SECTION 1. SHORT TITLE.

This Act may be cited as the “Water and Agriculture Tax Reform Act of 2018”.

SEC. 2. FACILITATE WATER LEASING AND WATER TRANSFERS TO PROMOTE CONSERVATION AND EFFICIENCY.

(a) IN GENERAL.—Paragraph (12) of section 501(c) of the Internal Revenue Code of 1986 is amended by adding at the end the following new subparagraph:

“(J) TREATMENT OF MUTUAL DITCH IRRIGATION COMPANIES.—

“(i) IN GENERAL.—In the case of a mutual ditch or irrigation company or of a like organization to a mutual ditch or irrigation company, subparagraph (A) shall be applied without taking into account any income received or accrued—

“(I) from the sale, lease, or exchange of fee or other interests in real and personal property, including interests in water,

“(II) from the sale or exchange of stock in a mutual ditch or irrigation company (or in a like organization to a mutual ditch or irrigation company) or contract rights for the delivery or use of water, or

“(III) from the investment of proceeds from sales, leases, or exchanges under subclauses (I) and (II),

except that any income received under subclause (I), (II), or (III) which is distributed or expended for expenses (other than for operations, maintenance, and capital improvements) of the mutual ditch or irrigation company or of the like organization to a mutual ditch or irrigation company (as the case may be) shall be treated as nonmember income in the year in which it is distributed or expended. For purposes of the preceding sentence, expenses (other than for operations, maintenance, and capital improvements) include expenses for the construction of conveyances designed to deliver water outside of the system of the mutual ditch or irrigation company or of the like organization.

“(ii) TREATMENT OF ORGANIZATIONAL GOVERNANCE.—In the case of a mutual ditch or irrigation company or of a like organization to a mutual ditch or irrigation company, where State law provides that such a company or organization may be organized in a manner that permits voting on a basis which is pro rata to share ownership on corporate governance matters, subparagraph (A) shall be applied without taking into account whether its member shareholders have one vote on corporate governance matters per share held in the corporation. Nothing in this clause shall be construed to create any inference about the requirements of this subsection for companies or organizations not included in this clause.”.

(b) EFFECTIVE DATE.—The amendment made by subsection (a) shall apply to taxable years beginning after December 31, 2018.

I. SUMMARY AND BACKGROUND

A. PURPOSE AND SUMMARY

The bill, H.R. 519, as reported by the Committee on Ways and Means, provides that income received or accrued by a mutual ditch or irrigation company from non-member sources will not be taken into account in determining whether the entity meets the qualifications for tax-exempt status. Such income generally must be used to fund normal operations, maintenance, and capital improvements of the mutual ditch or irrigation company (this does not include in-

come used to fund the construction of conveyances designed to deliver water outside of the organization's system) or it will be treated as non-member income of the company (for purposes of determining its tax-exempt status) in the year in which it is distributed or expended.

Additionally, the bill provides that a mutual ditch or irrigation company's corporate governance issues may be decided on a pro rata basis based on share ownership in the organization, rather than on a one-member, one-vote basis, where the applicable state law provides for such a voting arrangement.

B. BACKGROUND AND NEED FOR LEGISLATION

The Committee believes it is important to continually improve tax laws. This bill provides mutual ditch or irrigation companies with more flexibility with respect to funding their operations, maintenance, and improvements to their water infrastructure, especially in drought-stricken areas, and allows mutual ditch or irrigation companies to be governed in such a manner as is permitted under State law. The bill provides that, for the income from non-member sources to receive preferential treatment, it generally must be used for operations and maintenance, thus ensuring that these funds will be reinvested in the mutual ditch or irrigation companies' water infrastructure. This will facilitate in more efficient water allocation and support rural economies.

C. LEGISLATIVE HISTORY

Background

H.R. 519 was introduced on January 17, 2017, and was referred to the Committee on Ways and Means.

Committee Action

The Committee on Ways and Means marked up H.R. 519, the "Water and Agriculture Tax Reform Act of 2018," on June 21, 2018, and ordered the bill, as amended, favorably reported (with a quorum being present).

Committee Hearings

Reforms to the rules for mutual ditch or irrigation companies were discussed at a Subcommittee on Tax Policy Member Day Hearing on Tax Legislation on May 12, 2016.

II. EXPLANATION OF THE BILL

A. MODIFY TAX EXEMPTION REQUIREMENTS FOR MUTUAL DITCH OR IRRIGATION COMPANIES (SEC. 2 OF THE BILL AND SEC. 501(C)(12) OF THE CODE)

PRESENT LAW

Section 501(c)(12) describes certain mutual or cooperative organizations that are exempt from Federal income tax under section 501(a), namely: (1) benevolent life insurance associations of a purely local character; (2) mutual ditch or irrigation companies; (3) mutual or cooperative telephone companies; and (4) like organizations

to any of the foregoing types of organizations.¹ In 1967, the Internal Revenue Service (the “Service”) interpreted the reference to “like organizations” to include mutual or cooperative electric companies and water companies, and such mutual or cooperative electric companies and water companies have been treated as within section 501(c)(12).²

In general, 85 percent or more of the income of these entities must consist of amounts collected from members for the sole purpose of meeting losses and expenses of the organization.³ The 85-percent test is applied on a year-by-year basis. If an organization fails to satisfy the test for a year, it does not qualify for exemption for that particular year; it may, however, continue to qualify for exemption for any year for which the 85-percent test is satisfied. The Code provides certain exceptions to the 85-percent-of-income requirement for mutual or cooperative telephone and electric companies.⁴

The Service generally requires that mutual or cooperative organizations described in section 501(c)(12) be democratically controlled, meaning that election of officers is conducted on a one-member, one-vote basis, with all meetings having a quorum of members in attendance or voting by proxy.⁵

REASONS FOR CHANGE

The Committee wishes to facilitate the efficient allocation of limited water resources and believes that this goal can be furthered by permitting, in appropriate cases, mutual ditch or irrigation companies that are exempt from tax under section 501(c)(12) to supplement their member income with additional income from non-member sources without losing tax-exempt status for the year. The Committee also believes it is important to ensure that such companies have sufficient capital to improve the infrastructure for the conveyance of water within their districts. The Committee therefore believes it is appropriate to disregard certain types of non-member income received by a mutual ditch or irrigation company for purposes of applying the 85-percent-of-member-income test.

EXPLANATION OF PROVISION

First, in the case of a mutual ditch or irrigation company (or a like organization to a mutual ditch or irrigation company), the 85-percent-of-income requirement is applied without taking into account income received or accrued: (1) from the sale, lease, or exchange of fee or other interests in real property, including interests in water; (2) from the sale or exchange of stock in a mutual ditch or irrigation company (or in a like organization to a mutual ditch or irrigation company) or contract rights for the delivery or use of water; or (3) from the investment of proceeds from sales, leases, or exchanges under (1) or (2) above.

Notwithstanding the foregoing, any income described in (1), (2), or (3) above that is distributed or expended for expenses (other

than for operations, maintenance, and capital improvements) of the mutual ditch or irrigation company (or of the like organization to a mutual ditch or irrigation company, as the case may be) shall be treated as non-member income in the year in which it is distributed or expended. For this purpose, “expenses (other than for operations, maintenance, and capital improvements)” include expenses for the construction of conveyances designed to deliver water outside of the system of the mutual ditch or irrigation company or of the like organization.

Second, in the case of a mutual ditch or irrigation company (or a like organization to a mutual ditch or irrigation company), where State law provides that such an organization may be organized in a manner that permits voting on a basis that is pro rata to share ownership on corporate governance matters, the organization’s eligibility for tax exemption is determined without taking into account whether each of its member shareholders has one vote on corporate governance matters per share held in the organization. Nothing in this rule shall be construed to create any inference about the requirements of section 501(c)(12) for organizations other than mutual ditch or irrigation companies.

EFFECTIVE DATE

The provision is effective for taxable years beginning after December 31, 2018.

III. VOTES OF THE COMMITTEE

In compliance with clause 3(b) of rule XIII of the House of Representatives, the following statement is made concerning the vote of the Committee on Ways and Means during the markup consideration of H.R. 519, the “Water and Agriculture Tax Reform Act of 2018,” on June 21, 2018.

The bill, H.R. 519, as amended, was ordered favorably reported to the House of Representatives by a voice vote (with a quorum being present).

IV. BUDGET EFFECTS OF THE BILL

A. COMMITTEE ESTIMATE OF BUDGETARY EFFECTS

In compliance with clause 3(d) of rule XIII of the Rules of the House of Representatives, the following statement is made concerning the effects on the budget of the bill, H.R. 519, as reported.

The following presents the estimated Federal fiscal year budget receipts of the bill, H.R. 519, as reported:

FISCAL YEARS

NOTE: Details do not add to totals due to rounding.

Pursuant to clause 8 of rule XIII of the Rules of the House of Representatives, the following statement is made by the Joint Committee on Taxation with respect to the provisions of the bill amending the Internal Revenue Code of 1986: The gross budgetary effect

(before incorporating macroeconomic effects) in any fiscal year is less than 0.25 percent of the current projected gross domestic product of the United States for that fiscal year; therefore, the bill is not “major legislation” for purposes of requiring that the estimate include the budgetary effects of changes in economic output, employment, capital stock and other macroeconomic variables.

B. STATEMENT REGARDING NEW BUDGET AUTHORITY AND TAX
EXPENDITURES BUDGET AUTHORITY

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, the Committee states that the bill involves no new or increased budget authority. The Committee further states that the revenue-reducing tax provision involves no new tax expenditure.

C. COST ESTIMATE PREPARED BY THE CONGRESSIONAL BUDGET
OFFICE

In compliance with clause 3(c)(3) of rule XIII of the Rules of the House of Representatives, requiring a cost estimate prepared by the CBO, the following statement by CBO is provided.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, June 28, 2018.

Hon. KEVIN BRADY,
*Chairman, Committee on Ways and Means,
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 519, the Water and Agriculture Tax Reform Act of 2018.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Cecilia Pastrone.

Sincerely,

KEITH HALL,
Director.

Enclosure.

H.R. 519—Water and Agriculture Tax Reform Act of 2018

H.R. 519 would amend the Internal Revenue Code by modifying the tax exemption requirements for mutual ditch and irrigation companies. The bill excludes certain types of income when determining whether those companies qualify for a federal income tax exemption in a given year, potentially qualifying more of those companies for the exemption. Under current law, to qualify for the tax exemption, at least 85 percent of the company’s income must be collected to meet losses and expenses. The bill generally excludes certain types of income—such as from the sale or lease of property, the sale of stock in a mutual ditch or irrigation company, and the investment of proceeds from those transactions—when determining if the 85-percent-of-income requirement is met. Thus, mutual ditch and irrigation companies can earn income on the sale of property and stock without affecting their tax-exempt status. The bill also broadens the corporate governance structures under

which mutual ditch and irrigation companies are eligible for the federal tax exemption.

The staff of the Joint Committee on Taxation (JCT) estimates that enacting H.R. 519 would reduce revenues by \$39 million over the 2018–2028 period.

The Statutory Pay-As-You-Go Act of 2010 establishes budget-reporting and enforcement procedures for legislation affecting revenues or direct spending. The net changes in revenues and direct spending that are subject to those pay-as-you-go procedures are shown in the following table. Only on-budget changes to revenues and direct spending are subject to pay-as-you-go procedures.

CBO and JCT estimate that enacting the bill would not increase net direct spending or on-budget deficits by more than \$5 billion in any of the four 10-year periods beginning in 2028.

JCT has determined that the bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Cecilia Pastrone. The estimate was approved by Joshua Shakin, Unit Chief, Revenue Estimating.

V. OTHER MATTERS TO BE DISCUSSED UNDER THE RULES OF THE HOUSE

A. COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Pursuant to clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee advises that the findings and recommendations of the Committee, based on oversight activities under clause 2(b)(1) of rule X of the Rules of the House of Representatives, are incorporated into the description portions of this report.

B. STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

With respect to clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the Committee advises that the bill contains no measure that authorizes funding, so no statement of general performance goals and objectives for which any measure authorizes funding is required.

C. INFORMATION RELATING TO UNFUNDED MANDATES

This information is provided in accordance with section 423 of the Unfunded Mandates Reform Act of 1995 (Pub. L. No. 104–4).

The Committee has determined that the bill does not contain Federal mandates on the private sector. The Committee has deter-

mined that the bill does not impose a Federal intergovernmental mandate on State, local, or tribal governments.

D. APPLICABILITY OF HOUSE RULE XXI 5(b)

Rule XXI 5(b) of the Rules of the House of Representatives provides, in part, that “A bill or joint resolution, amendment, or conference report carrying a Federal income tax rate increase may not be considered as passed or agreed to unless so determined by a vote of not less than three-fifths of the Members voting, a quorum being present.” The Committee has carefully reviewed the bill and states that the bill does not involve any Federal income tax rate increases within the meaning of the rule.

E. TAX COMPLEXITY ANALYSIS

Section 4022(b) of the Internal Revenue Service Restructuring and Reform Act of 1998 (“IRS Reform Act”) requires the staff of the Joint Committee on Taxation (in consultation with the Internal Revenue Service and the Treasury Department) to provide a tax complexity analysis. The complexity analysis is required for all legislation reported by the Senate Committee on Finance, the House Committee on Ways and Means, or any committee of conference if the legislation includes a provision that directly or indirectly amends the Internal Revenue Code of 1986 and has widespread applicability to individuals or small businesses.

Pursuant to clause 3(h)(1) of rule XIII of the Rules of the House of Representatives, the staff of the Joint Committee on Taxation has determined that a complexity analysis is not required under section 4022(b) of the IRS Reform Act because the bill contains no provisions that amend the Internal Revenue Code of 1986 and that have “widespread applicability” to individuals or small businesses, within the meaning of the rule.

F. CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

With respect to clause 9 of rule XXI of the Rules of the House of Representatives, the Committee has carefully reviewed the provisions of the bill and states that the provisions of the bill do not contain any congressional earmarks, limited tax benefits, or limited tariff benefits within the meaning of the rule.

G. DUPLICATION OF FEDERAL PROGRAMS

In compliance with Sec. 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee states that no provision of the bill establishes or reauthorizes: (1) a program of the Federal Government known to be duplicative of another Federal program, (2) a program included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or (3) a program related to a program identified in the most recent Catalog of Federal Domestic Assistance, published pursuant to section 6104 of title 31, United States Code.

H. DISCLOSURE OF DIRECTED RULE MAKINGS

In compliance with Sec. 3(i) of H. Res. 5 (115th Congress), the following statement is made concerning directed rule makings: The Committee advises that the bill requires no directed rule makings within the meaning of such section.

VI. CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

A. CHANGES IN EXISTING LAW PROPOSED BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law proposed by the bill, as reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italic, existing law in which no change is proposed is shown in roman):

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (new matter is printed in italic and existing law in which no change is proposed is shown in roman):

(i) from a nonmember telephone company for the performance of communication services which involve members of the mutual or cooperative telephone company,

(ii) from qualified pole rentals,

(iii) from the sale of display listings in a directory furnished to the members of the mutual or cooperative telephone company, or

(iv) from the prepayment of a loan under section 306A, 306B, or 311 of the Rural Electrification Act of 1936 (as in effect on January 1, 1987).

(C) In the case of a mutual or cooperative electric company, subparagraph (A) shall be applied without taking into account any income received or accrued—

(I) to end-users who are served by distribution facilities not owned by such company or any of its members (other than income received or accrued directly or indirectly from a member), or

(iv) from any nuclear decommissioning transaction,
or

(v) from any asset exchange or conversion transaction.

(D) For purposes of this paragraph, the term “qualified pole rental” means any rental of a pole (or other structure used to support wires) if such pole (or other structure)—

(i) is used by the telephone or electric company to support one or more wires which are used by such company in providing telephone or electric services to its members, and

(ii) is used pursuant to the rental to support one or more wires (in addition to the wires described in clause (i)) for use in connection with the transmission by wire of electricity or of telephone or other communications.

For purposes of the preceding sentence, the term “rental” includes any sale of the right to use the pole (or other structure).

(E) For purposes of subparagraph (C)(ii), the term “FERC” means—

(i) the Federal Energy Regulatory Commission, or
(ii) in the case of any utility with respect to which all of the electricity generated, transmitted, or distributed by such utility is generated, transmitted, distributed, and consumed in the same State, the State agency of such State with the authority to regulate electric utilities.

(F) For purposes of subparagraph (C)(iv), the term “nuclear decommissioning transaction” means—

(i) any transfer into a trust, fund, or instrument established to pay any nuclear decommissioning costs if the transfer is in connection with the transfer of the mutual or cooperative electric company’s interest in a nuclear power plant or nuclear power plant unit,

(ii) any distribution from any trust, fund, or instrument established to pay any nuclear decommissioning costs, or

(iii) any earnings from any trust, fund, or instrument established to pay any nuclear decommissioning costs.

(G) For purposes of subparagraph (C)(v), the term “asset exchange or conversion transaction” means any voluntary exchange or involuntary conversion of any property related to generating, transmitting, distributing, or selling electric energy by a mutual or cooperative electric company, the gain from which qualifies for deferred recognition under section 1031 or 1033, but only if the replacement property acquired by such company pursuant to such section constitutes property which is used, or to be used, for—

(i) generating, transmitting, distributing, or selling electric energy, or

(ii) producing, transmitting, distributing, or selling natural gas.

(H)(i) In the case of a mutual or cooperative electric company described in this paragraph or an organization described in section 1381(a)(2)(C), income received or accrued from a load loss transaction shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(ii) For purposes of clause (i), the term “load loss transaction” means any wholesale or retail sale of electric energy (other than to members) to the extent that the aggregate sales during the recovery period do not exceed the load loss mitigation sales limit for such period.

(iii) For purposes of clause (ii), the load loss mitigation sales limit for the recovery period is the sum of the annual load losses for each year of such period.

(iv) For purposes of clause (iii), a mutual or cooperative electric company’s annual load loss for each year of the recovery period is the amount (if any) by which—

(I) the megawatt hours of electric energy sold during such year to members of such electric company are less than

(II) the megawatt hours of electric energy sold during the base year to such members.

(v) For purposes of clause (iv)(II), the term “base year” means—

(I) the calendar year preceding the start-up year, or

(II) at the election of the mutual or cooperative electric company, the second or third calendar years preceding the start-up year.

(vi) For purposes of this subparagraph, the recovery period is the 7-year period beginning with the start-up year.

(vii) For purposes of this subparagraph, the start-up year is the first year that the mutual or cooperative electric company offers nondiscriminatory open access or the calendar year which includes the date of the enactment of this subparagraph, if later, at the election of such company.

(viii) A company shall not fail to be treated as a mutual or cooperative electric company for purposes of this paragraph or as a corporation operating on a cooperative basis for purposes of section 1381(a)(2)(C) by reason of the treatment under clause (i).

(ix) For purposes of subparagraph (A), in the case of a mutual or cooperative electric company, income received, or accrued, indirectly from a member shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(I) In the case of a mutual or cooperative electric company described in this paragraph or an organization described in section 1381(a)(2), income received or accrued in connection with an election under section 45J(e)(1) shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(I) *from the sale, lease, or exchange of fee or other interests in real and personal property, including interests in water,*

(II) *from the sale or exchange of stock in a mutual ditch or irrigation company (or in a like organization to a mutual ditch or irrigation company) or contract rights for the delivery or use of water, or*

(III) *from the investment of proceeds from sales, leases, or exchanges under subclauses (I) and (II), except that any income received under subclause (I), (II), or (III) which is distributed or expended for expenses (other than for operations, maintenance, and capital improvements) of the mutual ditch or irrigation company or of the like organization to a mutual ditch or irrigation company (as the case may be) shall be treated as nonmember income in the year in which it is distributed or expended. For purposes of the preceding sentence, expenses (other than for operations, maintenance, and capital improvements) include ex-*

penses for the construction of conveyances designed to deliver water outside of the system of the mutual ditch or irrigation company or of the like organization.

(ii) TREATMENT OF ORGANIZATIONAL GOVERNANCE.— In the case of a mutual ditch or irrigation company or of a like organization to a mutual ditch or irrigation company, where State law provides that such a company or organization may be organized in a manner that permits voting on a basis which is pro rata to share ownership on corporate governance matters, subparagraph (A) shall be applied without taking into account whether its member shareholders have one vote on corporate governance matters per share held in the corporation. Nothing in this clause shall be construed to create any inference about the requirements of this subsection for companies or organizations not included in this clause.

(13) Cemetery companies owned and operated exclusively for the benefit of their members or which are not operated for profit; and any corporation chartered solely for the purpose of the disposal of bodies by burial or cremation which is not permitted by its charter to engage in any business not necessarily incident to that purpose and no part of the net earnings of which inures to the benefit of any private shareholder or individual.

Clause (ii) shall not apply to a company if any employee of the company, or a member of the employee's family (as defined in section 2032A(e)(2)), is an employee of another company exempt from taxation by reason of this paragraph (or would be so exempt but for this sentence).

(B) For purposes of subparagraph (A), in determining whether any company or association is described in subparagraph (A), such company or association shall be treated as receiving during the taxable year amounts described in subparagraph (A) which are received during such year by all other companies or associations which are members of the same controlled group as the insurance company or association for which the determination is being made.

(C) For purposes of subparagraph (B), the term "controlled group" has the meaning given such term by section 831(b)(2)(B)(ii), except that in applying section 831(b)(2)(B)(ii) for purposes of this subparagraph, subparagraphs (B) and (C) of section 1563(b)(2) shall be disregarded.

(16) Corporations organized by an association subject to part IV of this subchapter or members thereof, for the purpose of financing the ordinary crop operations of such members or other producers, and operated in conjunction with such association. favor of employees who are highly compensated employees (within the meaning of section 414(q)), and

(iii) such benefits do not discriminate in favor of employees who are highly compensated employees (within the meaning of section 414(q)). A plan shall not be considered discriminatory within the meaning of this clause merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan.

(B) In determining whether a plan meets the requirements of subparagraph (A), any benefits provided under any other plan shall not be taken into consideration, except that a plan shall not be considered discriminatory—

(i) merely because the benefits under the plan which are first determined in a nondiscriminatory manner within the meaning of subparagraph (A) are then reduced by any sick, accident, or unemployment compensation benefits received under State or Federal law (or reduced by a portion of such benefits if determined in a nondiscriminatory manner), or

(ii) merely because the plan provides only for employees who are not eligible to receive sick, accident, or unemployment compensation benefits under State or Federal law the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such laws if such employees were eligible for such benefits, or

(iii) merely because the plan provides only for employees who are not eligible under another plan (which meets the requirements of subparagraph (A)) of supplemental unemployment compensation benefits provided wholly by the employer the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such other plan if such employees were eligible under such other plan, but only if the employees eligible under both plans would make a classification which would be nondiscriminatory within the meaning of subparagraph (A).

(D) The term “supplemental unemployment compensation benefits” means only—

(B) such benefits are payable to employees under a classification which is set forth in the plan and which is found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)),

(C) such benefits do not discriminate in favor of employees who are highly compensated employees (within the meaning of section 414(q)). A plan shall not be considered discriminatory within the meaning of this subparagraph merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan, and

(D) in the case of a plan under which an employee may designate certain contributions as deductible—

(i) such contributions do not exceed the amount with respect to which a deduction is allowable under section 219(b)(3),

(ii) requirements similar to the requirements of section 401(k)(3)(A)(ii) are met with respect to such elective contributions,

(iii) such contributions are treated as elective deferrals for purposes of section 402(g), and

(iv) the requirements of section 401(a)(30) are met.

VII. ADDITIONAL VIEWS

H.R. 519 provides that tax-exempt entities under section 501(c)12 of the Internal Revenue Code may retain their tax exemption so as long as certain income they derive from means other than membership payments is reinvested in operation and maintenance, including capital projects.

During consideration of the bill by the Committee, I raised concerns regarding unintended consequences the policy changes in H.R. 519 might have on the transfer of water. Eliminating the disincentive to sell, lease or otherwise transfer water out of the mutual ditch irrigation district should not have the effect of moving water among regions in a way that disadvantages agricultural enterprise, impairs water quality or causes environmental harm.

I look forward to working with the Chairman to ensure inclusion of provisions in the legislation that disallow revenue from the transfer of water outside of the basin in which the irrigation district operates for the purposes of calculating the entity's tax exemption, and reporting requirements so the Internal Revenue Service can have better information in evaluating these water sales. These provisions should ensure that water transfers are not financially motivated in a way that would unintentionally harm agricultural interests, water quality or the environment. This protection against the potential for abuse resulting from the policy changes in H.R. 519 should prevent undue harm to my Northern California constituencies.

MIKE THOMPSON,
Member of Congress.
