketplaces if insurers shift to off-marketplace business. And it could prompt fewer consumers to comparison shop in the marketplaces—where they can compare premiums and benefits for multiple insurers—thus reducing competitive pressure on insurers to hold down premiums.

Legislation busts the deficit to benefit the wealthy, again. The Joint Committee on Taxation (JCT) estimates the cost of this bill to be $10.9 billion over 10 years. Altogether the 11 bills this Committee marked up would add another $92 billion in unoffset tax cuts to the deficit. With this bill, Republicans are adding more tax
cuts and increasing the deficit. Republicans are using the deficit, which they keep making larger with cuts for the wealthy, to justify the deep cuts they plan to make to Medicare and Medicaid. Republicans already are proposing to cut Medicare and Medicaid by nearly a trillion dollars to try to pay for the tax cuts they’ve already enacted. This bill will only increase Republicans’ calls for further cuts to these critical programs.

Democrats offered three amendments to this bill in an attempt to better protect consumers. Representative Thompson (D–CA) offered an amendment to require that plans covered under the underlying bill be offered by an issuer that does not raise premiums in connection with a failure to make risk adjustment payments. This effort to ensure consumers’ premiums are not increased due to Republican sabotage of health care was ruled non-germane. The appeal of the ruling of the chair was defeated 21–15.

Representative DelBene (D–WA) offered an amendment to strike language that prohibits premium tax credits from going toward any health plan that includes coverage for abortion services. Washington, Oregon, California, and New York all require health plans to include abortion services in every health plan, and H.R. 6311 would thereby takeaway premium tax credits for everyone in those four states.

Coalition members of All* Above All, which includes the American Civil Liberties Union and the National Partnership for Women and Families, wrote in opposition to the bill noting, “We oppose HR 6311 which could drastically impact the quality and affordability of insurance coverage available to women. . . . HR 6311 is drafted to achieve anti-abortion politicians’ goal of eliminating abortion coverage in the individual insurance marketplace. HR 6311 would deny women the tax credits that make plans affordable merely for choosing comprehensive insurance that includes abortion coverage. These provisions penalize individuals who seek plans that cover abortion and companies that want to provide comprehensive plans to their employees, and disincentivizes plans from covering abortion. Women should not be penalized for seeking comprehensive health coverage that meets their needs.” The amendment was defeated on party lines 15–22.

Representative Sánchez (D–CA) offered an amendment to require that plans covered under the underlying bill be offered by an issuer that does not discriminate or raise premiums on the basis of gender. This commonsense amendment was also defeated on party lines, 16–23.
